B. Applicable Law, Rules of Construction, and Venue. The construction, interpretation, and enforcement of this Participating Addendum shall be governed by the laws of the State of Wyoming, without regard to conflicts of law principles. The terms "hereof," "hereunder," "herein," and words of similar import, are intended to refer to this Participating Addendum as a whole and not to any particular provision or part. The Courts of the State of Wyoming shall have jurisdiction over this Participating Addendum and the parties. The venue shall be the First Judicial District, Laramie County, Wyoming.

C. Assignment Prohibited and Participating Addendum Shall Not Be Used as Collateral. Neither party shall assign or otherwise transfer any of the

rights or delegate any of the duties set out in this Participating Addendum without the prior written consent of the other party. Notwithstanding the foregoing, nothing herein shall prohibit the supply of products or services pursuant to the Master Agreement or this Participating Addendum by Contractor's Approved Distributors. The Contractor shall not use this Participating Addendum, or any portion thereof, for collateral for any financial obligation without the prior written permission of the State.

D. Availability of Funds. Each payment obligation of the State is conditioned upon the availability of government funds which are appropriated or allocated for the payment of this obligation and which may be limited for any reason including, but not limited to, congressional, legislative, gubernatorial, or administrative action. If funds are not allocated and available for continued performance of the Participating Addendum, the Participating Addendum may be terminated by the State at the end of the period for which the funds are available. The State shall notify the Contractor at the earliest possible time of the services which will or may be affected by a shortage of funds. Such causes may include, but are not limited to, acts of God or the public enemy, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather. This provision shall become effective only if the party failing to perform immediately notifies the other party of the extent and nature of the problem, limits delay in performance to that required by the event, and takes all reasonable steps to minimize delays.

Nothing in this Participating Addendum shall be interpreted as authorizing the Contractor or its agents or employees to act as an agent or representative for or on behalf of the State of Wyoming or any Purchasing Entity, or to incur any obligation of any kind on behalf of the State of Wyoming or any Purchasing Entity.
