The State of Oregon's and its agencies' payment obligations under this PA are conditioned upon Purchasing Entity receiving funding, appropriations, limitations, allotments, or other expenditure authority sufficient to allow Purchasing Entity, in the exercise of its reasonable administrative discretion, to meet its payment obligations under any PO issued under this PA. Contractor is not entitled to receive payment under this PA or any PO from any part of Oregon state government other than Purchasing Entity. Nothing in this PA or a PO is to be construed as permitting any violation of Article XI, section 7 of the Oregon Constitution or any other law regulating liabilities or monetary obligations of the State of Oregon. Purchasing Entity represents it has sufficient appropriations and limitation for the current biennium to make payments under any PO issued under this PA.

13.3. Remedies for Infringement. If any equipment or services furnished by Contractor are, in Contractor's opinion, likely to become the subject of an Infringement Claim, or if a Purchasing Entity is prevented from exercising its rights under this PA based on any Infringement Claim or court order arising from any Infringement Claim, then Contractor may, at its option and expense, procure for the Purchasing Entity the right to continue using the allegedly infringing goods or services, or replace or modify the goods or services so that they become non-infringing; provided that the replacement or modified good or service meets the specifications set forth in the applicable PO to the satisfaction of the Purchasing Entity. If the foregoing remedies are not available, then Purchasing Entity will return the allegedly infringing goods or terminate the allegedly infringing services, and Contractor will refund Purchasing Entity's payments, in full, for the allegedly infringing equipment or services.

Upon receipt of written notice of termination, Contractor will stop performance under all POs as directed by State.

15.3 Termination under any provision of this PA does not extinguish or prejudice State's or a Purchasing Entity's right to enforce this PA or a PO with respect to Contractor's breach of any warranty or any defect in or default of Contractor's performance that has not been cured, including any right of the State or a Purchasing Entity to indemnification by Contractor. If this PA or a PO is so terminated, the State or a Purchasing Entity will pay Contractor in accordance with the terms of this PA for goods delivered and accepted by the Purchasing Entity.

16. Termination of Individual Purchase Orders.

16.2.2 Federal or State laws, regulations or guidelines are modified or interpreted in such a way that either the purchase of goods under the PO is prohibited, or Purchasing Entity is prohibited from paying for such goods from the planned funding source; or

16.2.3 Contractor commits any material breach of this PA or a PO.

16.3 Upon receipt of written notice of termination, Contractor will stop performance under the PO as directed by Purchasing Entity.

16.4 Termination of a PO does not extinguish or prejudice Purchasing Entity's right to enforce the PO with respect to Contractor's breach of any warranty or any defect in or default of Contractor's performance that has not been cured, including any right of Purchasing Entity to indemnification by Contractor. In addition, termination of a PO does not extinguish or prejudice Purchasing Entity's right to enforce the warranty, indemnification, governing law, venue, and consent to jurisdiction provisions of this PA. If a PO is so terminated, Purchasing Entity will pay Contractor in accordance with the terms of this PA for goods delivered and accepted by Purchasing Entity.

- 17. Compliance with Law.** Contractor will comply with all federal, state and local laws, rules, regulations, executive orders and ordinances applicable to the Work under this PA or any PO, as may be adopted or modified from time to time. "Protected class" means a group of persons distinguished by race, color, religion, sex, sexual orientation, national origin, marital status, veteran status, disability or age. Contractor's compliance with this section constitutes a material element of this PA and a failure to comply constitutes a breach that entitles DAS PS or Purchasing Entity to terminate this PA or a PO for cause.
- 19. Application of Public Records Law.** Contractor acknowledges that any disclosures Contractor makes to Purchasing Entity under this PA are subject to application of the Oregon Public Records Law, including but not limited to ORS 192.311 – 192.478, the provisions for the Custody and Maintenance of Public Records, ORS 192.005 – 192.710, and of ORS 646.461 - 646.475. Any communication or notice by email is deemed given when the recipient, by an email sent to the email address for the sender or by a notice given by another method, acknowledges having received that email, with an automatic "read receipt" not constituting acknowledgment of an email for purposes of this Section.
- 22. Governing Law.** The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this PA and resulting POs, including, without limitation, their validity, interpretation, construction, performance, and enforcement.
- 23. Jurisdiction and Venue.** Any claim, action, suit or proceeding (collectively, "Claim") between State or any other agency or department of the State of Oregon, and Contractor, that arises from or relates to
