If the notice does not set forth an effective contract termination date, then the non-breaching party may terminate the contract after the cure period has expired by giving the breaching party no less than twenty four (24) hours' prior written notice.
- ii. CSCU shall send the notice of termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to the Participating State for purposes of correspondence, by electronic mail to Agreement-notice@cisco.com or by hand delivery. Except for any work which the Participating State directs the Contractor to perform in the notice prior to the effective date of termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and shall not enter into any further subcontracts, purchase orders or commitments.
