## 1. BACKGROUND

Contractor has entered into a contract with a governmental entity, which was awarded using a competitive process (the “Base Contract”). This Contract modifies the Base Contract to comply with state and federal law and incorporates it into CPA’s schedule of cooperative contracts, as authorized by Texas Government Code Chapter 2156, Subchapter D. The purpose of this Contract is to make items and pricing in the Base Contract available to customers authorized to purchase from CPA statewide contracts, including CPA.

## 2. CONTRACT DOCUMENTS

- (a) **List of Documents.** This Contract consists of: (1) this Cooperative Terms and Conditions document, (2) the Texas Cooperative Contract Vendor Checklist and Certifications, (3) the Base Contract and any participating agreement between CPA and the base contracting entity, (4) the Texas SmartBuy Catalog approved by CPA, and (5) the Participating Addendum executed by both parties.
- (b) **Base Contract.** This Contract incorporates the entire Base Contract, including all documents incorporated by reference into the Base Contract. Such documents may include the solicitation, the Contractor’s response, catalogs, and price lists.
- (c) **Base Contract Modifications.** Any modifications of the Base Contract is considered material and will not automatically be incorporated into this Contract, regardless of how a modification is regulated under the Base Contract. CPA may adopt such modifications in its sole discretion and shall notify the Contractor of any modification it adopts.
- (d) **Entire Agreement.** This Contract is intended as a final, complete, and exclusive expression of the agreement between CPA and Contractor about the subjects it contains. There are no restrictions, promises, warranties or undertakings related to this agreement, other than those stated or referred to in this Contract.
- (e) **Amendments.** This Contract may be amended only by written agreement between CPA and Contractor.

## 3. INTERPRETATION OF BASE CONTRACT

- (a) **Order of Precedence.** To the extent there are conflicts between the Base Contract and other Contract documents, the Base Contract is superseded by the other documents.
- (b) All rights and obligations of Contractor to the awarding governmental entity under the Base Contract are obligations owed by the Contractor to CPA under this Contract. All rights and obligations of Contractor to an entity receiving goods and services under the Base Contract are owed by the Contractor to the state of Texas, CPA, and Customers under this Contract.
- (c) If the Base Contract requires Contractor to notify the awarding governmental entity of information affecting the Base Contract, Contractor shall provide the same notices to CPA.
- (d) If the Base Contract is modified or terminated, Contractor shall notify CPA within 30 days. Unless CPA expressly adopts a modification, it will be unenforceable under this Contract.

## 4. CUSTOMERS

- (a) In this Contract, “Customer” is defined as any entity authorized by law or by CPA to purchase goods and services under this Contract, or an entity that is purchasing or has purchased goods or services under this Contract.

- (b) Customers have the same rights and remedies of the state of Texas and CPA under this Contract including indemnification, as to their own POs under this Contract.
- (c) Customers may not modify or waive any provision of this Contract.

## 5. TEXAS SMARTBUY CATALOG

- (a) **Contractor's Catalog.** Contractor shall submit a Texas SmartBuy Catalog (the "Catalog") to CPA for upload to the Texas SmartBuy online ordering system. Contractor shall not include in the Catalog any goods or services that are not included in the Base Contract. All goods and services included in the Catalog must be verifiable using the Base Contract or Contractor's website. At its sole discretion, CPA may exclude goods and services on the Base Contract from the Catalog. CPA will provide the final Texas SmartBuy catalog upon award.
- (b) **Base Price Changes.** Contractor shall notify CPA of any decrease in prices offered under the Base Contract within 30 working days and offer such pricing under this Contract. If Contractor fails to notify CPA of a Base Contract price decrease, Contractor shall refund any overpayment to Customers.
- (c) **Price Negotiation.** Catalog Prices are the maximum prices allowed under this Contract. A Customer may negotiate a lower price for goods and services with the Contractor.
- (d) **Pricing and related information are not confidential or proprietary.** CPA intends to publish pricing and related information on Texas SmartBuy. Contractor agrees that the information it has submitted to CPA is not confidential or proprietary. Contractor consents to the publication of Contractor's pricing and related information on Texas SmartBuy or in any other format.

## 6. PURCHASE ORDERS

- (a) **Effect.** A purchase order ("PO") constitutes an agreement between Contractor and Customer. Contractor will look solely to the Customer for performance, including but not limited to, payment, and will hold CPA harmless with regard to such orders.
- (b) **Customer-Specified Terms and Conditions.** Customers other than CPA do not have the authority to modify this Contract; however, Customers may add terms and conditions that do not conflict with this Contract and are acceptable to Contractor in a PO. In the event of a conflict between a PO and this Contract, this Contract controls. If Contractor cannot honor terms specified on a PO, it shall notify the Customer without delay.
- (c) **Off-Contract Items.** Other than incidental items expressly allowed under this Contract, Contractor may not sell and Customers may not purchase goods or services under this Contract that are not included in the Catalog for this Contract. Therefore, to the extent the Base Contract contains terms which allow additional items to be purchased such as blanket purchase agreements and contractor team arrangements, those terms are excluded from to this Contract.
- (d) **Incidental Items.** A Customer may purchase incidental items that are not included in the Catalog for this Contract if they are necessary for product integration or project completeness, subject to the following conditions. The Customer must determine that the quoted price is fair and reasonable, and the purchase represents best value to the state. The purchase must not conflict with applicable laws, rules, and regulations. Only products or services listed in the Base Contract may be purchased from this Contract. Incidental items must be clearly labeled as "Incidental." These incidental items may not exceed the lesser of \$5,000, or 50% of the total PO value. CPA may review incidental purchases and may decide whether to

allow them to proceed through Texas SmartBuy. Any goods and services acquired in direct support of a Customer's PO for which a specific scope or price is not established in Texas SmartBuy Catalog will be considered an incidental item. If incidental purchases do not meet these requirements, the PO may be void.

- (e) **Online Ordering.** The Texas SmartBuy system allows Customers to search for goods and services, compare prices, and place orders online. CPA does not guarantee a specific volume to be purchased throughout the term of the Contract. No minimum compensation to the Contractor is guaranteed. Contractor will receive Texas SmartBuy POs at the email address it has specified. If Contractor observes any apparent irregularities or suspicious content in emails from the Texas SmartBuy system, it shall notify CPA without delay. CPA does not guarantee a specific volume to be purchased throughout the term of the Contract. No minimum compensation to the Contractor is guaranteed.

## 7. TEXAS SMARTBUY ADMINISTRATIVE FEE

- (a) **Texas SmartBuy Administrative Fee.** Contractor shall pay a 1.5% administrative fee to CPA on all Contract sales. If Contractor wishes to recover this fee from Customers, Contractor may charge up to 1.5% more for goods and services under the Contract than it does under the Base Contract. Contractor must make any price adjustment permitted by this section before submitting the Texas SmartBuy Catalog to CPA.
  - (i) CPA will invoice Contractor the 1.5% administrative fee on the first day of the month following the After Receipt of Order date identified for each item. Payment is due on date indicated on the invoice.
  - (ii) The administrative fee payment should be identified as "Texas SmartBuy Administrative Fee" and made payable to "**Texas Comptroller of Public Accounts.**" Contractor may remit payment by check to Texas Comptroller of Public Accounts, Attn: Texas SmartBuy Administrative Fee, P.O. Box 13106, Austin, TX 78711-3106. If Contractor prefers to pay by ACH debit, it must request instructions from CPA.
  - (iii) The Texas SmartBuy administrative fee is subject to change at the sole discretion of CPA. CPA will provide Contractor with written notice of any increase to the Texas SmartBuy administrative fee.
- (b) **Warrant Hold for Unpaid Fees or Rebates.** Section 403.055 of the Texas Government Code generally prohibits the state treasury from making payments to anyone indebted to the State of Texas. Payments to Contractor may be held and applied to the Contractor's debt.

- (b) **Statewide Coverage.** Contractor shall serve all Customers and all locations throughout the State of Texas.
- (c) **Warranty.** Contractor shall provide a warranty for goods and services sold under the Contract. Any language in the Base Contract that (a) limits CPA's or Customers' remedies; or (b) limits Contractor's liability; is void and unenforceable under this Contract. At a minimum, the warranty period will begin on the date the equipment is accepted by the Customer and will continue in effect for a continuous period of (i) one year from that date, or (ii) the duration of the manufacturer's standard warranty, whichever is longer. If no time or specific protocol for acceptance is specified elsewhere in the Contract or the Customer PO, items are presumed accepted ten working days after receipt. The warranty will apply to any warranty service or repair requested by Customer during the warranty period by contacting the Contractor's authorized warranty service provider with such request, regardless of the amount of time

required to complete the requested warranty service or repair. Contractor's warranty obligations will survive the termination of this Contract.

- (d) **Warranty Shipment.** Contractor shall pay for shipment of goods under warranty. Contractor may not require a Customer to pay for shipping in order to obtain warranty repairs or replacement.
- (e) **Risk of Loss.** Notwithstanding any provision in the Base Contract, all deliveries for this Contract shall be free on board ("FOB") Destination. Contractor shall bear the risk of loss or damage of goods during shipment. Any attempt by Contractor to shift this risk without the express approval of CPA will have no effect.

- (n) **Intellectual Property.** Notwithstanding any language to the contrary in the Base Contract, "Work Product" is defined as all work papers, work products, materials, approaches, designs, specifications, systems, software, programs, source code, documentation, methodologies, concepts, intellectual property or other property developed, produced or generated in connection with the services to be provided by Contractor. In the event that this Contract or the Base Contract is terminated for any reason, or upon the

expiration of either this Contract or the Base Contract, Customers shall retain ownership of all associated Work Product and documentation obtained from Contractor under the Base Contract through this Contract. In the event that Contractor has any rights in and to the Work Product that cannot be assigned to Customers, Contractor shall grant to Customers an exclusive, worldwide, royalty-free, irrevocable, and perpetual license to directly and indirectly reproduce, distribute, modify, create derivative works of, publicly perform and publicly display, such rights to make, have made, use, sell and offer for sale any products developed by practicing such rights, and to otherwise use such rights, with the right to sublicense such rights through multiple levels of sublicenses. Any provision in the Base Contract limiting Customers' intellectual property rights is void and unenforceable under this Contract.

To designate a dealer, Contractor must submit the Letter of Authorization in the format provided by CPA. Contractor shall submit a separate Letter of Authorization for each designated dealer.
- (b) The Letter of Authorization must be signed by an authorized representative and addressed to the attention of the CPA Statewide Procurement Division Director.   - (iv) Contractor's Letter of Authorization shall remain effective until CPA receives written notification from Contractor, signed by an authorized representative of Contractor, that it is withdrawn.
- (c) The Letter of Acceptance must be submitted in the format provided by the CPA, signed by an authorized representative of the dealer, and addressed to the attention of Contractor. In the Letter of Acceptance, the dealer must represent and warrant that it has been given a copy of this Contract and the Base Contract, it agrees to be bound by the terms and conditions of this Contract and the Base Contract, as both may be amended from time to time, and such agreement specifically provides that it is for the benefit of the State of Texas, CPA, and Customers, as well as Contractor.
- (d) CPA may reject a Letter of Authorization that does not comply with this Contract, or that CPA chooses in its sole discretion not to approve.

## **10. UTILIZATION OF HISTORICALLY UNDERUTILIZED BUSINESSES (HUB)**

In accordance with Chapter 2161 of the Texas Government Code and 34 Texas Administrative Code (TAC) §§20.281-20.298, state agencies shall make a good faith effort to utilize Historically Underutilized Businesses ("HUB") in contracts for construction, services and commodities. Contractors are urged to utilize HUB as defined in Section 2161.001 of the Texas Government Code or small businesses as defined in Section

  - (vi) If the invoice is for a lease, Contractor must also include the payment number (e.g., 1 of 36).
- (b) If an authorized dealer has fulfilled the PO, then the dealer's information should be supplied in lieu of Contractor's information.

Customer is required to make payments only upon receipt of a correct invoice, including all of the required supporting documentation.
  - (ii) Payment shall be made in accordance with Chapter 2251 of the Texas Government Code, commonly known as the Texas Prompt Payment Act.   - (iii) In the event of a disputed invoice, a Customer may withhold from its payment no more than 110% of the disputed amount.

## 12. AUDIT REQUIREMENTS

The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject

of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit without limitations. Customers who order under the Contract using federal or grant funds may have additional audit requirements that are required by state or federal law or regulation. Those additional requirements will be included on the PO for that particular order. Any provision in the Base Contract limiting these audit rights is void and unenforceable under this Contract.

### **13. PUBLIC INFORMATION**

Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to Chapter 552 of the Texas Government Code (the "Public Information Act"). In accordance with Section 2252.907 of the Texas Government Code, Contractor is required to make any information created or exchanged with the State pursuant to this Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State.

Contractor further represents and warrants that it will comply with the requirements of Section 552.372(a) of the Texas Government Code. Except as provide by Section 552.374(c) of the Texas Government Code, the requirements of Subchapter J, Chapter 552 of the Texas Government Code, may apply to this Contract and Contractor agrees that the Contract can be terminated if Contractor knowingly or intentionally fails to comply with a requirement of that subchapter.

### **14. CONFIDENTIALITY AND SECURITY**

Contractor shall establish a method to secure the confidentiality of records and other information relating to Customers in accordance with applicable federal and state laws, rules, and regulations. (a) **Termination for Convenience.** CPA may terminate this Contract at any time, in whole or in part, without cost or penalty, by providing 30 calendar days' advance written notice. CPA may terminate the Contract for convenience if it has low sales over time, for example. Notwithstanding anything to the contrary in the Base Contract, Contractor does not have any right to terminate the Contract for convenience.

- (c) **Change in Federal or State Requirements.** If federal or state laws or regulations or other federal or state requirements are amended or judicially interpreted so that either CPA or Contractor cannot reasonably fulfill this Contract the parties may agree to an amendment that would allow for continuation of this Contract. Otherwise, CPA may terminate the Contract by issuing a notice invoking this clause.

  - (i) **CPA and Customer Obligations Contingent.** All obligations of CPA and Customers are subject to the availability of legislative appropriations and, for Customers expending federal funds, to the availability of the federal funds applicable to this Contract. In such event, Contractor must provide written notice to CPA of a claim for breach of the Contract not later than the 180th day after the date of the event giving rise to the claim. The notice must state with particularity (1) the nature of the alleged breach, (2) the amount Contractor seeks as damages and (3) the legal theory of recovery.
  - (ii) The Deputy Comptroller, Director of the Statewide Procurement Division or other designated officer of CPA shall examine the claim and any counterclaim and negotiate with Contractor in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Section 2260.052 of the Texas Government Code.
  - (iii) If the negotiation under paragraph (ii) above results in the resolution of some disputed issues by agreement or in a settlement, the parties shall reduce the agreement or settlement to writing and

each party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a party's rights under this Contract as to the parts of the claim that are not resolved.

- (iv) If a claim is not entirely resolved under paragraph (ii) above by or before the 270th day after the date the claim is filed with CPA, unless the parties agree in writing to an extension of time, the parties may agree to mediate a claim under this dispute resolution procedure. This dispute resolution procedure is Contractor's sole and exclusive process for seeking a remedy for an alleged breach of the Contract by CPA if the parties are unable to resolve their disputes as described in this section.
- (c) Nothing in this Contract shall be construed as a waiver of the State's or CPA's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. CPA does not waive any privileges, rights, defenses, or immunities available to CPA by entering into this Contract or by its conduct, or by the conduct of any representative of CPA, prior to or subsequent to entering into this Contract.
- (d) Compliance with the dispute resolution process provided for in Subchapter B, Chapter 2260 of the Texas Government Code and incorporated by reference in subsections (i)-(iv) above is a condition precedent to the Contractor's (1) filing suit pursuant to Chapter 114 of the Texas Civil Practice and Remedies Code or (2) initiating a contested case hearing pursuant to Subchapter C, Chapter 2260 of the Texas Government Code.

### **38. SOVEREIGN IMMUNITY**

CPA and Contractor expressly agree that no provision of the contract is in any way intended to constitute a waiver by CPA or the State of Texas of any immunities from suit or from liability that CPA or the State of Texas may have by operation of law.

### **39. LIMITATION OF AUTHORITY**

Contractor shall have no authority to act for or on behalf of the State of Texas, CPA, or Customers except as expressly provided for in this Contract; no other authority, power, use, or joint enterprise is granted or implied. Contractor may not incur any debts, obligations, expenses, or liabilities of any kind on behalf of the State of Texas, CPA, or Customers.

### **40. LIMITATION OF LIABILITY**

TO THE EXTENT PERMITTED BY THE CONSTITUTION AND THE LAWS OF THE STATE OF TEXAS, THE PARTIES AGREE THAT IN NO EVENT WILL THE STATE OF TEXAS, CPA, OR CUSTOMERS BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS, EVEN IF THE PARTIES HAD BEEN ADVISED, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.

**ANY LANGUAGE IN THE BASE CONTRACT LIMITING CONTRACTOR'S LIABILITY IN ANY WAY OR LIMITING THE INDEMNIFICATION PROVIDED IN SECTION 28 OF THIS CONTRACT IS VOID AND UNENFORCEABLE UNDER THIS CONTRACT.**

#### **41. HEADINGS**

The headings used in this Contract are for convenience only and will not be used in interpreting this Contract.

#### **42. GOVERNING LAW AND VENUE**

The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction in Travis County, Texas, unless the specific venue is otherwise identified in a state statute which directly names or otherwise identifies its applicability to CPA.

#### **43. SEVERABILITY**

If any provision of the Contract is construed to be illegal or invalid, such construction will not affect the legality or validity of any of its other provisions. The illegal or invalid provision will be deemed severable and stricken from the Contract as if it had never been incorporated herein, but all other provisions will continue in full force and effect.

**Texas Cooperative Contract  
Vendor Checklist and Certifications****Texas Cooperative Contract Requirements**

Vendor must meet the following requirements to be considered for a Texas Cooperative Contract (Co-op) award:

1. Submission of a base contract ("Base Contract") from an entity that facilitates [cooperative] agreements for the purchase of goods or services with a minimum of one year remaining. See [here](#) for Base Contracts Not Accepted.
2. The Base Contract must be suitable for general use by Texas Comptroller of Public Accounts ("CPA") customers and not specific to a geographical location or limited in use to a specific entity.
3. Submission of a Texas SmartBuy ("TSB") Catalog Template. The catalog must mirror the Base Contract's items/services. The catalog shall comply with Co-op template requirements and contain verifiable pricing. CPA requires all orders under Co-op contracts to be placed through the Texas SmartBuy online ordering system unless Vendor submits a request for offline sales and accompanying detailed justification for evaluation by CPA's Statewide Procurement Division ("SPD"). Offline sales are sales not specifically ordered through the TSB online ordering system. SPD has sole discretion to decide whether to authorize offline sales.
4. Co-op will not accept Free on Board ("FOB") Origin shipping terms for contracts for goods. Vendor agrees to FOB Destination terms and retains risk of loss of the goods (and is therefore responsible for replacing damaged or lost goods) until the goods have reached their final destination.
5. Texas Secretary of State registration or registration in Vendor's formation state.
6. Active Franchise Tax registration with CPA.
7. A Vendor's past performance may affect a potential award and will be considered during evaluation of the Texas Cooperative Contract Vendor Checklist and Certifications document. Vendor may be required to provide references for a contract in similar size and scope.

SPD may request additional information during the evaluation.

Electronic Record and Signature Disclosure

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, Texas Comptroller of Public Accounts (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, The Goodyear Tire & Rubber Company (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

**Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

**Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

**Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

**All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
