COMMONWEALTH OF VIRGINIA
SPECIAL TERMS AND CONDITIONS**

The following terms and conditions shall be included in any Participating Addendum between the Commonwealth of Virginia and a Contractor for any resulting contract. Other Participating Entities may have their own provisions.

1. **CANCELLATION OF CONTRACT:** The purchasing agency reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the contractor. In the event the initial contract period is for more than 12 months, the resulting contract may also be terminated by the contractor, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.
2. **eVA ORDERS AND CONTRACTS:** The solicitation/contract will result in multiple purchase order(s) with the applicable eVA transaction fee assessed for each order.

Contractors providing goods and/or services to the Commonwealth shall participate in the eVA e-procurement solution and agree to comply with the following: if this solicitation is for a term contract, failure to provide a static/hosted catalog (excel file) or an electronic catalog with functionality to interface with eVA (punchout catalog) for items awarded, will be just cause for the Commonwealth to reject your response or terminate the contract for default. The format of the electronic catalog shall conform to the eVA Catalog standards. Contractors shall work with the Contract Officer and eVA Catalog Team to provide the appropriate catalog option for the contract.
3. **FINANCIAL WARRANTY:** Contractor shall ensure that the prices, discounts, incentives, and other financial terms (collectively, the "financial deal") applicable to purchases under this Contract are always at least as favorable to the purchaser as the financial deal that the Contractor or its affiliates make available to any public body in Virginia for the same good(s)/service(s) outside this Contract. Throughout the term of this Contract, if Contractor (or any affiliate) makes a better financial deal available to a public body in Virginia for any good(s)/service(s) available under this Contract, Contractor shall immediately notify DGS of the details and, at DGS's option, sign an amendment to this Contract, so that an equivalent financial deal for the affected good(s)/service(s) is also available as an option under this Contract. Contractor may request exemption if the better financial deal was for a spot purchase, and DGS shall grant such request if DGS in good faith finds that the spot purchase involved special circumstances affecting cost that would make it unfair to apply an equivalent financial deal outside of that spot purchase. Upon DGS's request (and annually on August 1), Contractor shall submit to DGS an affidavit certifying full compliance with this Section. The Contractor (and any affiliate) shall waive any contractual or other right that inhibits any public body in Virginia from disclosing to DGS or others the financial terms made available to the public body, and upon request from DGS, Contractor shall ensure that a signed confirmation of the waiver is provided to the public body and DGS. As used in this Section, an affiliate is any entity that controls, is controlled by, or is under common control with, the contractor.
4. **MANDATORY ACCEPTANCE OF SMALL PURCHASE CHARGE CARD (SPCC):**

Purchasing charge cards offer Commonwealth of Virginia agencies and public entities the opportunity to streamline their procedures for procuring and paying for small dollar goods and/or services. Offerors responding to this solicitation should note that acceptance of payment by purchase card is mandatory unless waived by DPS within 90 calendar days of contract award.

Charge Card Levels: The amount of data passed for each charge card payment depends on the level at which the charge card is established. Payment for orders issued against the contract(s) resulting from this solicitation must allow for the Purchase Order Number to be passed at the time of charge so that the Purchase Order Number is received by the card platform and passed to the Card provider. The levels are delineated below and vendors must establish their card account at Level 2, which is mandatory, or Level 3, which is optional. Information on the various levels for the Purchase Card is indicated below.

Level 1 - vendors provide basic charge card purchase information, including but not limited to the data listed below. By passing "Basic Data", the vendor has a standard interchange cost.
 - Supplier Name
 - Merchant Category Code
 - Date
 - Total Purchase Amount

Level 2 - vendors provide additional information to the Level 1 elements, including but not limited to the data listed below. By passing Level 2 detail, the vendor will receive lower interchange costs. Level 2 is **mandatory** for any vendors who do business with the Commonwealth of Virginia and accept the Purchasing Card.

- Customer Code (PCO Number from eVA); and
- Vendor Tax ID

Level 3 - vendors provide line item detail, in addition to the Level 1 and Level 2 elements, including but not limited to the data listed below. By passing Level 3 optional data which is considered "Superior Data", the vendor will receive the lowest interchange costs.

- Item Description
- Item Quantity
- Item Unit of Measure
- Product Code
- Freight Amount
- Extended line Item Amount

5. **ORDERS:** Authorized Users must order goods and/or services available from the Contract by issuing an eVA purchase order through the Commonwealth's electronic procurement website portal <http://www.eva.virginia.gov>.
6. **PERIOD FOR PERFORMANCE OF PURCHASE ORDERS:** To be valid, a purchase order issued under this Contract must be issued during the term of the Contract. The period specified for performance of the purchase order may extend past the term of the Contract. If a notice terminating this Contract is issued, the notice shall be construed as applying only to the Contract and not to any existing purchase order, unless the notice expressly states the intent to terminate the purchase order.
7. **LOBBYING AND INTEGRITY:** Offerors are cautioned that communications with individuals other than the DPS Contracting Officer may result in incorrect and/or insufficient information being provided. In addition, the Offeror shall not, in connection with this or any other agreement with the Commonwealth of Virginia, directly or indirectly (1) offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for any state officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give anyone any gratuity for the benefit of or at the direction or request of any state officer or employee.

Upon request of the Commonwealth of Virginia's, Department of General Services, the Offeror shall provide any type of information deemed relevant to the Offeror's integrity or responsibility to provide the services or goods, described herein.
8. **EXCLUSIVITY OF TERMS AND CONDITIONS:** No employee or agent of the Commonwealth or Authorized User shall be required to sign or execute any additional contract, license or other agreement containing contractual terms and conditions. No contractor shall be required to sign, from any employee or agent of the Commonwealth or Authorized Users, any additional agreements, contracts, or other documents that were not part of the original contract. Any documents signed by persons other than the Director of DPS or their authorized designee shall have no validity or effect upon the Contract.
9. **CONTRACTUAL DISPUTES:** In accordance with Code of Virginia § 2.2-4363, contractual claims, whether for money or other relief, shall be submitted in writing to the Authorized User no later than sixty (60) days after final payment; however, written notice of the Contractor's intention to file such claim must be given to the Authorized User at the time of the occurrence or beginning of the work upon which the claim is based. Pendency of claims shall not delay payment of amounts agreed due in the final payment. The Authorized User shall render a final decision in writing within thirty (30) days after its receipt of the Contractor's written claim.
 - a. The Contractor may not invoke any available administrative procedure under Code of Virginia § 2.2-4365 nor institute legal action prior to receipt of the Commonwealth's decision on the claim, unless the Commonwealth fails to render its decision within thirty (30) days. The decision of the Commonwealth shall be final and conclusive unless the Contractor, within six (6) months of the date of the final decision on the claim, invokes appropriate action under Code of Virginia § 2.2-4364 or the administrative procedure authorized by Code of Virginia § 2.2-4365.
 - b. The Commonwealth or any Authorized User, and their officers, agents and employees, including without limitation, the contracting and Ordering Officers, are executing this Agreement and any Orders issued

hereunder, solely in its or their statutory and regulatory capacities as agent of the Commonwealth agency or Authorized User that is purchasing and receiving the goods or services in question and need not be joined as a party to any dispute that may arise there under.

- c. In the event of any breach by the Commonwealth or any Authorized User, Contractor's remedies shall be limited to claims for damages and Prompt Payment Act interest and, if available and warranted, equitable relief, all such claims to be processed pursuant to this Section. In no event shall Contractor remedies include the right to terminate any services hereunder.

10. **DELIVERY/SERVICE TO CORRECTIONAL INSTITUTIONS:**

The Contractor shall be responsible for adherence to the following guidelines as they pertain to delivering goods and/or providing services to correctional institutions, especially if the location is within the secured perimeter:

- d.
