

STATE OF CALIFORNIA
PARTICIPATING ADDENDUM NUMBER 7-21-70-40-11
AMENDMENT 1

CLOUD SOLUTIONS

Utah NASPO ValuePoint Master Agreement Number AR3104

Hewlett Packard Enterprise Company (Contractor)

The parties mutually agree to amend Participating Addendum 7-21-70-40-11 as follows:

- 1) **Section 20. EXECUTIVE ORDER N-6-22 – RUSSIA SANCTIONS** is hereby added to read as follows:

20. EXECUTIVE ORDER N-6-22 – RUSSIA SANCTIONS

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this Participating Addendum. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least thirty (30) calendar days to provide a written response. Termination shall be at the sole discretion of the State.

- 2) **Section 21. GENERATIVE ARTIFICIAL INTELLIGENCE (GENAI) REPORTING** is hereby added to read as follows:

21. GENERATIVE ARTIFICIAL INTELLIGENCE (GENAI) REPORTING

The State of California seeks to realize the potential benefits of GenAI, through the development and deployment of GenAI tools, while balancing the risks of these new technologies.

Upon request by an ordering agency, Contractor must complete a [GenAI Reporting and Fact Sheet \(STD 1000\)](#) to identify if their solution or service includes, or makes available, any GenAI including, GenAI from third parties or subcontractors.

During the term of the contract, Contractor must notify the State in writing if their services or any work under this contract includes, or makes available, any previously unreported GenAI technology, including GenAI from third parties or subcontractors. Contractor shall immediately complete the GenAI Reporting and Factsheet (STD 1000) to notify the State of any new or previously unreported GenAI technology.

**Participating Addendum 7-21-70-40-11
Amendment 1**

At the direction of the State, Contractor shall discontinue the use of any new or previously undisclosed GenAI technology that materially impacts functionality, risk or contract performance, until use of such GenAI technology has been approved by the State.

Failure to disclose GenAI use to the State and submit the GenAI Reporting and Factsheet (STD 1000) may be considered a breach of the contract by the State at its sole discretion and the State may consider such failure to disclose GenAI and/or failure to submit the GenAI Reporting and Factsheet (STD 1000) as grounds for the immediate termination of the contract. The State is entitled to seek any and all relief to which it may be entitled to as a result of such non-disclosure.

The State reserves the right to amend the contract, without additional cost, to incorporate GenAI Special Provisions into the contract at its sole discretion and/or terminate any contract that presents an unacceptable level of risk to the State.

If Contractor identifies GenAI in their solution, a copy of the STD 1000 must be submitted to the DGS State Contract Administrator.

All other terms and conditions of the Participating Addendum shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed this Amendment as of the date of execution by both parties below.
