the Connecticut General Statutes concerning claims against the State.

9. Nothing in the Master Agreement as modified by this Participating Addendum shall be construed as a modification, compromise or waiver by DAS or the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State of Connecticut or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Master Agreement as modified by this Participating Addendum. Procurement Master Contract

EXHIBIT A: NASPO VALUEPOINT MASTER AGREEMENT TERMS AND CONDITIONS

I. Definitions:

- 1.1 **Acceptance** means acceptance of goods and services as set forth in Section IX of this Master Agreement.
- 1.2 **Contractor** means a party to this Master Agreement, whether a person or entity, that delivers goods or performs services under the terms set forth in this Master Agreement.
- 1.3 **Embedded Software** means one or more software applications which permanently reside on a computing device.
- 1.4 **Intellectual Property** means any and all patents, copyrights, service marks, trademarks, trade secrets, trade names, patentable inventions, or other similar proprietary rights, in tangible or intangible form, and all rights, title, and interest therein.
- 1.5 **Lead State** means the State centrally administering any resulting Master Agreement(s) who is a party to this Master Agreement.
- 1.6 **Master Agreement** means the underlying agreement executed by and between the Lead State, acting in cooperation with NASPO ValuePoint, and the Contractor, as now or hereafter amended.
- 1.7 **NASPO ValuePoint** is a division of the National Association of State Procurement Officials ("NASPO"), a 501(c)(3) corporation. NASPO ValuePoint facilitates administration of the NASPO cooperative group contracting consortium of state chief procurement officials for the benefit of state departments, institutions, agencies, and political subdivisions and other eligible entities (i.e., colleges, school districts, counties, cities, some nonprofit organizations, etc.) for all states, the District of Columbia, and territories of the United States. NASPO ValuePoint is identified in the Master Agreement as the recipient of reports and may perform contract administration functions relating to collecting and receiving reports, as well as other contract administration functions as assigned by the Lead State.
- 1.8 **Order or Purchase Order** means any purchase order, sales order, contract or other document used by a Purchasing Entity to order the Products.
- 1.9 **Participating Addendum** means a bilateral agreement executed by a

Contractor and a Participating Entity incorporating this Master Agreement and any additional Participating Entity-specific language or other requirements (*e.g.*, ordering procedures specific to the Participating Entity, entity-specific terms and conditions, etc.).

- 1.10 Participating Entity** means a state (as well as the District of Columbia and US territories), city, county, district, other political subdivision of a State, or a nonprofit organization under the laws of some states properly authorized to enter into a Participating Addendum, that has executed a Participating Addendum.
- 1.11 Participating State** means a state that has executed a Participating Addendum or has indicated an intent to execute a Participating Addendum.
- 1.12 Product or Products and Services** means any equipment, software (including embedded software), documentation, service, or other deliverable supplied or created by the Contractor pursuant to this Master Agreement. The term Product includes goods and services.
- 1.13 Purchasing Entity** means a state (as well as the District of Columbia and US territories), city, county, district, other political subdivision of a State, or a nonprofit organization under the laws of some states if authorized by a Participating Addendum, that issues a Purchase Order against the Master Agreement and becomes financially committed to the purchase.

II. Term of Master Agreement

- 2.1 Initial Term.** The initial term of this Master Agreement is for two (2) years. The term of this Master Agreement may be amended beyond the initial term for three (3) additional years at the Lead State's discretion and by mutual agreement and upon review of requirements of Participating Entities, current market conditions, and Contractor performance. The Lead State may, prior to execution, adjust the effective date or duration of the initial term or renewal period of any Master Agreement for the purpose of making the Master Agreement coterminous with others.
- 2.2 Amendment Limitations.** The terms of this Master Agreement will not be waived, altered, modified, supplemented, or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.
- 2.3 Amendment Term.** The term of the Master Agreement may be amended past the initial term and stated renewal periods for a reasonable period if in the judgment of the Lead State a follow-on competitive procurement

will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection will not be deemed to limit the authority of a Lead State under its state law to otherwise negotiate contract extensions.

III. Order of Precedence

- 3.1 **Order.** Any Order placed under this Master Agreement will consist of the following documents:
 - 3.1.1 A Participating Entity's Participating Addendum ("PA");
 - 3.1.2 NASPO ValuePoint Master Agreement, including all attachments thereto;
 - 3.1.3 A Purchase Order or Scope of Work/Specifications issued against the Master Agreement;
 - 3.1.4 The Solicitation or, if separately executed after award, the Lead State's bilateral agreement that integrates applicable provisions;
 - 3.1.5 Contractor's response to the Solicitation, as revised (if permitted) and accepted by the Lead State.
- 3.2 **Conflict.** These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.
- 3.3 **Participating Addenda.** Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.

IV. Participants and Scope

- 4.1 **Requirement for a Participating Addendum.** Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.
- 4.2 **Applicability of Master Agreement.** NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their

Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (*e.g.*, purchase order or contract) used by the Purchasing Entity to place the Order.

- 4.3 Authorized Use.** Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- 4.4 Obligated Entities.** Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.
- 4.5 Notice of Participating Addendum.** Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- 4.6 Eligibility for a Participating Addendum.** Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.

- 4.7 Prohibition on Resale.** Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement.
- 4.8 Individual Customers.** Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.
- 4.9 Release of Information.** Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.
- 4.10 No Representations.** The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

V. NASPO ValuePoint Provisions

- 5.1 Applicability.** NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section V are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.
- 5.2 Administrative Fees**
- 5.2.1 NASPO ValuePoint Fee.** Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty

(60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

5.2.2 State Imposed Fees. Some states may require an additional fee be paid by Contractor directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method, and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage, or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

5.3 NASPO ValuePoint Summary and Detailed Usage Reports

5.3.1 Sales Data Reporting. In accordance with this section, Contractor shall report to NASPO ValuePoint all Orders under this Master Agreement for which Contractor has invoiced the ordering entity or individual, including Orders invoiced to Participating Entity or Purchasing Entity employees for personal use if such use is permitted by this Master Agreement and the applicable Participating Addendum ("Sales Data"). Contractor is responsible for reporting all sales made under this contract, whether those sales are made by distributors or the manufacturer directly. Timely and complete reporting of Sales Data is a material requirement of this Master Agreement. Reporting requirements, including those related to the format, contents, frequency, or delivery of reports, may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. NASPO ValuePoint shall have exclusive ownership of any media on which reports are submitted and shall have a perpetual, irrevocable, non-exclusive, royalty free, and transferable right to display, modify, copy, and otherwise use reports, data, and information provided under this section.

-
- 5.3.2 Summary Sales Data.** “Summary Sales Data” is Sales Data reported as cumulative totals by state. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Summary Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. If Contractor has no reportable Sales Data for the quarter, Contractor shall submit a zero-sales report.
- 5.3.3 Detailed Sales Data.** “Detailed Sales Data” is Sales Data that includes for each Order all information required by the Solicitation or by NASPO ValuePoint, including customer information, Order information, and line-item details. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Detailed Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. Detailed Sales Data shall be reported in the format provided in the Solicitation or provided by NASPO ValuePoint. The total sales volume of reported Detailed Sales Data shall be consistent with the total sales volume of reported Summary Sales Data.
- 5.3.4 Sales Data Crosswalks.** Upon request by NASPO ValuePoint, Contractor shall provide to NASPO ValuePoint tables of customer and Product information and specific attributes thereof for the purpose of standardizing and analyzing reported Sales Data (“Crosswalks”). Customer Crosswalks must include a list of existing and potential Purchasing Entities and identify for each the appropriate customer type as defined by NASPO ValuePoint. Product Crosswalks must include Contractor’s part number or SKU for each Product in Offeror’s catalog and identify for each the appropriate Master Agreement category (and subcategory, if applicable), manufacturer part number, product description, eight-digit UNSPSC Class Level commodity code, and (if applicable) EPEAT value and Energy Star rating. Crosswalk requirements and fields may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. Contractor shall work in good faith with NASPO ValuePoint to keep Crosswalks updated as Contractor’s customer lists and product catalog change.
- 5.3.5 Executive Summary.** Contractor shall, upon request by NASPO ValuePoint, provide NASPO ValuePoint with an executive

summary that includes but is not limited to a list of states with an active Participating Addendum, states with which Contractor is in negotiations, and any Participating Addendum roll-out or implementation activities and issues. NASPO ValuePoint and Contractor will determine the format and content of the executive summary.

5.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

- 5.4.1 Staff Education.** Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.
- 5.4.2 Onboarding Plan.** Upon request by NASPO ValuePoint, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.
- 5.4.3 Annual Contract Performance Review.** Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.
- 5.4.4 Use of NASPO ValuePoint Logo.** The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint.
- 5.4.5 Most Favored Customer.** The parties acknowledge that this Master Agreement and its terms and pricing have been negotiated for the benefit of the parties, NASPO ValuePoint, Participating

Entities, and Purchasing Entities. Apart from a Participating Addendum or Order, Contractor shall not intentionally induce a potential Participating Entity or Purchasing Entity to enter into a separate agreement, the pricing, and terms of which are derived from this Master Agreement, for the purpose of avoiding compliance with Contractor's obligations under Section V. Nothing in this Section 5.4.5 shall prohibit Contractor from contracting with an entity with substantially similar pricing and terms if such pricing and terms are independently negotiated with the entity or are consistent with pricing and terms ordinarily offered by Contractor to public sector customers.

- 5.5 Cancellation.** In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master Agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if the Contractor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.
- 5.6 Additional Agreement with NASPO.** Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

VI. Pricing, Payment & Leasing

- 6.1 Pricing.** The prices contained in this Master Agreement or offered under this Master Agreement represent the not-to-exceed price to any Purchasing Entity.
- 6.1.1** All prices and rates must be guaranteed for the initial term of the Master Agreement.
- 6.1.2** Following the initial term of the Master Agreement, any request for a price or rate adjustment must be for an equal

guarantee period and must be made at least 30 days prior to the effective date.

6.1.3 Requests for a price or rate adjustment must include sufficient documentation supporting the request. Any adjustment or amendment to the Master Agreement will not be effective unless approved in writing by the Lead State.

6.1.4 No retroactive adjustments to prices or rates will be allowed.

6.2 Payment. Unless otherwise agreed upon in a Participating Addendum or in accordance with law, Payment after Acceptance will be made within thirty (30) days following the date the entire order is delivered or the date a correct invoice is received whichever is later. In the event a Purchasing Entity wishes to dispute an invoice or portion thereof, the Purchasing Entity must notify the Contractor in writing within 30 days of its receipt of the disputed invoice. The writing must provide Contractor with sufficient detail regarding the basis and amount of the dispute. If the Purchasing Entity does not dispute an invoice within 30 days of its receipt, the invoice will be deemed to have been approved by the Participating Entity. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum or Order, or otherwise prescribed by applicable law. Payments will be remitted in the manner specified in the Participating Addendum or Order. Payments may be made via a purchasing card with no additional charge.

6.3 Leasing or Alternative Financing Methods. The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. Where the terms and conditions are not otherwise prescribed in an applicable Participating Addendum, the terms, and conditions for leasing or alternative financing methods are subject to negotiation between the Contractor and Purchasing Entity.

VII. Ordering

7.1 Order Numbers. Master Agreement order and purchase order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence.

-
- 7.2 Quotes.** Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an “as needed” basis. This procedure may also be used when requirements are aggregated, or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity’s rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.
- 7.3 Applicable Rules.** Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities’ rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.
- 7.4 Required Documentation.** Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.
- 7.5 Term of Purchase.** Orders may be placed consistent with the terms of this Master Agreement and applicable Participating Addendum during the term of the Master Agreement and Participating Addendum.
- 7.5.1** Orders must be placed pursuant to this Master Agreement prior to the termination date thereof but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement subject to availability. Notwithstanding, shipment of Products remains subject to Product availability. Notwithstanding the previous, Orders must also comply with the terms of the applicable Participating Addendum, which may further restrict the period during which Orders may be placed or delivered.
- 7.5.2** Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
- 7.5.3** Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of

such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.

7.5.4 Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

7.6 Order Form Requirements. All Orders pursuant to this Master Agreement, at a minimum, must include:

7.6.1 The services or supplies being delivered;

7.6.2 A shipping address and other delivery requirements, if any;

7.6.3 A billing address;

7.6.4 Purchasing Entity contact information;

7.6.5 Pricing consistent with this Master Agreement and applicable Participating Addendum and as may be adjusted by agreement of the Purchasing Entity and Contractor;

7.6.6 A not-to-exceed total for the products or services being ordered; and

7.6.7 The Master Agreement number or the applicable Participating Addendum number, provided the Participating Addendum references the Master Agreement number.

7.7 Communication. All communications concerning administration of Orders placed must be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.

7.8 Contract Provisions for Orders Utilizing Federal Funds. Pursuant to Appendix II to Title 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

VIII. Shipping and Delivery

Procurement Master Contract

Exhibit D – Value Add: ProCare Service Terms

1. SERVICE COVERAGE

Supplier shall provide to Participating Entity the ProCare Program(s) services (the “Services”) as requested by Participating Entity in accordance with the terms hereunder for certain products (“Equipment”). The Services and the Service Plan(s) are ancillary to and not a complete substitute for the requirements of Participating Entity to adhere to the routine maintenance instructions provided by Contractor, its equipment and operations manuals, and accompanying labels and/or inserts for the Equipment. Participating Entity covenants and agrees that its personnel will follow the instructions and contents of those manuals, labels and inserts. When Equipment or a component is replaced, the item provided in replacement will be the Participating Entity’s property (if Participating Entity owns the Equipment) and the replaced item will be Supplier’s property.

2. EQUIPMENT SCHEDULE CHANGES

During the term of the Agreement, upon each party’s written consent, additional Equipment may be added. All additions are subject to the terms and conditions contained herein. The parties shall mutually agree that Contractor shall adjust the charges and modify the Equipment Schedule to reflect any additions.

3. INSPECTION SCHEDULING

Service inspections will be scheduled in advance at a mutually agreed upon time. Equipment not made available at the specified time will be serviced at the next scheduled service inspection unless specific arrangements are made with Contractor. Such arrangements will include travel and other special charges at Supplier’s then current rates.

4. INSPECTION ACTIVITY

On each scheduled service inspection, Contractor’s Service Representative will inspect each available item of Equipment as required in accordance with Contractor’s then current maintenance procedures for said Equipment.

5. PARTICIPATING ENTITY OBLIGATIONS

Participating Entity shall use commercially reasonable efforts to cooperate with Contractor in connection with Contractor’s performance of the Services. Participating Entity understands and acknowledges that Contractor Service Representatives will not provide surgical or medical advice, will not practice surgery or medicine, will not come in physical contact with the patient, will not enter the “sterile field” at any time, and will not direct equipment or instruments that come in contact with the patient during surgery. Participating Entity’s personnel will refrain from requesting Contractor Service Representatives to take any actions in violation of these requirements or in violation of applicable laws, rules or regulations, Participating Entity policies, or the patient’s informed consent. A refusal by Contractor’s Service Representatives to engage in such activities shall not be a breach of this Agreement. Participating Entity consents to the presence of Contractor’s Service Representatives in its operating rooms, where applicable, to allow Contractor to provide Services under this Agreement and represents that it will obtain all necessary consents.

6. SERVICE INVOICING

Invoices will be sent on the agreed payment method. All prices are exclusive of state and local use, sales or similar taxes. In states assessing upfront sales and use tax, Participating Entity’s payments will be adjusted to include all applicable sales and use tax amortized over the Service Plan term using a rate that preserves for Contractor, its affiliates and/or assigns, the intended economic yield for the transaction described in this

Agreement. All invoices issued under this Agreement are to be paid within thirty (30) days of the date of the invoice, or the minimum period as may be established under the Participating Entity's state-mandated regulations. Failure to comply with Net 30 Day (or state regulated) terms will constitute breach of contract and future Service will only be made on a prepaid or COD basis, or until the previous obligation is satisfied, or both. Contractor reserves the right, with no liability to Contractor, to cancel this Agreement due to payment default.

7. **INITIAL INSPECTION**

This Agreement shall be applicable only to such Equipment as listed in the Equipment Schedule, which has been determined by a Contractor's Representative to be in good operating condition upon his/her initial inspection thereof.

8. **MAINTENANCE INSPECTION**

THIS AGREEMENT MAY INCLUDE PRODUCTS WHICH ARE BEYOND THEIR WARRANTY PERIOD AND TESTED EXPECTED SERVICE LIFE. ANY SUCH PRODUCT WILL BE INSPECTED SOLELY TO DETERMINE IF THE PRODUCT MEETS THE OPERATIONS AND MAINTENANCE MANUAL GUIDELINES FOR THAT PARTICULAR PRODUCT AS OF THE DATE OF INSPECTION. DESPITE ANY SUCH INSPECTION, CONTRACTOR MAKES NO CLAIMS OR ASSURANCES AS TO FUTURE PERFORMANCE, INCLUDING NO EXPRESS OR IMPLIED WARRANTY, FOR ANY PRODUCT WHICH WAS INSPECTED OUTSIDE OF ITS WARRANTY PERIOD OR BEYOND ITS TESTED EXPECTED SERVICE LIFE.

9. **SERVICE PLAN WARRANTY AND LIMITATIONS**

Contractor represents and warrants that the Services shall be performed in a workmanlike manner and with professional diligence and skill. Services will materially comply with all applicable laws and regulations. During the term of the Service Plan, Contractor will maintain the Equipment in good working condition. Notwithstanding any other provision of the Agreement, the Service Plan does not include repairs or other services made necessary by or related to, the following: (a) abnormal wear or damage caused by misuse or by failure to perform normal and routine maintenance, as set out in the Contractor maintenance manual or operating instructions; (b) accidents; (c) catastrophe; (d) acts of god; (e) any malfunction resulting from faulty maintenance, improper repair, damage and/or alteration by non-contractor authorized personnel; (f) Equipment on which any original serial numbers or other identification marks have been removed or destroyed; or (g) Equipment that has been repaired with any unauthorized or non-contractor parts/components. In addition, in order to ensure safe operation of the Equipment, only Contractor accessories should be used. Contractor reserves the right to invalidate the Service Plan if Equipment is used with accessories not manufactured by Contractor.

TO THE FULLEST EXTENT PERMITTED BY LAW, THE EXPRESS WARRANTIES SET FORTH IN THIS SECTION ARE THE ONLY WARRANTIES APPLICABLE TO THE SERVICES AND ARE EXPRESSLY IN LIEU OF ANY OTHER WARRANTY BY CONTRACTOR, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY, NONINFRINGEMENT OR FITNESS FOR A PARTICULAR PURPOSE.

10. **LIMITATION OF LIABILITY**

2. For any reason, the Client Agency may demand, in writing, that the Contractor either remove one or more Key Contractor Personnel, or, remove the Key Contractor Personnel and provide a substitute. The request may, but need not, provide a detailed explanation of the circumstances for the proposed removal. The Contractor shall deliver the resumes of the proposed substitute Key Contractor Personnel to the Project Administrator for consideration within 3 Business Days of receiving the substitution request. The Project Administrator shall notify the Contractor of approval or disapproval in writing within 3 Business Days of receiving the resumes. The Contractor shall quickly resolve all labor disputes which result from the Contractor's or Contractor Parties' presence at the work site, or other action under their control. Labor disputes shall not be deemed to be sufficient cause to allow the Contractor to make any claim for additional compensation for cost, expenses or any other loss or damage, nor shall those disputes be deemed to be sufficient reason to relieve the Contractor from any of its obligations under this Contract.

15. Background Checks

The Contractor and Contractor Parties shall submit to and incur the cost of fingerprint supported federal and state criminal history background checks as may be required by the State, the State of Connecticut Department of Emergency Services and Public Protection, or as provided for in any State document that governs procedures for background checks. Stat. § 14-163c(d)(4), then the Contractor shall not operate or allow the operation of that motor vehicle and shall not allow the operator to operate a motor vehicle while the respective subject out-of-service order is in effect.

Contractor shall deliver a sales and use report on a quarterly basis, in form and content as pre-approved by DAS or the Client Agency. The Contractor shall deliver the report within ten (10) days following the end of each calendar quarter. The Contractor shall provide the Client Agency with any additional reports as the Client Agency may request from time to time within ten (10) days following receipt of the Client Agency's written request. Timely submission of these reports is a material requirement of this Contract. All Title and property rights and interests in and to the reports and the data in the media containing the reports at all times is and will always remain vested in the State. At no time will Contractor have Title to such reports, data or media, wherever located. Accordingly, the Client Agency shall have a perpetual, irrevocable, non-exclusive, transferable right to display, modify, copy and otherwise use the reports, data, and information provided under this Section.

19. Breach

- a. If one party (the "Non-breaching Party") determines that the other (the "Breaching Party") has failed to comply with any of the Breaching Party's corresponding Contract obligations (a "Breach"), then the Non-Breaching Party shall provide written notice of such failure to the Breaching Party in accordance with this Contract. The Non-breaching Party must provide the Breaching Party an opportunity to remedy the Breach within thirty (30) calendar days from the date of the notice. However, if Contractor is the Breaching Party, then the Client Agency may set forth any remedy period in the notice, so long as that period is otherwise consistent with the provisions of this Contract. The period set forth in the notice is known as the "Remedy Period." The Non-Breaching Party shall extend the Remedy Period if it is satisfied that the Breaching Party is making a good faith effort to remedy the Breach, but the nature of the Breach is such that it cannot be remedied within the Remedy Period.
- b. If the Client Agency determines that the Contractor has committed a Breach, then the Client Agency may require the Contractor to, and Contractor shall, prepare and submit to the Client Agency a CAP in connection with the identified Breach. Contractor shall provide in the CAP a detailed explanation of the deficiencies and other factors that contributed to the cited Breach, Contractor's assessment or diagnosis of Breach (identifying the deficiencies and factors in reasonable detail, with references to the applicable Specifications), and a specific proposal to remedy or resolve the Breach. Contractor shall submit the CAP to the Client Agency within (10) Business Days following the Client Agency's request for the CAP for the Client Agency's review and approval. Within (10) Business Days of receiving the CAP, the Client Agency must either approve the CAP, or reject it by delivering to Contractor a written explanation for the rejection. If the Client Agency fails to accept or reject the CAP within the (10) Business Days, then the CAP is deemed to have been approved, without more. The Client Agency's explanation for the rejection must include suggestions for changes to the CAP and the Contractor shall address the suggestions in such a manner to make it likely that the Client Agency will approve the CAP when the Contractor re-submits it to the Client Agency for review and approval. If the Client Agency rejects a CAP, then the parties will repeat this submittal and review process until the earliest of one of the following: (1) the Client Agency accepts a CAP, (2) the Client Agency waives its right to receive a CAP, (3) Contractor remedies the Breach, (4) the Client Agency waives the Breach, or (5) the Client Agency makes a determination to Terminate this Contract. After the first rejection, each of the parties will have (5) Business Days, instead of (10) Business Days, within

Exhibit 2
Connecticut Standard Terms

which to review the CAP. Each subsequent revision and review will be for up to (3) Business Days each instead of (10) or (5) Business Days.

- c. If the Client Agency determines that the Contractor has Breached this Contract, then the Client Agency may withhold payment in whole or in part for any amounts due pending resolution of the Performance issue, provided that the Client Agency notifies Contractor in writing prior to the date that the payment would have been due.
- d. For purposes of the Client Agency determining whether there is a Breach under this Contract, or whether any statement in the Representations and Warranties Section of this Contract is false or misleading, the parties deem the Acts of the Contractor Parties to be the Acts of the Contractor itself, as if the Contractor itself was the subject of the Acts which the Client Agency considers in determining if there was a Breach, or an instance of false or misleading statements, or both.
- e. The written notice of the Breach may include an effective Termination date. If the identified Breach is not remedied by the stated Termination date, unless otherwise modified by the Non-breaching Party in writing before such date, no further action shall be required of any party to effect the Termination as of the stated date. If the notice does not set forth an effective Termination date, then the Non-breaching Party shall provide the Breaching Party no less than twenty-four (24) hours' prior written notice before terminating this Contract.
- f. Notwithstanding any provisions in this Contract, DAS may terminate this Contract with no Remedy Period for Contractor's Breach or violation of any of the representations or warranties in this Contract and revoke any consent to assignments given as if the assignments had never been requested or consented to, without liability to Contractor or Contractor Parties or any third party. Termination under this Breach section is subject to the provisions of the Termination Section of this Contract. In case of such revocation or Termination, the Client Agency will have no liability or responsibility to Contractor or Contractor Parties or any third party, or any of them, resulting from the Termination or revocation.
- g. None of the State's rights under this Breach Section diminishes the State's rights under the Termination Section of this Contract.

20. Termination

- a. Notwithstanding any provisions in this Contract, DAS, through a duly authorized employee, may Terminate this Contract whenever DAS makes a written determination that such Termination is in the best interests of the State. - c. If a Force Majeure Event occurs, then the noncomplying party shall promptly notify the other party of occurrence of that Force Majeure Event, its effect on its obligations under this Contract, and how long the noncomplying party expects the noncompliance to last. Thereafter, the noncomplying party shall update that information as reasonably necessary, or as the other party may reasonably request, whichever is more frequent. During a Force Majeure Event, the noncomplying party shall use reasonable efforts to limit damages to the other party and to resume complying with its Performance and obligations under this Contract.
- d. Failure to provide written notice of any Force Majeure Event as soon as the failing party becomes aware of it, or failure by the other party to Act in response to the notice, does not excuse any delays or failures in Performance or obligations.

Whenever the context so requires, the plural or singular shall include each other and the use of any gender shall include all genders.

50. Amendments, Supremacy, Entirety of Contract

No amendment to or modification of this Contract shall be valid or binding unless made in writing, signed by the parties and, if applicable, approved by the Connecticut Attorney General. Any and all Purchase Orders, Statements of Work or other documents authorized in connection with this Contract shall be subject to the terms of this Contract. 52. Risk of Loss and Insurance

The State shall not be liable to Contractor for any risk of Deliverable loss or damage while Deliverables are in transit, or while in the Client Agency's possession, except when such loss or damage is due directly to the Client Agency's negligence or intentional misconduct. Nothing in this Section is intended nor shall it be construed, in any manner, as waiving or compromising the sovereign immunity of the State.

Where possible, the insurance required by this Section shall be written on an occurrence basis as opposed to a "claims made" basis. If insurance required by this Section is written on a claims-made basis, such insurance shall be continuously maintained and/or an extended reporting period (i.e., tail coverage) purchased for a minimum of the later of three (3) years or the relevant statute of limitations for the claim involved, but not to exceed six (6) years, following termination or expiration of this Contract.

Before commencing Performance, the Contractor shall obtain and maintain at its own cost and expense for the Term of this Contract, the insurance described below. Contractor shall assume any and all deductibles in the described insurance policies. Except with respect to any claim or loss that arises from the negligence or willful misconduct of the State, its officers, agents, and/or employees, the required insurance policies (except workers' compensation and employer's liability) shall be primary to and shall not contribute with any insurance or self-insurance maintained by the State. Any failure to comply with the claim reporting provisions of the policy shall not affect coverage provided to the State. Notwithstanding the foregoing, the Contractor shall have the right to self-insure to meet the minimum insurance requirements of this Section 53 as long as the State shall be entitled to receive the same coverages and benefits under the Contractor's self-insurance program that the State would have received had the insurance requirements of this Section 53 been satisfied by a reputable insurance carrier authorized to do business in the State of Connecticut.

a. Commercial General Liability

Throughout the Term and during the time that any provisions survive the Term, but not to exceed six (6) years after the termination or expiration of this Contract or the Master Agreement, Contractor shall maintain, at Contractor's sole cost and expense, a policy or policies of commercial general liability insurance, including contractual liability coverage, in an amount of \$1,000,000 per occurrence and \$2,000,000 general aggregate covering damages arising out of bodily injuries to, or death of, all persons and injuries to or destruction of property under this Contract. The commercial general liability coverage shall be written on Insurance Services Office (ISO) form CG 00 01, or a substitute form providing liability coverage at least as broad. The Contractor shall cause the State and its officers, agents, and employees to be included as an additional insured on the policy. Contractor shall provide (1) a certificate of insurance and (2) a copy of the additional insured endorsement(s) to the policy to DAS all in an electronic format on ACORD or industry standard forms evidencing such coverage. Blanket endorsements are acceptable. The Contractor shall not begin Performance until the delivery of these two documents to DAS. Contractor shall provide an annual electronic update of the two documents to DAS annually thereafter within 10 days of such insurance renewal(s). The State shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that the State is contributorily negligent, but only for that portion of the negligence attributable to the Contractor and not for that portion of the negligence attributable to the State.

b. Automobile Liability

\$1,000,000 combined single limit per accident for bodily injury and property damage. The Auto

Liability coverage shall be written on ISO form CA 00 01, CA 00 05, CA 00 12, CA 00 20, or a substitute form providing liability coverage as broad. d. Excess /Umbrella Liability

Excess/umbrella liability insurance may be included to meet the insurance requirements of this Contract. Umbrella coverage must indicate the existing underlying insurance coverage.

53. DAS Approval of Subcontractors

DAS must approve any and all subcontractors utilized by the Contractor prior to any such subcontractor commencing any work. Contractor acknowledges that any work provided under this Contract to any State entity is work conducted on behalf of the State and that the Commissioner of DAS or his/her designee may communicate directly with any subcontractor as the State deems to be necessary or appropriate. Contractor must be responsible for all payment of fees charged by the subcontractor(s). A performance evaluation of any subcontractor must be provided promptly by the Contractor to DAS upon request. Contractor must provide the majority of the work associated with this Contract. It is understood that there may be times where conflicts due to scheduling may arise, which would lend the Contractor to utilize subcontractors to meet the Client Agency's needs. When this occurs, Contractor must alert DAS for approval of desired subcontractor before work is started.

54. Iran Energy Investment Certification

- a. Pursuant to Conn. Gen. Stat. § 4-252a, the Contractor certifies that it has not made a direct investment of twenty million dollars or more in the energy sector of Iran on or after October 1, 2013, as described in Section 202 of the Comprehensive Iran Sanctions, Accountability and Divestment Act of 2010, and has not increased or renewed such investment on or after said date.
- b. If the Contractor makes a good faith effort to determine whether it has made an investment described in subsection (a) of this Section then the Contractor shall not be deemed to be in breach of the Contract or in violation of this Section. A "good faith effort" for purposes of this subsection includes a determination that the Contractor is not on the list of persons who engage in certain investment activities in Iran created by the Department of General Services of the state of California pursuant to Division 2, Chapter 2.7 of the California Public Contract Code. Nothing in this subsection shall be construed to impair the ability of the State or quasi-public agency to pursue a breach of contract action for any violation of the provisions of the Contract.
