The State of Louisiana has the right to terminate this Participating Addendum, State Contract Number 4400025900, or any order issued pursuant to State Contract Number 4400025900 immediately for any of the following reasons: (a) misrepresentation by the Contractor; (b) Contractor's fraud, collusion, conspiracy or other unlawful means of obtaining any contract with the State of Louisiana; (c) conflict of contract provisions with constitutional or statutory provisions of State or Federal Law; (d) abusive or belligerent conduct by the Contractor towards an employee or agent of the State of Louisiana; (e) Contractor's intentional violation of the Louisiana Procurement Code (La. R.S. 39:1551 et seq.) and its corresponding regulations; or, (f) any listed reason for debarment under La. R.S. 39:1672.

Termination for Cause:

The State of Louisiana may terminate this Participating Addendum, State Contract Number 4400025900, or any order issued pursuant to State Contract Number 4400025900 for cause based upon the failure of Contractor to comply with the terms and/or conditions of this Participating Addendum, State Contract Number 4400025900, or any order issued pursuant to State Contract Number 4400025900 provided that the State shall give the Contractor written notice specifying the Contractor's failure. If the legislature fails to appropriate sufficient monies to provide for the continuation of this Participating Addendum, State Contract Number 4400025900, or any order issued pursuant to State Contract Number 4400025900, or if such appropriation is reduced by the veto of the Governor or by any means provided in the appropriations act or Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriations for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of this Participating Addendum, State Contract Number 4400025900, or any order issued pursuant to State Contract Number 4400025900; this Participating Addendum, State Contract Number 4400025900, or any order issued pursuant to State Contract Number 4400025900 shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

Where the State has determined the Contractor to be in default the State reserves the right to purchase any or all products or services covered by this Participating Addendum, State Contract Number 4400025900, or any order issued pursuant to State Contract Number 4400025900 on the open market and to charge the Contractor with the reasonable costs in excess of the contract price to procure substantially similar products or services. ATTACHMENT A – Electronic Vendor Payment Solutions

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractor, the State intends to make all payments to Contractors electronically. The LaCarte Procurement Card will be used for purchases of \$5,000 and under, and where feasible, over \$5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The LaCarte Procurement Card uses a Visa card platform. Contractors receive payment from state agencies using the card in the same manner as other Visa card purchases. Contractors cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:

- Under the LaCarte program, purchase orders are not necessary. Orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.
- If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against this contract during the contract period. The file must contain the particular item number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement on request.

EFT payments are sent from the State's bank directly to the payee's bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting Policy at: DOA-OSRAP-EFT@la.gov

To facilitate this payment process, you will need to complete and return the EFT enrollment form.

Please check which option you will accept or indicate if you are already enrolled.
