Vendor shall provide DOM and the Purchasing Entity with these background check results in a mutually agreeable form and manner prior to Vendor staff performing services pursuant to this Agreement or a Purchasing Instrument. In the event of an adverse finding, Vendor personnel may be disqualified from performing services under the Agreement in the sole discretion of the applicable Purchasing Entity.

Where a Purchasing Instrument requires compliance with training requirements imposed by federal partners, the Vendor agrees to comply with the more stringent training requirements.

3.11.3. *Separation of Job Duties and Non-disclosure.* Vendor shall diligently monitor and enforce separation of job duties, and limit access to and knowledge of Customer Property and Customer Data to those Vendor personnel to which such access and knowledge is absolutely necessary to provide the Deliverables hereunder. Vendor shall only delay notification to DOM and the Purchasing Entity of a Security Event when required to do so by applicable law.

**Department of
Management**

- 4.2. Investigations in Response to Security Events. The Vendor agrees at its sole expense to take all steps necessary to promptly remedy any Security Event and to fully cooperate with DOM and the Purchasing Entity in investigating and mitigating any damage from such Security Events. Upon notice of any Security Event, the Vendor will immediately institute appropriate controls to maintain and preserve all electronic evidence relating to the Security Event. As soon as practicable during the investigation, the Vendor will deliver to the SOC a Security Event assessment and the Vendor's plans for future mitigation. When DOM notifies Vendor that the investigation into any Security Event has concluded, Vendor will deliver to DOM and the Purchasing Entity a final root cause assessment and future incident mitigation plan as soon as practicable. Vendor agrees that it will not notify any regulatory authority relating to any Security Event unless DOM and the Purchasing Entity specifically request Vendor do so in writing, or unless otherwise required to do so by applicable law.

Additional disaster recovery and business continuity requirements may be set forth in individual Purchasing Instruments.
- 5.2. Activation of Plan. The Vendor shall immediately notify DOM and the Purchasing Entity of any disaster or other event that results in the activation of the Plan. If Vendor fails to reinstate the Deliverables impacted by any such disaster within the periods of time set forth in the Plan, DOM or Purchasing Entity, as applicable, may immediately terminate this Agreement or applicable Purchasing Instrument as a non-curable breach and without any penalty or liability. Termination under this section is in addition to any other remedies available hereunder. Force Majeure provisions of the Agreement shall not limit Vendor's obligations under this section.
- 5.3. Backup and Recovery. Except as otherwise set forth in a Purchasing Instrument or Service Level Agreement, the Vendor shall maintain a contemporaneous backup of Customer Data such that the data shall be restored within twenty-four hours at any point in time. **Department of
Management**

Backups of Customer Data shall not be considered in calculating storage used by DOM or a Purchasing Entity in the event that fees are calculated based on storage used or amount of data transfer under the Agreement. All costs of data restoration shall be borne by the Vendor.
