## NEVADA TERMS AND CONDITIONS FOR SERVICES

### 1. DEFINITIONS

- 1.1. "State" – means the State of Nevada and any State agency identified herein, its officers, employees and immune contractors as defined in NRS 41.0307.
- 1.2. "Contracting Agency" – means the State agency identified on the contract.
- 1.3. "Contractor" – means the person or entity identified on the contract that performs services and/or provides goods for the State under the terms and conditions set forth in this Contract.
- 1.4. "Fiscal Year" – means the period beginning July 1st and ending June 30th of the following year.
- 1.5. "Contract" – Unless the context otherwise requires, "Contract" means this document and all Attachments or Incorporated Documents.

- 2. **NOTICE.** All communications, including notices, required or permitted to be given under this Contract shall be in writing and directed to the parties at the addresses stated on the contract. Notices may be given: (i) by delivery in person; (ii) by a nationally recognized next day courier service, return receipt requested; or (iii) by certified mail, return receipt requested. If specifically requested by the party to be notified, valid notice may be given by facsimile transmission or electronic mail to the address(es) such party has specified in writing.

- 3. **ASSENT.** The parties agree that the terms and conditions listed on incorporated attachments of this Contract are also specifically a part of this Contract and are limited only by their respective order of precedence and any limitations specified.

- 4. **BILLING SUBMISSION; TIMELINESS.** The parties agree that timeliness of billing is of the essence to the Contract and recognize that the State is on a Fiscal Year. All billings for dates of service prior to July 1 must be submitted to the state no later than the first Friday in August of the same calendar year. A billing submitted after the first Friday in August, which forces the State to process the billing as a state claim pursuant to NRS 353.097, will subject Contractor to an administrative fee not to exceed one hundred dollars (\$100.00). The parties hereby agree this is a reasonable estimate of the additional costs to the state of processing the billing as a state claim and that this amount will be deducted from the state claim payment due to Contractor.

### 5. INSPECTION & AUDIT

- 5.1. **BOOKS AND RECORDS.** Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the State or United States Government, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all State and federal regulations and statutes.

- 5.2. **INSPECTION AND AUDIT.** Contractor agrees that the relevant books, records (written, electronic, computer related or otherwise), including, without limitation, relevant accounting procedures and practices of Contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of Contractor where such records may be found, with or without notice by the State Auditor, the relevant State agency or its contracted examiners, the department of Administration, Budget Division, the Nevada State Attorney General's Office or its Fraud Control Units, the state Legislative Auditor, and with regard to any federal funding, the relevant federal agency, the Comptroller General, the General Accounting Office, the Office of the Inspector General, or any of their authorized representatives. All subcontracts shall reflect requirements of this Section. Notwithstanding the above, recognizing that Motorola is not contracting on a "cost reimbursable" basis, Motorola will not be required to provide or produce actual cost data, "cost or pricing data", or other proprietary or internal data inconsistent with those requirements applicable to federal commercial item procurements or otherwise beyond the scope of directly pertinent information customarily provided in the commercial marketplace and consistent with the fixed priced nature of the agreement.

- 5.3. **PERIOD OF RETENTION.** All books, records, reports, and statements relevant to this Contract must be retained a minimum three (3) years, and for five (5) years if any federal funds are used pursuant to the Contract. The retention period runs from the date of payment for the relevant goods or services by the state, or from the date of termination of the Contract, whichever is later. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit and/or to complete any administrative and judicial litigation which may ensue.

### 6. CONTRACT TERMINATION.

## NEVADA TERMS AND CONDITIONS FOR SERVICES

- 6.1. **TERMINATION WITHOUT CAUSE.** Regardless of any terms to the contrary, this Contract may be terminated upon written notice by mutual consent of both parties. The State unilaterally may terminate this contract without cause by giving not less than thirty (30) days' notice in the manner specified in *Notice*.
- 6.2. **STATE TERMINATION FOR NON-APPROPRIATION.** The continuation of this Contract beyond the current biennium is subject to and contingent upon sufficient funds being appropriated, budgeted, and otherwise made available by the State Legislature and/or federal sources. The State may terminate this Contract, and Contractor waives any and all claims(s) for damages, effective immediately upon receipt of written notice (or any date specified therein) if for any reason the contracting Agency's funding from State and/or federal sources is not appropriated or is withdrawn, limited, or impaired. Notwithstanding the above, if the State or Participating Entity has accepted delivery of any products or services performed through the date of termination, the State or Participating Entity is obligated to pay for the products or services.
- 6.3. **TERMINATION WITH CAUSE FOR BREACH.** Subject to Master Agreement #OK-MA-145-21-500, a breach may be declared with or without termination. A notice of breach and termination shall specify the date of termination of the Contract, which shall not be sooner than the expiration of the Time to Correct, if applicable, allowed under *Time to Correct*. This Contract may be terminated by either party upon written notice of breach to the other party on the following grounds:
  - 6.3.1. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Contract within the time requirements specified in this Contract or within any granted extension of those time requirements; or
  - 6.3.2. If any state, county, city, or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Contract is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or
  - 6.3.3. If Contractor becomes insolvent, subject to receivership, or becomes voluntarily or involuntarily subject to the jurisdiction of the Bankruptcy Court; or
  - 6.3.4. If the State materially breaches any material duty under this Contract and any such breach impairs Contractor's ability to perform; or
  - 6.3.5. If it is found by the State that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the State of Nevada with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such contract; or
  - 6.3.6. If it is found by the State that Contractor has failed to disclose any material conflict of interest relative to the performance of this Contract.
- 6.4. **TIME TO CORRECT.** Subject to Master Agreement #OK-MA-145-21-500, unless the breach is not curable, or unless circumstances do not permit an opportunity to cure, termination upon declared breach may be exercised only after service of formal written notice as specified in *Notice*, and the subsequent failure of the breaching party within fifteen (15) calendar days of receipt of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared breach has been corrected. Upon a notice of breach, the time to correct and the time for termination of the contract upon breach under *Termination with Cause for Breach*, above, shall run concurrently, unless the notice expressly states otherwise.
- 6.5. **WINDING UP AFFAIRS UPON TERMINATION.** Subject to Master Agreement #OK-MA-145-21-500, in the event of termination of this Contract for any reason, the parties agree that the provisions of this Section survive termination:
  - 6.5.1. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Contract. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;
  - 6.5.2. Contractor shall satisfactorily complete work in progress at the agreed rate (or a pro rata basis if necessary) if so requested by the Contracting Agency;
  - 6.5.3. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this Contract if so requested by the Contracting Agency;
  - 6.5.4. Contractor shall preserve, protect and promptly deliver into State possession all proprietary information in accordance with *State Ownership of Proprietary Information*.
7. **LIMITED LIABILITY.** Subject to Master Agreement #OK-MA-145-21-500, the State will not waive and intends to assert available NRS Chapter 41 liability limitations in all cases. Contract liability of both parties shall not be subject to punitive damages. Damages for any State or Contractor breach shall never exceed the amount of funds

appropriated for payment under this Contract, but not yet paid to Contractor, for the Fiscal Year budget in existence at the time of the breach.

8. **FORCE MAJEURE.** Neither party shall be deemed to be in violation of this Contract if it is prevented from performing any of its obligations hereunder due to strikes, failure of public transportation, civil or military authority, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of the Contract after the intervening cause ceases.
9. **INDEMNIFICATION AND DEFENSE.** Subject to Master Agreement #OK-MA-145-21-500 and to the fullest extent permitted by law, Contractor will indemnify, hold harmless and defend, the State arising from and against any actual third-party liability, claims, actions, damages, losses, and expenses, including, without limitation, reasonable attorneys' fees and costs, ("Claim") for personal injury, death or direct damage to tangible property arising out of any breach of the obligations of Contractor under this contract, to the extent caused by negligence, gross negligence or willful misconduct of Contractor, its officers, employees and agents, except to the extent the claim arises from the State's negligence or willful misconduct. Contractor's obligation to indemnify the State shall apply in all cases except for claims arising solely from the State's own negligence or willful misconduct.
10. **REPRESENTATIONS REGARDING INDEPENDENT CONTRACTOR STATUS.** Contractor represents that it is an independent contractor, as defined in NRS 333.700(2) and 616A.255, warrants that it will perform all work under this contract as an independent contractor, and warrants that the State of Nevada will not incur any employment liability by reason of this Contract or the work to be performed under this Contract. To the extent the State incurs any employment liability for the work under this Contract; Contractor will reimburse the State for that liability.
11. **INSURANCE SCHEDULE**
  - 11.1. Unless expressly waived in writing by the State, Contractor must carry policies of insurance and pay all taxes and fees incident hereunto.
