## NASPO ValuePoint

### For Professional Grade Tools and Diagnostic Equipment

### Between the State of Minnesota and Lawson Products, Inc.

NASPO ValuePoint Contract No. OK-SW-818-600

State of Minnesota Contract No. 000000000244409 [Contract No. 244409]

1. **Scope:** Minnesota and Cooperative Purchasing Venture Program members, as defined in the attached Minnesota Exhibit A, may purchase the products and/or services available in the Participating Addendum. The Participating Addendum is not a purchase order, nor does it guarantee any purchases will be made. The products and services included in this PA are identified as:
  - A. **Professional Grade Tools** – used here as a term to distinguish from general use or consumer grade products. It is intended to communicate a more durable product with the expectation that it will work both better and longer in an environment where it is used more regularly. Built for extended heavy and repeated use, more rugged and tends to not malfunction as quickly. Also associated with better features and options which result in a high-end result. Excellent and extended warranties for product repairs are usually in place versus throw away and replace options.
  - B. **Diagnostic Equipment** – used for discovering what is wrong with things that do not work properly. Non-medical equipment. Can include automotive, electrical, plumbing, and other specialized areas which require unique diagnostic analysis for evaluation and repair.
  
2. **Changes:** The additional terms and conditions contained in Minnesota Exhibit A, which is attached and made part of the Participating Addendum, are hereby incorporated by reference. In the event of a conflict between the terms contained within Minnesota Exhibit A and the NASPO ValuePoint Master Agreement, Minnesota Exhibit A shall prevail. The parties agree that this provision of the Participating Addendum supersedes the Standard Contract Terms and Conditions set forth in the NASPO ValuePoint Master Agreement. In the event that any provision of the Participating Addendum or NASPO ValuePoint Master Price Agreement is contrary to Minnesota law, such provision shall be null and void. The Participating Addendum shall be governed by Minnesota law.

- a. **CPV Members.** The Cooperative Purchasing Venture (CPV) program was established by Minn. Stat. § 471.59, subd. 1 and Minn. Stat. § 16C.03, subd. 10. Based on this authority, the Commissioner of Administration enters into a joint powers agreement that designates OSP as the authorized purchasing agent for the governmental unit or other entity. Governmental units and other entities joining the program are given an access code which identifies them as CPV members and permits them to access the OSP website to get information about commodities and/or services available on the State of Minnesota (State) contracts. Governmental units and other entities who are not members of the CPV program are not authorized to use the contract prices. The Contract Vendor agrees to provide the contract to CPV members at the same prices, terms, conditions, and specifications. - b. **State Agencies.** This term applies only to State agencies and departments, as defined in Minn. Stat. §§ 15.01 and 15.021.
- c. **Ordering Entity.** This term applies to any State Agency or CPV Member when allowed in the Participating Addendum.

5. **INSURANCE.** Not Applicable.

6. **INDEMNIFICATION, HOLD HARMLESS, AND LIMITATION OF LIABILITY.** The Contract Vendor shall indemnify, protect, save and hold harmless the State, its representatives and employees, from any and all claims or causes of action, including all legal fees incurred by the State arising from the performance of the Contract by the Contract Vendor or its agents, employees, or subcontractors. This clause shall not be construed to bar any legal remedies the Contract Vendor may have with the State’s failure to fulfill its obligations pursuant to the Contract.

For clarification and not as a limitation, the Contract Vendor hereby expressly extends, in addition to the other terms, conditions and specifications of the Contract, the foregoing defense and indemnification obligations to Cooperative Purchasing Venture (CPV) Members, including Board of Trustees of the Minnesota State Colleges and Universities, in

- b. Minn. Stat. § 363A.36, subd. 1 requires the Contract Vendor to have an affirmative action plan for the employment of minority persons, women, and qualified disabled individuals approved by the commissioner of the Department of Human Rights (commissioner) as indicated by a certificate of compliance. Minn. Stat. § 363A.36 addresses suspension or revocation of a certificate of compliance and contract consequences in that event. A contract awarded without a certificate of compliance may be voided.
- c. Minn. R. 5000.3400-5000.3600 implement Minn. Stat. § 363A.36. These rules include, but are not limited to, criteria for contents, approval, and implementation of affirmative action plans; procedures for issuing certificates of compliance and criteria for determining a Contract Vendor's compliance status; procedures for addressing deficiencies, sanctions, and notice and hearing; annual compliance reports; procedures for compliance review; and contract consequences for noncompliance. The specific criteria for approval or rejection of an affirmative action plan are contained in various provisions of Minn. R. 5000.3400-5000.3600 including, but not limited to, parts 5000.3420-5000.3500 and parts 5000.3552-5000.3559.

  - (b) The contractor agrees to comply with the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
  - (c) In the event of the contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with Minn. Stat. § 363A.36 and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.
  - (d) The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the commissioner of the Minnesota Department of Human Rights. Such notices must state the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.
  - (e) The contractor must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the contractor is bound by the terms of Minn. Stat. § 363A.36 of the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.
- e. Consequences. The consequences of a Contract Vendor's failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the commissioner, refusal by the commissioner to approve subsequent plans, and termination of all or part of the Contract by the commissioner or the State.

- f. Certification. The Contract Vendor hereby certifies that it is in compliance with the requirements of Minn. Stat. § 363A.36, subd. 1 and Minn. R. 5000.3400-5000.3600 and is aware of the consequences for noncompliance. It is agreed between the parties that Minn. Stat. 363.36 and Minn. R. 5000.3400 to 5000.3600 are incorporated into any contract between these parties based upon this specification or any modification of it. A copy of Minn. Stat. 363A.36 and Minn. R. 5000.3400 to 5000.3600 are available upon request from the contracting agency.

**13. EQUAL PAY CERTIFICATION.** If the Response to this solicitation could be in excess of \$500,000, the Responder must obtain an Equal Pay Certificate from the Minnesota Department of Human Rights (MDHR) or claim an exemption prior to contract execution. A responder is exempt if it has not employed 40 or more full-time employees on any single working day during the previous 12 months in Minnesota or the state where it has its primary place of business. Please contact MDHR with questions at: 651-539-1095 (metro), 1-800-657-3704 (toll free), 711 or 1-800-627-3529 (MN Relay) or at [compliance.MDHR@state.mn.us](mailto:compliance.MDHR@state.mn.us).

**14. PAYMENT.** Minn. Stat. § 16A.124 requires payment within 30 days following receipt of an undisputed invoice, merchandise or service, whichever is later. Terms requesting payment in less than 30 days will be changed to read "Net 30 days." The Ordering Entity is not required to pay the Contract Vendor for any goods and/or services provided without a written purchase order or other approved ordering document from the appropriate Ordering Entity. In addition, all goods and/or services provided must meet all terms, conditions and specifications of the Contract and the ordering document and be accepted as satisfactory by the Ordering Entity before payment will be issued.

**Conditions of Payment.** The Contract Vendor under the Contract must be in accordance with the Contract as determined by the sole discretion of the State's Authorized Representative and be in accordance with all applicable federal, state, and local laws, ordinances, rules, and regulations including business registration requirements of the Office of the Minnesota Secretary of State.

**15. PURCHASE ORDERS (PO).** The State requires that there will be no minimum order requirements or charges to process an individual purchase order unless otherwise stated in the Contract. The Contract number and the PO number must appear on all documents (e.g., invoices, packing slips, etc.). The Ordering Entity's purchase order constitutes a binding contract.

**16. PURCHASING CARDS.** Contract Vendor will accept a purchasing card for order placement in addition to accepting a purchase order, without passing the processing fees for the purchasing card back to the State. The State's single purchase limit is \$5,000 on the purchasing card.

**17. TAXES. DO NOT** add sales tax to the prices being offered. Unless otherwise instructed by the State, agencies will pay all applicable taxes directly to the Department of Revenue. Per Department of Revenue Tax Fact Sheet 142, State agencies are required to submit an ST3 form to their suppliers. See [website](http://www.revenue.state.mn.us) at <http://www.revenue.state.mn.us>.

If orders are issued by Cooperative Purchasing Venture (CPV) Members, the Contract Vendor should confirm all of the tax requirements with the ordering entity.

**18. SHIPPING REQUIREMENTS.** All shipments shall be FOB Destination. Freight charges shall be prepaid and allowed unless otherwise stated in the NASPO ValuePoint Master Agreement.

**19. DEFAULT.** All commodities and services furnished will be subject to inspection and acceptance by the Ordering Entity after delivery. No substitutions or cancellations are permitted without approval of the Ordering Entity. Back orders, failure to meet delivery requirements, or failures to meet specifications in the purchase order and/or the Contract authorizes the Ordering Entity to cancel the purchase order, or any portion of it, purchase elsewhere, and charge the full increase in cost and administrative handling to the defaulting Contract Vendor. In the event of default, the State reserves the right to pursue any other remedy available by law. A Contract Vendor may be removed from the vendor's list, suspended or debarred from receiving a Contract for failure to comply with the terms and conditions of the Contract, or for failure to pay the State for the cost incurred on the defaulted Contract.

**20. ASSIGNMENT.** The Contract Vendor shall not sell, transfer, assign, or otherwise dispose of the Contract or any portion hereof or of any right, title, or interest herein without the prior written consent of the State's Authorized Representative. Such consent shall not be unreasonably withheld. The Contract Vendor shall give written notice to the State's Authorized Representative of such a possibility at least 30 days prior to the sale, transfer, assignment, or other disposition of the Contract. Failure to do so may result in the Contract Vendor being held in default. This consent requirement includes reassignment of the Contract due to a change in ownership, merger, or acquisition of the Contract Vendor or its subsidiary or affiliated corporations. This section shall not be construed as prohibiting the Contract Vendor's right to assign the Contract to corporations to provide some of the services hereunder.

Notwithstanding the foregoing acknowledgment, the Contract Vendor shall remain solely liable for all performance required and provided under the terms and conditions of the Contract.

**21. INTELLECTUAL PROPERTY INDEMNIFICATION.** The Contract Vendor warrants that any materials or products provided or produced by the Contract Vendor or utilized by the Contract Vendor in the performance of the Contract will not infringe upon or violate any patent, copyright, trade secret, or any other proprietary right of any third party. In the event of any such claim by any third party against the State, the State shall promptly notify the Contract Vendor. The Contract Vendor, at its own expense, shall indemnify, defend to the extent permitted by the Minnesota Attorney General's Office, and hold harmless the State against any loss, cost, expense, or liability (including legal fees) arising out of such a claim, whether or not such claim is successful against the State.

If such a claim has occurred, or in the Contract Vendor's opinion is likely to occur, the Contract Vendor shall either procure for the State the right to continue using the materials or products or replacement or modified materials or products. If an option satisfactory to the State is not reasonably available, the State shall return the materials or products to the Contract Vendor, upon written request of the Contract Vendor and at the Contract Vendor's expense. This remedy is in addition to any other remedy provided by law.

**22. PARTICIPATING ADDENDUM AMENDMENTS.** Except as provided herein, the Participating Addendum shall be modified only by written amendment duly executed by an authorized representative of the State and the Contract Vendor. No alteration or variation of the terms and conditions of the Participating Addendum shall be valid unless made in writing and signed by the parties as required by law. Every amendment shall specify the date on which its provisions shall be effective. An approved Participating Addendum amendment means one approved by the authorized signatories of the Contract Vendor and the State as required by law.

**23. TERMINATION OF THE PARTICIPATING ADDENDUM.** The Participating Addendum may be canceled by the State or the Commissioner of Administration at any time, with or without cause, upon 30 days written notice to the Contract Vendor. In the event the Contract Vendor is in default, the Participating Addendum is subject to immediate cancellation to the extent allowable by applicable law. In the event of such a cancellation, the Contract Vendor shall be entitled to payment, determined on a pro rata basis, for work or services satisfactorily performed and accepted. The Contract Vendor may request to cancel the Participating Addendum but must receive written approval from the State.

**24. ADMINISTRATIVE PERSONNEL CHANGES.** After execution of this Participating Addendum the State must be notified of intended changes in the Contract Vendor's administrative personnel as soon as practicable.

**25. PUBLICITY.** Any publicity given to the program, publications or services provided resulting from a State contract for goods or services, including but not limited to notices, informational pamphlets, press releases, research, reports, signs and similar public notices prepared by or for the Contract Vendor, or its employees individually or jointly with others, or any subcontractors, shall identify the State as the sponsoring agency and shall not be released, unless such release is a specific part of an approved work plan included in the Contract prior to its approval by the State's Authorized Representative and the State's Assistant Director or designee of Office of State Procurement.

The Contract Vendor shall make no representations of the State's opinion or position as to the quality or effectiveness of the products and/or services that are the subject of the Contract without the prior written consent of the State's Assistant Director or designee of the Office of State Procurement. Representations include any publicity, including but not limited to advertisements, notices, press releases, reports, signs, and similar public notices.

**26. AMERICANS WITH DISABILITIES ACT (ADA).** Products provided under the Contract must comply with the requirements of the Americans with Disabilities Act (ADA). The Contract Vendor's catalog and other marketing materials utilized to offer products under the Contract must state when a product is not in compliance. If any descriptive marketing materials are silent as to these requirements, the Contract Vendor agrees that the customer can assume the product meets or exceeds the ADA requirements.

**27. USAGE REPORT.** Contractor must track and report to the State usage data on this Contract (Usage Reports). Usage Reports should be sent via email to [osp.usagereports@state.mn.us](mailto:osp.usagereports@state.mn.us). - Third Quarter, from January 1 to March 31, and
- Fourth Quarter, from April 1 to June 30.

A quarterly Usage Report is due within thirty days of the end of a quarter. A requested Usage Report is due within thirty days from when the request was made. Contractor must provide the State with a final Usage Report within 30 calendar days of the expiration or termination of the Contract. Failure to provide a Usage Report may result in the State cancelling the Contract. This term survives the expiration or termination of the Contract.

**28. ADMINISTRATIVE FEE.** Contractor must remit to the Department of Administration, Office of State Procurement on a quarterly basis an administration fee of 1% (.01 multiplication factor) of the total amount of spend under the Contract as reported in the Usage Report (Administrative Fee). The Administrative Fee is due within thirty days of the end of a quarter. The Administrative Fee may be submitted through Automated Clearing House (ACH) or by check. Contact CPV.Program@state.mn.us for detailed information on the ACH payment option. If paying by check, the check should be made payable to the State of Minnesota, and submitted to:

Office of State Procurement  
112 Administration Building  
50 Sherburne Avenue  
St. Paul, MN 55155

**29. SEVERABILITY.** If any provision of the Contract, including items incorporated by reference, is declared or found to be illegal, unenforceable, or void, then both the State and the Contract Vendor shall be relieved of all obligations arising under such provisions; if the remainder of the Contract is capable of performance it will not be affected by the declaration or finding and will be fully performed.

**30. ELECTRONIC FUNDS TRANSFER (EFT) PAYMENT METHOD AND STRUCTURE.** In accordance with Minn. Stat. § 16A.40 the Contract Vendor is required to provide their bank routing information to the Minnesota Department of Finance to enable payments to be made through EFT.

**31. COPYRIGHT.** The Contract Vendor shall save and hold harmless the State of Minnesota, its officers, agents, servants and employees, from liability of any kind or nature, arising from the use of any copyrighted or noncopyrighted composition, secret process, patented or nonpatented invention, article or appliance furnished or used in the performance of the Contract.

**32. SURVIVABILITY.** The following rights and duties of the State and Contract Vendor will survive the expiration or cancellation of the resulting Contract(s). These rights and duties include, but are not limited to the paragraphs on Indemnification, Hold Harmless, and Limitation of Liability, State Audits, Government Data Practices, Governing Law, Jurisdiction and Venue, Intellectual Property Indemnification, Publicity and Minnesota Reporting Requirements and Administrative Fees. Software licenses, warranty, maintenance agreements and service agreements that were entered into under the terms and conditions of the Agreement shall survive the expiration or termination of this Agreement.

**33. PRODUCTS CONTAINING CERTAIN TYPES OF POLYBROMINATED DIPHENYL ETHER BANNED.** By signing the Contract, Contract Vendor certifies that they have read and will comply with Minn. Stat. §§ 325E.385-325E.388.

**34. IT ACCESSIBILITY STANDARDS.** Not Applicable.

**35. E-VERIFY CERTIFICATION.** Not Applicable.

**36. HAZARDOUS SUBSTANCES.** To the extent that the goods to be supplied to the State by the Contract Vendor contain or may create hazardous substances, harmful physical agents or infectious agents as set forth in applicable State and federal laws and regulations, the Contract Vendor must provide the State with Material Safety Data Sheets regarding those substances. A copy must be included with each delivery.

**37. TAXPAYER IDENTIFICATION:** The Contract Vendor shall be registered as a vendor to the State in the SWIFT Procurement System. Registration must be done online at <http://www.mmb.state.mn.us/vendorresources>.

**38. STATE'S NON-INDEMNIFICATION.** Nothing herein, whether express or implied, shall be deemed to create an obligation on the part of the State to indemnify, defend, hold harmless or release the Contract Vendor, Contract Vendor's subcontractors, or Contract Vendor's agents. This shall extend to all agreements related to the subject matter of this RFP, and to all terms subsequently added, without regard to order of precedence.

**39. CERTIFICATION OF NONDISCRIMINATION (In accordance with Minn. Stat. § 16C.053).** The following term applies to any contract for which the value, including all extensions, is \$50,000 or more: Contractor certifies it does not engage in and has no present plans to engage in discrimination against Israel, or against persons or entities doing business in Israel, when making decisions related to the operation of the vendor's business. For purposes of this section, "discrimination" includes but is not limited to engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with Israel, or persons or entities doing business in Israel, when such actions are taken in a manner that in any way discriminates on the basis of nationality or national origin and is not based on a valid business reason.

**40. FUNDING OUT CLAUSE.** Notwithstanding any other cancellation clauses, the State may immediately terminate this Contract if it does not obtain funding from the Minnesota Legislature beyond June 30, or from another funding source, or if funding cannot be continued at a level sufficient to allow for the payment of the goods or services in the Contract, whether due to a lack of direct funding or agency reallocation of funding, or if operations of any paying entity are being discontinued. The State must provide the Contract Vendor with notice within a reasonable time after the decision is made to terminate the Contract. Termination will be by written or fax notice to the Contract Vendor. The State is not obligated to pay for any goods or service accepted or provided after notice and effective date of termination. However, the Contract Vendor will be entitled to payment for goods or services accepted or satisfactorily performed up until the effective date of the termination. The State will not be assessed any penalty if the Contract is terminated in accordance with this section.

**Minnesota Exhibit B****Minnesota General Terms, Conditions, and Specifications**

1. **PRICING.** Pricing for the product offered under this contract is attached. Price increases for product are allowed when approved by the lead state for the NASPO ValuePoint Master Agreement **OK-SW-818-600** and adopted by the State of Minnesota through a fully executed Participating Addendum amendment.
2. **QUOTES.** The Contract Vendor must provide a firm price quote to the ordering entity. Once the ordering entity has accepted the price quote and a purchase order is issued, no changes in price or product can be made by the Contract Vendor unless agreed upon, in writing, by the ordering entity. At no time will any terms and conditions included in a vendor's quote or other documents change the terms and conditions of the Contract. In the event of a conflict in language between any documents provided to an ordering entity by a Contract Vendor, the terms and conditions set forth in the Contract and any later fully executed amendment documents shall prevail.

Prior to fulfilling any order through this Contract, the Contract Vendor must receive written confirmation from the end user that the quote has been received, understood, and accepted. This confirmation must be in the form of a purchase order. The Contract Vendor shall not deliver product or start any service prior to receiving a purchase order.
