Lead State executed Master Agreement No. CTR058805 ("Master Agreement"), which consists of contract terms and conditions and other attachments.

The State of Oregon ("State" or "Oregon") is a member of NASPO ValuePoint. The State, by and through the Department of Administrative Services, State Procurement Services ("DAS SPS"), on behalf of the State of Oregon and its agencies and members of the Oregon Cooperative Procurement Program ("ORCPP") (state agencies and ORCPPs members are referred to as "Purchasing Entity"), has elected to participate in the Master Agreement, subject to the terms and conditions of this Addendum as a Participating State, also and in the alternative referred to in the Master Agreement as a Participating Entity. This Addendum is effective when all necessary approvals have been obtained and signed by the parties ("Effective Date").

DAS SPS and Contractor agree:

1. Scope: This Addendum covers the NASPO ValuePoint Master Agreement for Mailing Equipment, Supplies and Maintenance led by the State of Arizona for use by state agencies and other entities located in the Participating State of Oregon authorized by that State's statutes to utilize State contracts with the prior approval of the State's Chief Procurement Officer.

9.1. Choice of Law; Jurisdiction; Venue. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to any license under this Addendum, including, without limitation, their validity, interpretation, construction, performance, and enforcement. Any action or suit brought by the parties relating to any license must be brought and conducted exclusively in the Circuit Court of Marion County for the State of Oregon in Salem, Oregon; provided, however, if a claim must be brought in a federal forum, then it must be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. CONTRACTOR AND ITS AFFILIATES HEREBY CONSENT TO THE PERSONAL JURISDICTION OF THESE COURTS, WAIVES ANY OBJECTION TO VENUE IN THESE COURTS, AND WAIVES ANY CLAIM THAT THESE COURTS ARE INCONVENIENT FORUMS. In no way may this section or any other term of any license be construed as (i) a waiver by the State of Oregon of any form of defense or immunity, whether it is sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States, or otherwise, or (ii) consent by the State of Oregon to the jurisdiction of any court.

9.2 Dispute Resolution. Any dispute between the parties under any license that is not resolved through informal discussions may be submitted to mediation upon the consent of both parties. If informal discussions or mediation are unsuccessful, either party may initiate litigation to resolve the dispute. The parties specifically disclaim any right to arbitration of disputes. Neither party waives its right to a jury trial or right to participate in class, collective, or representative claims.

9.3 Term; Termination; No automatic renewal. The license term starts upon Purchasing Entity/Lessee acceptance of the equipment. In addition to the right to terminate for non-appropriation, Purchasing Entity/Licensee may terminate the license for Contractor's or its affiliates' breach of any provision of this Addendum or any license. Notwithstanding the provisions of the license, there is no automatic renewal of any term.

9.4. No Early Termination Fees; Payments. Notwithstanding the provisions of the license, Purchasing Entity/Licensee is only liable for fees up to the date of termination. Purchasing Entity/Licensee shall not be liable for any early termination fees and is entitled to reimbursement of any prepaid amounts. All payments are subject to ORS 293.462.

9.5 Purchasing Entity/Lessee Limitation of Liability. Purchasing Entity's/Licensee's liabilities to Contractor or any of its affiliates is subject to Article XI, Section 7 of the Oregon Constitution and the Oregon Tort Claims Act (ORS 30.260-30.300).

9.7. Purchasing Entity/Licensee Data; No Overseas Access: Access Upon Termination. Purchasing Entity/Licensee owns all data or information relating to Purchasing Entity/Licensee or its clients that Contractor or its affiliates receive or create under the Addendum or any License. Contractor and its affiliates may use Purchasing Entity/Licensee Data solely for the purposes of providing the services or leasing/rental under the equipment lease or rental agreement. Purchasing Entity/Licensee Data will not be accessed from, transmitted, or stored outside of the United States or its territories, including for any maintenance, support, disaster recovery or data backup. Upon termination of an equipment lease or rental agreement for any reason, Contractor and its affiliates shall return all Purchasing Entity/Licensee Data to Purchasing Entity/Licensee and shall grant Purchasing Entity/Lessee thirty (30) calendar days access to all Purchasing Entity/Licensee Data.

9.8. Modifications to Software or Services. Contractor or its affiliates shall send Purchasing Entity/Licensee written notice at least thirty (30) calendar days prior to making any upgrades or other modifications to the software and/or services or changing rates.

9.9. Data and Privacy Laws. Contractor or its affiliates shall comply with all applicable state and federal laws and regulations, and State of Oregon policies governing use and disclosure of Licensee Data and access to State of Oregon information assets, including as those laws, regulations, and policies may be adopted or modified from time to time. Applicable laws, regulations, and policies include but are not limited to:

- Oregon's Statewide Information Security Standards, found online at: <https://www.oregon.gov/eis/cyber-security-services/pages/guidance-for-state-agencies.aspx> and at: [eis-css-statewide-information-technology\(IT\)-control-standards.pdf](#), as specifically identified by the Purchasing Entity in its Order; and
- The Oregon Consumer Information Protection Act (OCIPA), ORS 646A.600 through 646A.628. For purposes of OCIPA, Licensor is a vendor.

Notwithstanding the provisions of the Master Agreement or any Contractor other policies, terms or conditions, Purchasing Entity/Licensee is not subject to the provisions of the General Data Protection Regulations (GDPR) or other European privacy laws. Purchasing Entity/Licensee represents that, to the best of its knowledge, it has no information subject to the GDPR or other European privacy laws.

10. Individual Customer. Each State agency and political subdivision (a "Purchasing Entity") that purchases Products/Services under this Addendum will be treated as if they were individual

customers. Except to the extent modified by this Addendum, each agency and political subdivision will be responsible to follow the terms and conditions of the Addendum; and they will have the same rights and responsibilities for their purchases as the Participating Entity has in the Master Agreement. Each agency and political subdivision will be responsible for its own charges, fees, and liabilities. Each agency and political subdivision will have the same rights to any indemnity or to recover any costs allowed in the contract for its purchases. The Contractor will apply the charges to each Purchasing Entity individually.

11. Entire Agreement. This Addendum and the Master Agreement number CTR058808 (administered by the State of Arizona) together with its exhibits, set forth the entire agreement between the parties with respect to the subject matter of all previous communications, representations or agreements, whether oral or written, with respect to the subject matter hereof. Contractor is not entitled to receive payment under this Addendum or any Contract from any part of Oregon state government other than Purchasing Entity. Nothing in this Addendum or any Contract is to be construed as permitting any violation of Article XI, section 7 of the Oregon Constitution or any other law regulating liabilities or monetary obligations of the State of Oregon. Purchasing Entity represents that it has sufficient appropriations and limitation for the current biennium to make payments under any Contract entered into under this Addendum.

6. Participating Entity Reporting Requirements and Administrative Fee. 7.1. Contractor has the power and authority to enter into and perform this Addendum and each Contract entered into under this Addendum, and that this Addendum and any Contract entered into under this Addendum, when executed and delivered, will be a valid and binding obligation of Contractor enforceable in accordance with its terms.

7.2. Products will be new, unused, current production models, where applicable, and will be free from defects in materials, design and manufacture for manufacturer's standard warranty period. Where specifications have been made a part of the RFP, Contractor further warrants that all Products and Services conform to the specifications and meet or exceed all quality and safety standards set forth in the RFP;

7.3. All Services to be performed under Contracts entered into under this Addendum will be performed in accordance with the applicable professional or industry standards, and that only workmanship of the first quality shall be employed in the performance of this Addendum;

7.4. Contractor shall transfer to or secure on behalf of Purchasing Entity all manufacturer's warranties covering Products, if any at time of delivery at no charge; and

7.5. Contractor has no undisclosed liquidated and delinquent debt owed to the State of Oregon or any department or State Agency.

The warranties set forth in this section are in addition to, and not in lieu of, any other warranties provided in the Master Agreement. All warranties provided in this Addendum are cumulative and will be interpreted expansively so as to afford Purchasing Entity the broadest warranty protection available.

8. Indemnification.

8.1. General Indemnity. Contractor shall defend, save, hold harmless and indemnify the Purchasing Entity and the State of Oregon and their agencies, subdivisions, officers, employees and agents from and against all claims, suits, actions, losses, damages, liabilities, statutory penalties, costs and expenses of any nature whatsoever resulting from, arising out of or relating to the activities of Contractor or its officers, employees, subcontractors or agents under the Addendum.

8.2. Infringement Indemnity. Contractor shall, at Contractor's sole expense, defend, save, hold harmless and indemnify Purchasing Entities and the State of Oregon and their agencies, subdivisions, officers, employees and agents from and against any and all costs, damages, attorneys' fees, and any and all costs resulting from, relating to, or arising out of a claim that any aspect of the Products and Services furnished under a Contract infringes a patent, utility model, industrial design, copyright, mask work, trademark, trade dress, or any other legally cognizable intellectual property right of any third party (an "Infringement Claim"). Notwithstanding the foregoing, the Contractor's obligations under this section will not extend to any combination of the Product(s) with any other product, system or method, unless the Product, system or method is: (a) provided by the Contractor or the Contractor's subsidiaries or affiliates; (b) specified by the Contractor to work with the Product; (c) reasonably required to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function; or (d) reasonably expected to be used in combination with the Product.

8.3. Control of Defense and Settlement. Contractor's obligation to indemnify Purchasing Entity as set forth in this Addendum is conditioned on Purchasing Entity providing to Contractor prompt notification of any claim or potential claim of which Purchasing Entity becomes aware that may be the subject of those sections. Contractor shall have control of the defense and settlement of any claim that is subject to Section 8; however, neither Contractor nor any attorney engaged by Contractor may defend the claim in the name of the State of Oregon or any Purchasing Entity of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without the approval of the Attorney General, nor shall Contractor settle any claim on behalf of the State of Oregon without the approval of the Attorney General. The State of Oregon may, at its election and expense, assume its own defense and settlement in the event that the State of Oregon determines that Contractor is prohibited from defending the State of Oregon, is not adequately defending the State of Oregon's interests, or that an important governmental principle is at issue and the State of Oregon desires to assume its own defense.

8.4. Remedies. If any Services furnished by Contractor are, in Contractor's opinion, likely to become the subject of an Infringement Claim, or if an Purchasing Entity is prevented from

exercising its rights under this Addendum or a Contract based on any Infringement Claim or court order arising from any Infringement Claim, then Contractor may, at its option and expense, procure for the Purchasing Entity the right to continue using the allegedly infringing Services, or replace or modify the Services so that they become non-infringing; provided that the replacement or modified Service meets the specifications set forth in the applicable Contract to the satisfaction of the Purchasing Entity. If the foregoing remedies are not available, then Purchasing Entity will terminate the allegedly infringing Services, and Contractor will refund Purchasing Entity's payments, in full, for the allegedly infringing Services.

9. Term and Termination of Addendum.

9.1. Term. This Addendum remains in effect until the earlier of (i) the expiration or termination of the Master Agreement, or (ii) expiration or termination of this Addendum in accordance with its terms.

9.2. Termination. DAS SPS may terminate this Addendum, in whole or in part, at any time upon 30 calendar days' prior written notice to Contractor.

9.3. In addition, DAS SPS may terminate this Addendum, in whole or in part, immediately upon written notice to Contractor, or at such later date as DAS SPS may establish in such notice, for any reason, or upon the occurrence of any of the following events:

9.3.1. State fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to pay for the Services to be purchased under the Addendum.

9.3.2. Federal or state laws, regulations, or guidelines are modified or interpreted in such a way that either the purchase of Services under this Addendum is prohibited or the State is prohibited from paying for such Service from the planned funding source.

9.3.3. Contractor has undisclosed liquidated and delinquent debt owed to the State of Oregon or any department or State Agency.

9.3.4. Purchasing Entity does not receive authorization from the State of Oregon's Office of Enterprise Information Services (EIS) or EIS authorization is withdrawn or modified in a way that performance of the Services is prohibited or is no longer in the best interest of the State.

9.4. DAS SPS' Right to Terminate for Cause. In addition to any other rights and remedies DAS may have under this Addendum, DAS SPS may terminate this Addendum, in whole or in part, immediately upon written notice to Contractor if Contractor fails to cure any material breach of this Addendum or under one or more Contracts within fifteen (15) days after receiving notice of such material default from DAS SPS.

9.5. Upon receipt of written notice of termination, Contractor will stop performance under Contracts if and as directed by State.

9.6. Effect of the Termination of the Addendum. Termination under any provision of this Addendum does not extinguish or prejudice State's or a Purchasing Entity's right to enforce this Addendum or a Contract with respect to Contractor's breach of any warranty or any defect in or default of Contractor's performance that has not been cured, including any right of the State or a Purchasing Entity to indemnification by Contractor.

10. Term and Termination of Contracts.

10.1. Contract Term. The effective date of a Contract may be no earlier than the date it is fully executed and approved in accordance with applicable law. A Contract will remain in effect until the date stated in the Contract, unless terminated or extended in accordance with its terms. A

Contract entered into before the expiration or termination of the Master Agreement and this Addendum will continue for the term stated in the Contract unless it is terminated earlier.

10.2. Individual Contracts may be terminated at any time by written consent of Purchasing Entity and Contractor.

10.3. Purchasing Entity may, at its sole discretion, terminate a Contract, in whole or in part, upon 30 calendar days' written notice to Contractor.

10.4. Purchasing Entity may terminate a Contract, in whole or in part, immediately upon written notice to Contractor, or at such later date as Purchasing Entity may establish in such notice, upon the occurrence of any of the following events:

10.4.1. Purchasing Entity fails to receive funding, or appropriations, limitations or other expenditure authority at levels sufficient to pay for the Services to be purchased under the Contract.

10.4.2. Federal or State laws, regulations, or guidelines are modified or interpreted in such a way that either the purchase of Services under the Contract is prohibited or Purchasing Entity is prohibited from paying for such Services from the planned funding source.

10.4.3. Contractor has undisclosed liquidated and delinquent debt owed to the State of Oregon or any department or State Agency.

10.4.4. Contractor commits any material breach of this Addendum or the Contract and has failed to cure the breach within the time set forth in the Contract or notice.

10.5. Upon receipt of written notice of termination, Contractor will stop performance under the Contract as directed by Purchasing Entity.

10.6. Termination of a Contract does not extinguish or prejudice Purchasing Entity's right to enforce the Contract with respect to Contractor's breach of any warranty or any defect in or default of Contractor's performance that has not been cured, including any right of Purchasing Entity to indemnification by Contractor. In addition, termination of a Contract does not extinguish or prejudice Purchasing Entity's right to enforce the warranty, indemnification, governing law, venue and consent to jurisdiction provisions of this Addendum. If a Contract is so terminated, Purchasing Entity will pay Contractor in accordance with the terms of the Contract (including this Addendum) for Services delivered and accepted by Purchasing Entity.

11. Return of Property. Upon termination (including by expiration) of this Addendum or a Contract for any reason whatsoever, Contractor shall immediately deliver to Purchasing Entity all of its property, which includes Purchasing Entity's Confidential Information, Purchasing Entity's data, and any deliverables for which Purchasing Entity has made payment in whole or in part, that are in the possession or under the control of Contractor in whatever stage of development and form of recordation such property is expressed or embodied at that time. Obligations under this section are in addition to Contract terms specifically addressing treatment of property, and data, during the term and following termination or expiration of a Contract.

11.1. Except as necessary to meet Contractor's obligations under Section 21, Access to Records, Contractor shall not retain any copies of Purchasing Entity property or Confidential Information. Contractor shall notify Purchasing Entity of any conditions that make returning all Purchasing Entity property or Confidential Information not feasible. Upon Purchasing Entity's written acknowledgement that returning all property is not feasible, Contractor shall destroy such Purchasing Entity property and provide Purchasing Entity with written certification of destruction of the property.

11.2. Contractor shall maintain protections required by law, this Addendum, or a Contract for any retained Purchasing Entity property for so long as Contractor (including through any subcontractor) retains the property.

12. Compliance with Law.

12.1. Compliance with Law Generally. Contractor shall comply with all federal, state and local laws, regulations, executive orders and ordinances applicable to Contractor, this Addendum, and Contracts entered into under this Addendum, as may be adopted or amended from time to time. Without limiting the generality of the foregoing, Contractor expressly agrees to comply with the following laws, regulations and executive orders to the extent they are applicable to the Addendum and Contracts: (i) Titles VI and VII of the Civil Rights Act of 1964, as amended; (ii) Sections 503 and 504 of the Rehabilitation Act of 1973, as amended; (iii) the Americans with Disabilities Act of 1990, as amended; (iv) the Health Insurance Portability and Accountability Act of 1996, as amended by the American Recovery and Reinvestment Act of 2009 (ARRA); (v) the Age Discrimination in Employment Act of 1967, as amended, and the Age Discrimination Act of 1975, as amended; (vi) the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended; (vii) ORS Chapter 659, as amended; (viii) all regulations and administrative rules established pursuant to the foregoing laws; and (ix) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations. These laws, regulations and executive orders are incorporated by reference herein to the extent that they are applicable and required by law to be so incorporated. DAS SPS' Purchasing Entity's performance is conditioned upon Contractor's compliance with the obligations of contractors under ORS 279B.220, 279B.230 and 279B.235, which are incorporated by reference herein.

12.2. Oregon False Claims Act. Contractor acknowledges the Oregon False Claims Act, ORS 180.750 to 180.785, applies to any action by Contractor pertaining to this Addendum or a Contract, including the procurement process relating to this Addendum, which constitutes a "claim" (as defined by ORS 180.750(1)). By its execution of this Addendum, Contractor certifies the truthfulness, completeness, and accuracy of any statement or claim it has made, it makes, it may make, or causes to be made that pertains to this Contract. In addition to other penalties that may be applicable, Contractor further acknowledges that if it makes, or causes to be made, a false claim or performs a prohibited act under the Oregon False Claims Act, the Oregon Attorney General may enforce the liabilities and penalties provided by the Oregon False Claims Act against Contractor. Contractor understands and agrees that any remedy that may be available under the Oregon False Claims Act is in addition to any other remedy available to the State of Oregon under this Contract or any other provision of law.

12.3. Changes in Law Affecting Performance. Each party will immediately provide notice to the other of any change in law, or any other legal development, which may significantly affect its ability to perform its obligations in accordance with the provisions of this Addendum or a Contract. Each party shall monitor changes in federal and state laws, ordinances, and regulations applicable to its performance hereunder, and will be deemed aware of such changes within 30 calendar days of the enactment of any such change.

12.4. Pay Equity. As required by ORS 279B.235, Contractor shall comply with ORS 652.220 and shall not unlawfully discriminate against any of Contractor's employees in the payment of wages or other compensation for work of comparable character on the basis of an employee's membership in a protected class. "Protected class" means a group of persons distinguished by race, color, religion, sex, sexual orientation, national origin, marital status, veteran status, disability or age. Contractor's compliance with this section constitutes a material element of this Addendum and a failure to comply constitutes a breach that entitles DAS SPS or Purchasing Entity to terminate this Addendum or a Contract for cause.

12.5. Non-Discrimination. Contractor certifies that it has a written policy and practice that meets the requirements described in ORS 279A.112 for preventing sexual harassment, sexual assault, and discrimination against employees who are members of a protected class. Contractor agrees, as a material condition, to maintain such policy and practice in force during the term of this Addendum and each Contract.

13. Oregon Public Records Law. Contractor acknowledges that any disclosures Contractor makes to Purchasing Entity under this Addendum are subject to application of the Oregon Public Records Law, including but not limited to ORS 192.311-192.478, and the provisions for the Custody and Maintenance of Public Records, ORS 192.005-192.710. The non-disclosure of documents or of any portion of a document submitted by Contractor to DAS SPS or Purchasing Entity may depend upon official or judicial determinations made pursuant to the foregoing laws. Contractor will be notified prior to DAS SPS' or Purchasing Entity's release of documents to entities other than participating agencies or other State Agencies. Contractor shall be exclusively responsible for defending Contractor's position concerning the confidentiality of the requested documents, at its own expense.

14. Recycled Products. Contractor will use, to the maximum extent economically feasible in the performance of this Addendum or any Contract, recycled paper (as defined in ORS 279A.010(1)(gg)), recycled PETE products (as defined in ORS 279A.010(1)(hh)), and other recycled plastic resin products and recycled products (as "recycled product" is defined in ORS 279A.010(1)(ii)).

15. Notices. Except as otherwise provided in a Contract (including for security incident and breach notifications), any formal communications between Purchasing Entity and Contractor, to or notices to be given under a Contract will be given in writing by personal delivery of an electronic transmission or the notice or mailing the notice, postage prepaid, at the address or number set forth in the Contract. Any communication so addressed and mailed will be deemed to have been received five calendar days after mailing. Any communication delivered electronically will be deemed to be given when a confirming report for the transmission is generated by the transmitting machine. To be effective against the receiving party, such electronic transmission must be confirmed by telephone notice to the receiving party's authorized representative, as set forth in the Contract. Any communication or notice by personal delivery will be deemed to be given when actually received by the appropriate authorized representative.

As between Contractor and State with respect to this Addendum, the Primary Contacts of Contractor and State are set forth in the Addendum.

16. Governing Law. The laws of the State of Oregon (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to this Addendum and resulting Contracts, including, without limitation, their validity, interpretation, construction, performance, and enforcement.

17. Jurisdiction and Venue. Any claim, action, suit or proceeding (collectively, "Claim") between the State of Oregon (including DAS SPS, Purchasing Entities who are State Agencies, OCRPP Purchasing Entities who are Oregon executive department agencies, and any other agency or department of the State of Oregon) and Contractor that arises from or relates to this Addendum or a Contract under this Addendum, will be brought and conducted solely and exclusively in the Circuit Court of Marion County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively in the United States District Court of the District of Oregon. CONTRACTOR, BY EXECUTION OF THIS ADDENDUM HEREBY CONSENTS TO THE IN PERSONAM JURISDICTION OF SAID COURTS. Nothing in this section will be construed as a waiver of the

State of Oregon's sovereign immunity with respect to any Claim, whether brought under State or Federal law, or the consent to jurisdiction in State or Federal Court.

Any Claims between Contractor and a Purchasing Entity other than the State of Oregon or a State Agency that arise from or are related to individual Contracts or this Addendum will be brought and conducted solely and exclusively within the Circuit Court of the county in the State of Oregon in which such Purchasing Entity resides or has its principal office, or at Purchasing Entity's option, within such other county as Purchasing Entity will be entitled to proceed under the venue laws of Oregon to bring or defend Claims. If any such Claim must be brought in a federal forum, then it will be brought and conducted solely and exclusively within the United States District Court for the District of Oregon.

18. Foreign Contractor. If Contractor is not domiciled in or registered to do business in the State of Oregon as of the effective date of this Addendum, Contractor will promptly provide to the Oregon Department of Revenue all information required by that department relative to the Addendum or any Contract. A Purchasing Entity may withhold final payment under a Contract until Contractor has provided the Oregon Department of Revenue with the required information.

19. Merger Clause; Waiver. This Addendum, including the Master Agreement and the exhibits attached to this Addendum, constitutes the entire agreement between the parties on the subject matter hereof, and supersede all prior agreements, oral or written. There are no understandings, agreements, or representations, oral or written, between these parties that are not specified in this Addendum. No waiver, consent, modification or change of terms of this Addendum binds either party unless in writing and signed by both parties and all necessary State approvals have been obtained. Such waiver, consent, modification or change, if made is effective only in the specific instance and for the specific purpose given. The failure of State to enforce any provision of this Addendum does not constitute a waiver by the State of that or any other provision.

20. Access to Records. Contractor will maintain all fiscal records relating to its performance under this Addendum and each Contract in accordance with generally accepted accounting principles and will maintain any other records relating to its performance in such a manner as to clearly document Contractor's performance. Purchasing Entity, the State and its agencies, and the Oregon Secretary of State Audits Division and its duly authorized representatives, will have access to such fiscal records and to all other books, documents, papers, plans and writings of Contractor which relate to this Addendum to perform examination and audits and make excerpts and transcripts. To the extent provided by law, the federal government will be entitled to the same access as the State of Oregon and Purchasing Entities. Contractor shall retain and keep accessible all such fiscal records, books, documents, papers, plans, and writings for a minimum of 6 years, or such longer period as may be required by applicable law following final payment and termination of this Addendum and all Contracts entered into under this Addendum, or until the conclusion of any audit, controversy or litigation arising out of or related to this Addendum or any Contract, whichever date is later.

21. Severability. If any term or provision of this Addendum or any Contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the parties will be construed and enforced as if the Addendum or Contract did not contain the particular term or provision held to be invalid.

22. Survival. Any terms of this Addendum or any Contract, which by their nature are intended to survive termination or expiration do so survive. Terms include but are not limited to warranty, indemnification, access to records, governing law, venue, consent to jurisdiction, termination and remedies provisions.

23. Insurance. No later than ten days following the Effective Date, Contractor must provide insurance as set forth on Exhibit 2, Insurance, of this Addendum. No Contracts may be placed or accepted until proof is provided that these requirements have been met. A Purchasing Entity may require additional amounts or types of insurance under a Contract.

24. Amendments. This Addendum may only be modified in writing agreed to and executed by the parties and approved in accordance with applicable law. A Contract may only be modified in writing agreed to and executed by the parties and approved in accordance with applicable law.

25. Security and Privacy Security and Privacy. Unless this Addendum or a Contract specifies otherwise, Contractor shall comply with the following security and privacy requirements:

25.1. Ownership of Data. Any information Contractor or its employees or agents receives or creates relating to Purchasing Entity or Purchasing Entity's clients (Data) is owned by Purchasing Entity. Purchasing Entity hereby grants Contractor a license to use Data to fulfill the purposes of this Addendum or a Contract under which Data is accessed, and otherwise only as specifically described in the Addendum or Contract. Contractor hereby irrevocably assigns, transfers and conveys, and will cause its employees, subcontractors and agents to assign, transfer and convey without further consideration all right, title, and interest in Data to Purchasing Entity. Upon request by Purchasing Entity, Contractor will or will cause the execution and delivery of any documents that may be necessary to preserve or enable Purchasing Entity to enforce, its rights with respect to its Data.

25.2. Requests for Data. In the event Contractor receives a third-party request for Data, including any electronic discovery, litigation hold, or discovery searches, Contractor shall first give Purchasing Entity notice and provide such information as may reasonably be necessary to enable Purchasing Entity to take action to protect its interests.

25.3. Privacy and Security Training. Contractor shall ensure its employees, agents, and contractors receive periodic training on privacy and security obligations relating to the Services.

25.4. Limited Purposes. Contractor shall limit the use or disclosure of Data to persons directly connected with the administration of the Addendum or the related Contract.

25.5. No Overseas Access, Storage, or Transmission. Data will not be accessed from, transmitted, or stored outside of the United States or its territories, including for any maintenance, support, disaster recovery, or data backup.

25.6. Prohibition on Data Mining. Contractor shall not capture, maintain, scan, index, share or use Data, or otherwise use any data-mining technology, for any non-authorized activity, and shall not permit its agents or subcontractors to do so. For purposes of this requirement, "non-authorized activity" means data mining or processing of data, stored or transmitted by the service, for unrelated commercial purposes, advertising or advertising-related purposes, or for any other purpose other than security analysis that is not explicitly authorized in this Addendum or a Contract.

25.7. Privacy Protections. The information exchanged with Contractor may include Data subject to specific confidentiality protections under state or federal law, and the implementing regulations of those laws. Contractor, its employees, agents, and contractors shall comply with laws and regulations applicable to the information, including as those laws and regulations may be updated from time to time. Contractor shall maintain protections required by law, this Addendum, or an applicable Contract for any retained Data for so long as Contractor (including through any third party) retains it.

25.8. Access. Contractor shall not suspend a Purchasing Entity's access to its Data at any time during the term of the applicable Contract or the post-termination access period.

25.9. Post-Termination Access to Data. Upon Contract termination (including by expiration), Contractor shall, at the Purchasing Entity's discretion, either return all Data to Purchasing Entity (or delegate) in an agreed-upon format, or ensure Purchasing Entity has access and the ability to retrieve its Data for at least a 90-calendar day period following termination. This 90-day period will be at no additional charge to Purchasing Entity. Contractor shall not retain any copies of Purchasing Entity's Data following Purchasing Entity's written verification that it no longer requires post-termination access, except as necessary for audit verification purposes.

25.10. Sanitization. Subject to Section 21, Access to Records, Contractor shall not retain any copies of a Purchasing Entity's Data following its written authorization to destroy Purchasing Entity property that cannot be returned following the Term of a Contract. Contractor shall notify Purchasing Entity of any conditions that make returning all Data not feasible. Upon Purchasing Entity's written acknowledgement that returning all Data is not feasible and its consent, Contractor shall purge or destroy retained Data in all its forms (including copies of returned Data) in accordance with the most current version of NIST SP 800-88 or other agreed-upon standard and provide Purchasing Entity with written certification of sanitization.

25.11. Incidents and Breaches. In the event Contractor or its subcontractor or agents discover or are notified of a security incident, or a breach of security or privacy, Contractor shall promptly notify the affected Purchasing Entity's point of contact (or delegate) of the issue. Breaches include a failure to comply with Contractor's confidentiality obligations. If Purchasing Entity determines that a breach requires notification of its clients, or other notification required by law, Purchasing Entity will have sole control over the notification content, timing, and method, subject to Contractor's obligations under applicable law.

25.12. Confidentiality Related to Security and Privacy. Notwithstanding the provisions of the Master Agreement, Contractor acknowledges that, it and its employees, subcontractors or agents in the course of this Addendum and any Contract may be exposed to or acquire information that is confidential to DAS SPS, Purchasing Entity, or Purchasing Entity's clients, and such information is Confidential Information as described in the Master Agreement.
