Missouri Economic Impact: The utilization of Missouri businesses and Missouri employees and other positive economic impact in the provision of the products and/or services under the agreement between the State of Missouri and the vendor is highly desirable for the State of Missouri. Therefore, please provide responses to the following to describe your Missouri economic impact.

1. Provide a description of the company's economic presence within the State of Missouri, including Missouri employees statistics, Missouri business facilities (size, type of facility, location), Missouri subcontractors, etc.

Plante & Moran, PLLC is a professional services firm with a national footprint and the ability to deploy resources to Missouri on an as-needed basis for projects performed under this agreement. We maintain a Missouri presence through our Missouri-based professionals, who can support this agreement with on-site delivery and rapid-response coverage as requested by the State. We routinely support public-sector clients through a combination of on-site and remote delivery, leveraging local and regional staff within reasonable travel distance and specialized subject matter resources from across the firm. When subcontractors are required, we will prioritize qualified Missouri-based firms where practical and consistent with project needs, contract requirements, and client direction. We have worked with multiple certified MBE/WBE contractors in Missouri over the past 15 years.

2. Provide a description of the proposed services that will be performed and/or the proposed products that will be provided by the Missourians and/or Missouri products under this agreement.

Plante & Moran, PLLC is a professional services firm with a national footprint and the ability to deploy resources to Missouri on an as-needed basis for projects performed under this agreement.

NASPO ValuePoint Procurement Assistance and Support Services (PASS) is a cooperative contracting vehicle established by the National Association of State Procurement Officials (NASPO) to provide state and local governments, higher education institutions, and other eligible public entities with streamlined access to procurement and acquisition support services. These services include, end-to-end procurement lifecycle support, including procurement strategy development, requirements and solicitation drafting, market research, independent cost estimates, proposal evaluation, contract formation, and vendor performance management.

Complementing PASS, NASPO ValuePoint IT Research, Advisory, and Consulting Services (IT RAC) provides public sector organizations with access to independent, technology-focused advisory services to support IT planning, modernization, and investment decision-making. These services include IT strategy and roadmap development, enterprise architecture and application portfolio assessments, ERP and core system selection support, cybersecurity and data governance advisory, and technology market research.

3. Provide a description of the economic impact returned to the State of Missouri through tax revenue obligations. Economic impact to the State of Missouri may include applicable state and local tax revenues generated through the purchase of services and any related project expenditures (e.g., travel, lodging, and meeting facilities when on-site work is required), as well as payroll and business tax impacts attributable to any Missouri-based personnel and subcontractors engaged to support project delivery.

Plante & Moran will comply with all applicable Missouri tax and reporting requirements associated with orders placed under this Participating Addendum, as well as any administrative fee requirements identified by the State for cooperative contract usage.

4. List all Missouri certified Minority Business Enterprises (MBE)/Women Business Enterprises (WBE) as defined at Website: <http://oeo.mo.gov> you will use in the provision of products and services under the contract:
