A Special Message from Rev. Maur Horton

I Give Thanks For My Prosperity

We chose prosperity as Woodland Chapel's theme for the month of November. Thanksgiving and warm family sharing remind us to be grateful for all that we experience. Sometimes what we experience is pleasant, sometimes not. Since we believe prosperity is our divine birthright we live with confidence. We trust that Spirit will circulate good in all areas of life.

Sunday, October 22nd, our furnace failed to circulate warm air in the Sanctuary. It was cold. On Wednesday heating technicians evaluated the problem. Yes, they could fix the furnace for a thousand dollars, and it might serve for a year or so. On Thursday they informed us five thousand dollars would get us a new furnace of the same brand that served for thirty-two years. In less than an hour the board approved installing a new furnace. It was installed on Friday. This is prosperity in action. We will be warm for winters to come.

I am grateful for our congregation's prosperity consciousness. We had enough savings to pay for the furnace. I trust in the law of circulation. I know our deep love for Woodland Chapel. We will recharge our savings. Donate what you can.

Remember prosperity is your divine birthright. Join me in affirming: "I give thanks for my prosperity."

Love and Blessings Always,
Rev Maur

From Rev. Don

I love the material in the Book titled "The Essential Ernest Holmes". I am always held for minutes afterward when I read the first paragraph from Dr. Holmes compilation of "The Thing Itself" from his text book "The Science of Mind".

It says this: "We all look forward to the day when science and religion shall walk

hand in hand through the visible to the invisible. Science knows nothing of opinion, but recognizes a government of law whose principles are universal. Yet any scientist who refuses to accept intangible values has no adequate basis for the values which he has already discovered. Revelation must keep faith with reason and religion with law---while intuition is ever spreading its wings for greater flights----and science must justify faith in the invisible." (intellectual enough for the deepest thinker, yet understandable to the intuition and heart of the true seeker.)

The holiday Season season is upon us. We, at Woodland Chapel, have special events and activities planned especially with you in mind. There will be a very lovely Candle Lighting service December 23. It is a bit different from years past. We think you will love it. Do come and bring family and friends. More information will be coming to you.

Saturday, November 4 is our annual Craft
Day from 11 am to 3pm. All are invited to
bring craft materials they would like to work
on or join in with rock painting or other crafts
that may be shared.

Bring a sack lunch, if desired.
This is just a fun day for all.

As we share meals together this November we are especially grateful for the bounty on our tables and the bountiful love that is present. We are truly blessed.

On November 5, we have our first of the month Pot. Pot luck means what we find on the table is a surprise and at Woodland Chapel it is always a delicious surprise.

On November 23, Thanksgiving Day, Woodland Chapel is again hosting a Thanksgiving dinner for our congregation, family and friends.

If you would like to come to Thanksgiving dinner, you are invited to bring a side dish of your choosing to share.

Dinner is served about 2PM.

There is no Soup for the Soul this month.

Join us as we look into the
Faces of Gratitude
