Membership & Informational meeting in the Library at 12:30.

February is often characterized as the month devoted to love and to lovers. We know that love and law are the twin pillars of our metaphysical teaching. We see beyond the physical to the spiritual significance of love as it originates in the heart of the Infinite. The Infinite One always gives of Itself generously providing the abundance we see about us in nature and in our lives. We use the law to express our love.

Love is the source of our abundant life. And we have been benefiting from the love that we have shared by welcoming all to our Center. In the month of January that love started to come back to us. We have received \$5,200 toward the \$24,000 cost of repaving our parking lot. \$5,000 was from a person who is not in our congregation. \$200 from our congregants. I ask each of you who read this message to donate toward this project. A donation from each of our congregation would be significant no matter the amount. Help those who want to help us. Show them our appreciation and willingness to support this long-desired goal.

We will be meeting this month on February 18 after the Sunday Celebration and Soup for the Soul at 1:00 PM. Come prepared to learn about our current programs, share your ideas, and vote for new board members. This is our annual meeting.

Love and Blessings Always,
Rev Maur

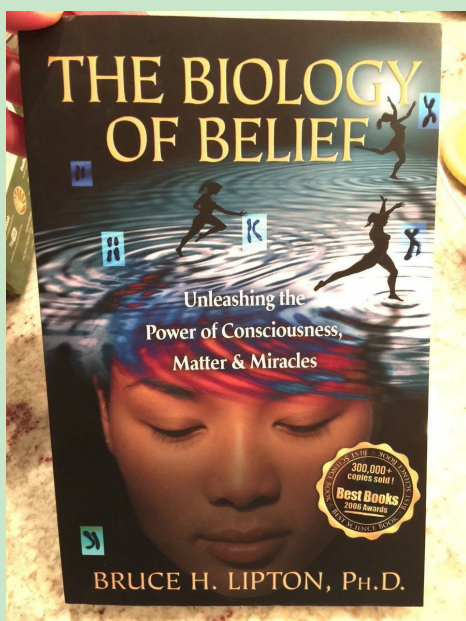

From the pen of Rev. Don Kerr

"This month of February contains a day that many Hold as Important to celebrate and express with Heart Energy ! Love!...Valentine's day! Remembering those who are close to us in our Life!

Joseph Campbell called it .."The Rapture of Being Alive!"
I like to think of Love as a Presence that accompanies us on our Journey to discover Life's Power by being Awake and Aware to the Heart Energy that honors our learning how Life Happens for us. Michael Beckwith, founder and Spiritual director of Agape International Spiritual Center describes the Human evolution that is Love enriched in Phases of Human Consciousness found in the book Titled What's in the way, is the way"...there are six listed . 1. Life happens to you. 2. Life happens by you. 3. Life Happens IN you. 4. Life happens for you. 5. Life happens THROUGH you. and finally Awake to the Heart Energy flow as we realize 6. LIFE IS YOU! We can agree and as Joseph Campbell Describes it all as "The Rapture of Being Alive!" Namaste
