Introducing the 7 Spiritual Laws of Success

Musical Inspiration: Blaine Moody

This month we are focusing our attention on the  
*Seven Spiritual Laws of Success*, by Deepac Chopra

This is a power little book filled with life  
transforming principles.

*I would rather see a student of this Science prove its Principle than  
to have them repeat all the words of wisdom that have ever been  
uttered.*

## An Encounter With the Divine.

On the last Sunday in July, a member of the Center alerted me to a tent pitched not far from the Buddha statue. Our policy is not to allow camping on our grounds. I investigated. I met a woman and a man near their blue tent. They struck me as “other,” not local. If you have ever seen the Wookiee in Star Wars, you have an instant image of the size of the man I talked with, quite impressive

The man introduced himself. Uriah and his wife camped over Saturday night. When I asked if they were homeless, he said, “Oh No. My wife and I have a fifth wheel in the RV park in Talent. We just saw this as a lovely, quiet place to rest. We will be moving our tent this afternoon.”

The large dog leashed at his side, stopped growling, and finally flopped to the ground as we talked. This encounter brings home to me again the basic truth of our teaching: “God is all there is.” There is no other.

For Spirit is Love. Spirit is Life. And that is all there is.

Love and Blessings Always,  
Rev Maur
