Something Different

My dear friends,
Sundays in February are all about abundance, prosperity and living whole complete lives. Our services will take on a different flavor.

This month on the first Sunday we will be asking for your vision for our Center. The service will be decidedly different from the typical Sunday. Bring your ideas about what makes our community unique and what you would like to see develop. The information we receive on February 2nd will be used to structure our annual meeting on Sunday February 16th. Plan to attend both.

We plan to honor our newest members: Art Jones and Jennifer O'Leary also on the first Sunday. This will be a fun Sunday, Please remember to return your signed membership renewal form. Put the form in the wire basket on the library table. Or mail it in.

I invite you to read the rest of this Joyful News for more ways to enjoy being an active member of our Spiritual family.

Our community is based in faith and love. Just as love is the best word we have to describe the Thing itself, so it is the best word to describe our Center. We are love in action.

Blessings and Love Always,
Rev Maur

January Prayer Treatment

Realizing that the Divine Spirit can give me only what I receive,
knowing that what the
Spirit does for me It must do through me, I now accept the gift of Life.

Ernest Holmes; This Thing Called You; pg. 118-3

I Surrender To Spirit

All Creation is from One Source; One Universal Intelligence perpetually manifesting the visible from the invisible. I am eternally connected to this Pure Divine Energy. I am constantly creating the life I desire. I am one with Spirit. I am open to receive all the Divine Gifts that are now flowing in to my life. I surrender to the perfect peace and joy that is always at the core of my being. My life is unfolding perfectly, and I embrace each new challenge as an opportunity for growth. Spirit is ready to abundantly meet my every need and desire, and I consciously open myself to the prosperity that is now bestowed upon me. I realize that my prayer is now within the Mind of Spirit, and I am gratefully aware that it is already complete. I release my word, affirming that the Law is now manifesting all that I desire. I relax and let go. And so it is. Amen.
