

Disaster and Emergency Contacts—Montana

(Updated 7/1/2021)

Montana Disaster & Emergency Services (MT DES) is the lead agency coordinating comprehensive emergency management in Montana. Local Department of Emergency Services (DES) coordinators oversee the emergency management programs in each county.

For all resource requests including medical resources such as PPE, or support with transportation, food, shelter, or utilities contact DES coordinator:

- **For medical resources:** complete the Medical Resource Request order form https://dmades.formstack.com/forms/des_medical_supply_request
- **For all other resources:** contact your local health department or local DES coordinator for instructions. <http://readyandsafe.mt.gov/Emergency/DES-Coordinators-Map>
