

PORTS OF SEATTLE & TACOMA

PORT SOLUTIONS FOR ANY SUPPLY CHAIN CHALLENGE

FAST. VESSEL, TERMINAL, RAIL TO NORTH AMERICA

Transit times from Asia to U.S.

- 11 days from Busan
- 12 days from Tokyo
- 16 days from Yantian
- One week faster than via the East Coast to Chicago and the Ohio Valley

Faster total transit time

- No berth congestion
- Terminal dwell—3 days or less
- Inland rail transit times competitive with any West Coast Port

FLEXIBLE. MULTIPLE OPTIONS TO MOVE YOUR CARGO

- A full-service gateway with 40+ global port connections
- Over 40 weekly international rail departures to 13 inland locations
- Multiple domestic intermodal rail options to Chicago, Ohio Valley, and other key markets
- Over 100 transload + warehouse facilities within 15 miles; Transload costs 25% cheaper than LA/LB
- Refrigerated, dry, project cargo expertise
- Use Foreign Trade Zones #5 + #86 to reduce import costs

**EXPEDITE, DELAY ALLOCATION, DECONSOLIDATE,
REACH ANY U.S. DESTINATION**

FIRST-CLASS. AWARD-WINNER FOR EASE OF DOING BUSINESS

- Dedicated staff focused on your cargo
- Visibility—key operational metrics and shipment status updates to better plan your cargo flows and minimize delays
