TTS	Jim Stanaway	253-859-9703	jim.stanaway@tts-us.com

Note to our customers: Intermodal Marketing Companies (IMC's) provide domestic cargo booking services with the railroads. The IMC will coordinate the rail rate with a truck rate at origin and destination. Local IMC's may also coordinate transloading to and from international containers. Most IMC's also offer truck brokerage services. For more information, contact Mike Reilly at (253) 383-9418.
