Constitution

- 1st we believe in one only true and living
 god and that there is a trinity of persons
 in the Godhead the Father son and holy
 ghost and yet there are not three gods
 but one god
- 2^d we believe that the scriptures of the old
 and new Testaments are the word of
 god and the only rule of faith and
 practice
- 3^d we believe in the fall of Adam and
 the imputation of sin to his posterity in
 the corruption of human nature and
 the impotency of man to recover him
 self by his own free will abilities
- 4th we believe in the everlasting love of God
 to his people and the eternal election of
 a definite number of the human race to
 grace and glory and that there was a cove
 nant of grace or redemption between the

Father and the son before the world began in which there salvation is secure and that they in particular are redeemed

~~4th we believe all those who were chosen in Christ will be effectually~~

5th we believe that sinners are justified in the sight of God only by the righteousness of Christ is imputed to them

6th we believe all those who were chosen in Christ will be effectually called regenerated converted sanctified and supported by the Spirit and power of God so that they will persevere in grace and not one of them be finally lost

7th we believe that good works are the fruits of faith and follow after justification and that they only justify us in the sight of men and angels and are evidences of our gracious state

8th we believe that there will be a resurrection of the dead and a general judgment and the happiness of the righteous and the punishment of the wicked will be eternal

9th we believe that no minister has the right to the administration of the ordinances only such as are regularly called and come under the ~~imposition~~ imposition of hands by the presbytery

10th we believe that the Georgia Baptist convention the Missionary & Bible Tract Sunday School union and Temperance societies together with theological seminaries and other kindred institutions falsely called benevolent and are unscriptural unsupported by divine revelation and therefore improper and we believe that no individual is

united with us are the advocates of all on either of them should be held in fellowship by our churches

Church Covenants

- 1st we believe that the visible Church of Christ is a congregation of faithful persons that have given themselves to the Lord and to one another in the name of the Lord and has agreed to keep up a Godly discipline in the name of the Lord
- 2d we believe that Jesus Christ is the head of the Church and the only law giver and the government is upon his shoulders and the discipline of the Church is with the body and is intended for the reclaiming of those members that may be disorderly either in principle or practice
- 3d we believe that the gift of the ministry is intended for the edifying of the body and for the calling in of his sons from afar and his daughters from the ends of the earth that the visible Church upon earth shall be complete and there shall be one fold and one shepherd
- 4th we believe it to be the duty of the Church to support and approve and encourage a sound ministry and also cry down and disapprove an unsound and disorderly one
- 5th we the Emmaus Church do ~~enter~~ covenant and agree to live together as faithful Brothers and sisters being of the same family professing the same principle

and faith upon the above written
abstracts of faith and church
covenant
