

FOR IMMEDIATE RELEASE

OptConnect Named to MountainWest Capital Network's Annual Utah 100 List of State's Fastest-Growing Companies

(SILICON SLOPES, Utah) October 14, 2020 – OptConnect, an industry leader in managed wireless solutions, today announced that they have been named to MountainWest Capital Network's (MWCN) annual Utah 100 List of the state's fastest-growing companies. This is OptConnect's 6th year making the list. OptConnect also recently made the Inc. 5000, a prestigious list of the fastest-growing companies across the country.

MWCN's exclusive awards program brings together investors, entrepreneurs and professional service providers while recognizing Utah's 100 fastest-growing companies and the economic and business impact they bring to the state. In addition to recognizing the Utah 100 list, MWCN recognizes the Top Revenue-growth companies, as well as the Emerging Elite—the state's top startups just breaking into the scene.

"I am proud that our incredible and consistent growth is being recognized in multiple ways and more importantly I am proud that we've been able to continue that growth with dedicated employees while remaining focused on our customers and delivering incredible value for them so that they can focus on their core business." said Chris Baird, President and CEO of OptConnect.

Utah 100 honorees were chosen based on both their percentage and dollar revenue increase between 2015 and 2019. MWCN's award event, recognizing the top companies in the state, honored award recipients at the first ever virtual event.

"Utah's economy has never been stronger, and it's in large part thanks to the tremendous efforts of these companies and others that make Utah truly the place to be for business," said Ryan Dent, chairman of the MWCN Utah 100 committee. "We've had 26 great years of honoring the companies making Utah great, and we look forward to the next 26 years and beyond."

MWCN Utah 100 winners were celebrated on October 13th, 2020 where rankings were revealed. For more information on the Utah 100, please visit www.mwcn.org. For more information on OptConnect, please visit www.optconnect.com.
