OptConnect Named to 37th Annual Inc. 5000 List

OptConnect Recognized as One of the Fastest Growing Private Companies in the U.S.

(SILICON SLOPES, Utah) August 22, 2018 – OptConnect, a leader in managed wireless solutions, today announced that they have secured a spot on the 2018 Inc. 5000 List. This coveted ranking places OptConnect as one of the fastest-growing private companies in the U.S. according to Inc. Magazine’s annual rankings.

“We’re honored to have made the Inc. 5000, it’s great recognition for the continuous growth we’ve achieved,” said Chris Baird, President of OptConnect. “We look forward to expanding our efforts to connect the world by penetrating new markets and growing our dedicated team.” The Inc. 5000 began in 1982 and has since then become a hallmark of entrepreneurial success, taking a unique look at the most successful companies within the American economy’s most dynamic segment — its independent small and midsize businesses.

“If your company is on the Inc. 5000, it’s unparalleled recognition of your years of hard work and sacrifice,” says Inc. editor in chief James Ledbetter. “The lines of business may come and go or come and stay. What doesn’t change is the way entrepreneurs create and accelerate the forces that shape our lives.”

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at <http://www.inc.com/inc5000>.
