OptConnect Named to 2022 Utah Business Fast 50 List

(SILICON SLOPES, Utah) August 25, 2022 – OptConnect, a longtime leader in managed wireless services, today announced that they have been recognized in the Utah Business Fast 50, a list of the fastest-growing companies in Utah. Coming in at number 42, OptConnect has spent the last few years adding thousands of satisfied customers, expanding into new verticals, developing award-winning new products, growing profitability and continuing to simplify wireless connectivity for customers.

“It’s an honor to be recognized again as one of the fastest 50 growing companies in Utah again” said Chris Baird, CEO at OptConnect. “During a challenging year when many companies were struggling, we have been fortunate to be able to adapt and find new markets and create new solutions that customers value. Our entire team continues to make incredible things happen and seeing their hard work recognized by being named to the Fast 50 means a lot to us.”

The Utah Fast 50 list is comprised of established companies selected based on a combination of revenue growth and total revenue and are vetted by Squire and Co. for financial accuracy. They are ranked in order of 2021 growth.

“Utah Business is pleased to present the 2022 Fast 50 companies,” said Lynnette Cloward, Director of Events. “We look forward to recognizing and honoring companies like OptConnect that have found the secret to growing and thriving in today’s challenging business world.”
