Dear Parties:

After full review of the Hearing Officer's Recommendations and the Exceptions filed thereto by the United Transportation Union, Local 19 ("UTU") in the above-referenced case, I adopt the Recommendations of the Hearing Officer as my own. The Exceptions filed by the UTU to the Report of the State Mediation and Conciliation Service do not raise substantial and material factual issues with respect to the conduct of the election or conduct affecting the results of the election, and no hearing is warranted.

The California Teamsters Public, Professional and Medical Employees Union, Local No. 911 is hereby certified as the exclusive collective bargaining representative for all certified regular, extra board, and part-time Coach Operators employed by the Orange County Transit District who provide regular fixed route service, excluding all other drivers in demand-activated service (like or similar to "Dial-A-Ride" service) and excluding all other employees, office clerical employees, professional employees, mechanics and maintenance employees, guards and supervisors and all drivers employed by private sector contractors.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ron Rinaldi".
