32150. Subpoenas.

(a) Definitions

(1) "Testimonial subpoena" means a subpoena that solely requires a witness to appear at a Board hearing.

(2) "Records subpoena" means a subpoena that requires production of documents, electronically stored information, video records, audio records, or other records or things, either at a Board hearing or at a time and location in advance of such a hearing. A records subpoena may also require a witness to appear at a Board hearing to testify.

(3) "Declaration of materiality" means a declaration signed under penalty of perjury, submitted by the requesting party or that party's representative, which:

(A) Describes the requested items; and

(B) Explains why the requested items are relevant to the issues involved in the case.

(4) "Consumer or employee notice" means a notice provided to a non-party consumer or employee as set forth in Code of Civil Procedure sections 1985.3 and 1985.6.

(b) Geographic Coverage of Subpoenas: Testimonial and records subpoenas issued shall extend to all parts of the State of California.

(c) Requests to Shorten or Lengthen Timelines: A Board agent has discretion to alter the timelines under subsections (d), (e), (f), (g) and (i).

(d) Procedures for Obtaining Subpoenas: After the Board notifies the parties that an evidentiary hearing has been scheduled, and before the hearing is complete, any party may obtain signed testimonial and records subpoenas from the assigned Board agent (typically an Administrative Law Judge or hearing officer) or designee by using the following procedures:

(1) Blank subpoena forms may be obtained at each of the Board's offices as well as on the Board's website. A party or party representative shall fill out the blank form and provide it to the Board agent for review and signature.

(2) When filling out a blank records subpoena, a requesting party shall specify the records requested, and shall specify a production date that complies with subsection (f) below.

(3) When submitting a records subpoena to a Board agent for signature, a party or party representative must include a declaration of materiality.

(4) The Board agent has discretion to require a requesting party to serve a consumer or employee notice if a records subpoena seeks confidential personal records of a natural person who is not a party, an agent of a party, or an employee exclusively represented by a party.

(e) Procedures for Serving Subpoenas: After obtaining a signed subpoena from a Board agent or designee, a party or party representative shall serve the subpoena by using the following procedures.

(1) Method of service: For a subpoena to be effective, it must be (a) personally served on the witness; or (b) if a subpoena is being served on a party or an agent of a party, it is permissible to serve a representative who is designated in a notice of appearance or who has signed a filing in the matter on behalf of the party, unless that representative no longer represents the party.

(2) Time of service: If a testimonial subpoena is served fewer than ten (10) days before the date on which the witness must testify, or if a records subpoena is served fewer than twenty (20) days before the records must be produced, then the person or entity subject to the subpoena may request that the subpoena be revoked or limited for insufficient notice. The Board agent shall have discretion to find that the amount of notice was sufficient under the circumstances and the subpoena is therefore effective, to declare the subpoena ineffective, or to adjust, as may be appropriate under the circumstances, the scope, timing, methods, or other details regarding the testimony or records requested.

(3) Service of the declaration of materiality: The declaration of materiality must be served together with the corresponding records subpoena.

(4) Witness fee and mileage reimbursement: A witness who is neither a party nor an agent of a party may demand, at the time of service, a witness fee of \$35.00 and a mileage reimbursement of \$0.20 per mile, round-trip, for travel required to testify. If such a demand is made, the requesting party must provide the requested fee and reimbursement at the time of service.

(5) Service of the consumer or employee notice: If the Board agent has required a consumer or employee notice, such notice must be served, together with a copy of the records subpoena and the declaration of materiality, on the non-party consumer or employee. Such service must be made at least ten (10) days prior to the production date.

(f) Production Schedule for Records Subpoenas

(1) The requesting party shall specify in the records subpoena the date, time, and location for production of requested items. The requested production date may be a hearing date. If the responding witness, entity, or party has at least twenty (20) days to respond following service of the records subpoena, then the requested production date may be a non-hearing date. The requested production date may not be later than the last scheduled day of hearing, unless otherwise ordered by the Board agent.

(2) The responding person or entity shall produce the requested items as specified in the records subpoena unless agreed otherwise or the Board orders otherwise. The responding person or entity need not produce items covered by a motion to revoke or limit a subpoena filed pursuant to subsection (h), pending resolution of the motion.

(3) If a records subpoena specifies a requested production date that is not a hearing date, and requires both records production and witness testimony, then the subpoena shall be deemed to require such testimony at the next scheduled hearing date, unless agreed otherwise or the Board orders otherwise.

(g) Motion to Extend Records Production Date: If a scheduled records production date is prior to the next scheduled hearing date, the responding person or entity with good cause may file a written motion to extend the requested production date by up to an additional ten (10) days or to the date of the scheduled formal hearing, if less than ten (10) days. The motion must be filed and served at least seven (7) days before the scheduled records production date.

(h) Motion to Revoke or Limit a Testimonial Subpoena: A motion to revoke a testimonial subpoena may be filed and served on the requesting party in writing or

made orally at the scheduled formal hearing. The Board agent may grant or deny the motion, limit a witness's testimony, or grant a protective order in light of the arguments presented by the parties.

(i) Motion to Revoke or Limit a Records Subpoena: A responding person or entity may file a written motion to revoke or limit a records subpoena pursuant to the following procedures:

(1) The motion must be filed and served no later than twelve (12) days following service of the subpoena. The requesting party must submit any opposition no later than six (6) days after the responding person or entity serves such a motion. There shall be no reply briefs unless the Board agent directs otherwise.

(2) In resolving any dispute regarding a records subpoena, the Board agent may exercise discretion to set prehearing conferences, other formal hearings, or otherwise order other production dates. The Board agent may revoke or limit a records subpoena to the extent items requested to be produced are not relevant to any matter under consideration in the proceeding or are protected by an applicable privilege, or the subpoena is otherwise invalid. When the Board agent resolves such a dispute at a prehearing conference and orders production of certain items covered by the motion, the Board agent shall direct the date, format, and means of producing such items. When the Board agent resolves such a dispute on or after the first day of hearing and orders production of certain items covered by the motion, all such items shall be produced within 24 hours of the Board agent's ruling. The Board agent is also empowered to resolve any objections filed by a consumer or employee resulting from a consumer or employee notice regarding subpoenaed records.

(j) Motion to Enforce Testimonial or Records Subpoena in Superior Court: The Board itself may direct the General Counsel to apply to an appropriate superior court for an order requiring compliance with a subpoena. The following procedures shall apply.

(1) A party may make a request to initiate enforcement proceedings to the Board agent assigned.

(2) At any stage in the proceeding, a Board agent may request, through the General Counsel, that the Board itself authorize the General Counsel to apply for an order of enforcement.

(3) The Board itself shall authorize the General Counsel to seek enforcement on the recommendation of the Board agent or General Counsel, unless, in the judgment of the Board itself, the enforcement of such testimonial or records subpoena would be inconsistent with the law or policies of the applicable Act.

(4) If the Board itself directs the General Counsel to seek enforcement, the evidentiary record will remain open until the Board agent determines that the court order will not be forthcoming or that further delay would frustrate the policies of the applicable Act, or until the responding party produces the testimony or records sought.

(5) At any time, the Board itself may direct the General Counsel to withdraw an enforcement action based upon voluntary compliance or otherwise as the interests of fairness may require.

(k) Inferences and Sanctions for Failure to Comply with Subpoenas: As an alternative to seeking Superior Court enforcement as set forth in subsection (j), the Board agent may draw adverse inferences from a party's failure to comply with a valid subpoena, and may prohibit such a party from presenting evidence or arguments, as the interests of fairness may require. The Board agent may not, however, draw an adverse inference against a party unless that party has been given advance notice and an opportunity to respond regarding such a potential adverse inference.

(l) Board Agent as Witness at a Hearing: The Board itself may order that a subpoenaed Board agent be produced at a formal hearing, only if that Board agent is deemed essential to the resolution of the case and no rational decision can be reached without such agent being produced.

(5) Addresses a legal or factual issue of continuing interest;

(7) Is accompanied by a separate opinion concurring or dissenting on a legal issue, and designation of the majority and separate opinions as precedential would make a significant contribution to the development of public sector labor law.

(e) The Board itself may reverse, in whole or in part, the prior designation of a decision or order as precedential or non-precedential. A request to reverse the precedential or non-precedential designation of a decision or order shall be made within 20 days following the date of service of the decision or order. An original and five copies of the request shall be filed with the Board itself in the headquarters office. A request seeking designation of a decision as precedential shall state with specificity why one or more of the criteria in subparagraph (d) of this Section are satisfied. A request seeking designation of a decision as non-precedential shall state with specificity why none of the criteria in subparagraph (d) are satisfied. Service and proof of service of the request pursuant to Section 32140 are required.

(f) Any response to a request to change the precedential or non-precedential designation of a decision or order must be filed within 20 days from service of the request. An original and five copies of the response shall be filed with the Board itself in the headquarters office. Service and proof of service of the response pursuant to Section 32140 are required.

(g) A request to change the precedential or non-precedential designation of a decision or order shall not stay the effectiveness of the decision or order.

SUBCHAPTER 6. REPRESENTATION PROCEEDINGS

Article 1. General Provisions

32700. Proof of Support.

(a)(1) Proof of employee support for representation petitions, including petitions for certification, requests for recognition, severance requests or petitions, and those unit modification petitions for which proof of support is required, shall clearly demonstrate that the employee desires to be represented by the petitioning employee organization for the purpose of meeting and negotiating or meeting and conferring on wages, hours and other terms and conditions of employment.

(2) Proof of employee support for a decertification petition shall clearly demonstrate that the employee no longer desires to be represented by the exclusive representative.

(3) This section governs proof of employee support under all statutes that the Board enforces, except to the extent that an MMBA, Trial Court Act, or Court Interpreter Act employer has promulgated differing reasonable rules regarding proof of employee support. It also governs proof of support under section 8434 of the Education Code and related provisions. When applying this section with respect to providers as defined under section 8431 of the Education Code, the term "employee" used in this section shall include such providers.

(b) Proof of support shall indicate each employee's name. An employee's proof of support shall remain valid provided it is used to support a petition or request that is first submitted within one (1) year from the date the proof of support was obtained, except that proof of support pertaining to childcare providers, pursuant to Education Code Section 8434, shall remain valid provided it is used to support a petition or request that is first submitted within two (2) years from the date the proof of support was obtained. If the proof of support does not show the date on which it was obtained, the party claiming support shall have the burden of establishing by other means that the proof of support remained valid as of the time the relevant petition or request was first submitted. Any proof of support meeting the requirements of this section shall be considered valid even though the employee demonstrated support for more than one employee organization.

(c) For purposes of determining proof of support, a joint petitioner may meet the required percentage by combining the total of the proofs of support for each of the employee organizations which make up the joint petitioner.

(d) Subject to subsections (a), (b), and (c) of this section, proof of support may consist of any one of the following or a combination thereof:

(1) Original dues deduction authorization forms signed by employees, or proof of dues payments by the employees;

(2) Original membership applications signed by employees;

(3) Original authorization cards or original petitions signed by employees. The purpose of the petition shall be clearly stated on each page thereof;

(4) A list of employees who are not exclusively represented by an employee organization and who have signed or electronically signed proofs of support clearly demonstrating a desire to be represented by the petitioning employee organization for the purpose of meeting and negotiating or meeting and conferring on wages, hours and other terms and conditions of employment, or provided a pdf, screenshot, or image demonstrating their signatures on proofs of support clearly demonstrating such a desire. In order to validate such a list, the employee organization must submit to the Board a sample of such proofs of support, and must establish by sworn declaration that for each employee listed, the employee organization maintains for inspection by the Board, if the Board finds it necessary to request such inspection, one of the following:

(A) An original signed proof of support pursuant to subsection (d)(1), (d)(2), or (d)(3);

(B) Records showing that the employee organization obtained an electronic signature on a proof of support in compliance with the California Civil Code provisions collectively known as the Uniform Electronic Transactions Act, codified at Title 2.5 (commencing with Section 1633.1) of Part 2 of Division 3 of the California Civil Code; or

(C) Records showing that an employee organization obtained a proof of support via a process that qualifies as an electronic signature by virtue of including each of the following elements: (i) The proof of support contains the employee's name and a cellular phone number, email address, or home address; (ii) the employee organization sent a confirmation transmission to the cellular phone number, email address, or home address provided, indicating the language to which the employee agreed, and such language clearly demonstrates the employee's desire to be represented by the petitioning employee organization for the purpose of meeting and negotiating or meeting and conferring on wages, hours and other terms and conditions of employment; and (iii) the employee organization has submitted to the Board any responses to such confirmation transmissions that the employee organization received by the time of submission.

(5) Other evidence as determined by the Board, provided that such evidence is consistent with the principles underlying this subsection (d).

(e) Documents submitted to the Board as proof of employee support, including all documents submitted to the Board under section (d)(4)(C), shall remain confidential and not be disclosed by the Board to any party other than the petitioner, and used only to indicate whether the proof of support is sufficient.

(f) Any party which contends that proof of employee support was obtained by fraud or coercion, or that the signatures on such support documents are not genuine, shall file with the regional office evidence in the form of declarations under penalty of perjury supporting such contention within 20 days after the filing of the petition which the proof of support accompanied. The Board shall refuse to consider any evidence not timely submitted, absent a showing of good cause for late submission. When prima facie evidence is submitted to the Board supporting a claim that proof of support was tainted by such misconduct, the Board shall conduct further investigations. If, as a result of such investigation, the Board determines that the showing of support is inadequate because of such misconduct, the petition shall be dismissed.
