DECISION AND ORDER

CRAIB, Member: The parties in the above-entitled case, having settled their disputes arising out of negotiations for a new collective bargaining agreement, request that the proposed decision issued by the administrative law judge be vacated and that the unfair practice charge and complaint be dismissed. The Public Employment Relations Board has considered the request and agrees that such a dismissal is in the interest of the parties and is consistent with the purposes of the Higher Education Employer-Employee Relations Act (HEERA).¹

¹The HEERA is codified at Government Code section 3560 et seq.

It is hereby ORDERED that the proposed decision in the above case is VACATED and that the charge and complaint in Case No. LA-CE-156-H are hereby DISMISSED.

Members Porter and Cordoba joined in this Decision.
