EERB Order No. Ad-3

The decision of the San Francisco Regional Director, in the above captioned matter, not to order the Richmond Unified School District to provide release time to teachers for election purposes is sustained by the Board itself.

The Board finds that the Regional Director has correctly interpreted Section 3543.1(c) of the Act.

Case Name: Richmond Unified School District
Case No.: SF-R-55
Re: December 17 request to amend
consent election agreement to provide
for release time for teachers.

Dear Mr. Chandler:

While Section 3543.1(c) of the Rodda Act does provide for release time for teachers for the purpose of meeting and negotiating I do not feel that the section requires the employer to provide release time to teachers for purposes of organization campaigns and elections. I therefor decline to order the Richmond Unified School District to provide release time to teachers for election purposes without the mutual agreement of the District.

An appeal to this decision may be made within ten calendar days of receipt of this letter, stating the facts upon which the appeal is based and filed with the Executive Director, Mr. Charles Cole, at 923 12th Street, Suite 200, Sacramento, California 95814. Copies of any appeal must be served upon all other parties to this action with an additional copy to the San Francisco, Regional Office.

Very truly yours,

James W. Tamm
Regional Director
