ORDER

The request for injunctive relief filed by the Statewide University Police Association in the above-captioned matter is DENIED without prejudice to renewal, sufficient reasons therefor not having been established at this time.

Absent request for and granting of a stay of mediation, the Regents of the University of California are hereby ORDERED to proceed immediately to mediation during the pendency of the administrative appeal filed in Case No. SF-M-677-H. In so ordering, the Board does not resolve the issues presented by the underlying unfair practice charge.
