Jerilou Cossack Twohey, Member, concurring:

I concur in the refusal to join in the Sacramento-Sierra's Building and Construction Trades Council request for judicial review for the reasons I stated in my dissent in Grossmont Union High School District, EERB Order No. JR-2, July 25, 1977.¹

¹I take official notice that an election was conducted in the operations-support services unit, including the skilled crafts employees, on November 9, 1977 and that Service Employees International Union, Local 22 (SEIU) was certified as the exclusive representative in that unit on November 18, 1977.
