PUBLIC COMMENT

- This is your opportunity to address the Port Commission about any matter of Port business.
- The Commission President will ask for public comment at the start of the meeting.
- If you wish to speak, please complete the sign-up sheet in the front of the room. Please list your name, city or county of residence, and identify the specific agenda item to which you will speak.
- When called upon, please approach the podium, adjust the microphone, and speak directly into it so all can hear and you are recorded accurately. Introduce yourself and direct your comments to the Commission President.
- **You will have 3 minutes to make your comments.** When there are 30 seconds remaining a yellow light will alert you. At the end of your comments, the light will turn red and you will hear a beep signifying the end of your comment period.
- Time allotments for comments may be shortened to ensure that more speakers have an opportunity to be heard in a reasonable amount of time.

COMMENT DECORUM

- The purpose of public comment is not to debate but instead for Commission to receive public input on issues under consideration before it takes action.
- Public comment may not be used to campaign for any person or ballot issue, or for commercial advertising purposes.
- All speakers (public, Port staff, and Commissioners) are asked to be courteous in language, tone and demeanor. Remarks should be confined to facts and opinion relevant to the matter under consideration.
- All cell phones should be turned off or to vibrate only.
- Written materials may be handed to the Commission Staff support and will be shared with Commissioners.
- Commission meetings are civil proceedings. It is inappropriate to cheer, applaud, boo, or otherwise be disrespectful to others in attendance.

SPECIAL MEETINGS & WORKSHOPS

- Occasionally the Port holds Special Meetings on other than its regular meeting date, which will be advertised on our website.
- The Public is welcome to attend or watch Commission Work Sessions and Study Sessions, however, those meetings do not have a public comment period unless a Commission vote is scheduled..
