#	Question	Answer	Question #
1	On page 5 of 18 under Initial Evaluation Phase, Item 2. Project Approach Narrative, the second bullet under item b) specifies "General Please see addendum 01 information for supporting the Port with an overall approach to architectural services at the Port." Is "architectural services" intended to be "habitat monitoring services"?		Q-001887
2	On page 6 of 18 under Initial Evaluation Phase, Item 3. Compensation, is the Port requesting a rate sheet using the template shown in Attachment C? Is the Port also requesting a unit price sheet for equipment needed for monitoring?	Please use the template of attachment C as the rate sheet. Please include a rate sheet for equipment that is needed for monitoring if there is a cost for that	Q-001887
3	In Attachment C under the "Consultant Personnel/Title" column, it states "Team must include a PE". Considering this is a Personal Services contract, is a PE required?	PE is not required for this project. It is just the wording in the template that is used.	Q-001887
4	Page 5 of the RFP, under Section 2 "Project Approach Narrative," section 2.b states, provide "General information for information for supporting the Port with an overall approach to architectural services at the Port." The scope of work does not include architectural services. Could you please clarify what is being requested?	Please see answer to question 1	Q-001892
5	GeoEngineers respectfully requests changes to RFP #071944 Attachment B – POT Standard Terms and Conditions as presented below. We do recognize that the Port of Tacoma may have other needs and objectives for this agreement. To that end, we want to remain flexible and look forward to discussing these changes in greater detail after award	Please send redline changes of the terms and conditions to the above email and the Port will review and answer with an addendum.
