Description of Electronic Data: CAD files for Bidding Support

Dalton, Olmsted & Fuglevand, Inc. (DOF) has provided the data contained in the attached file(s) solely for your convenience. The use of the information contained in the attached electronic file(s) is at your own risk. Use of the drawing and/or data files in the accompanying electronic media signifies your acceptance of the statements in this document without exception or modification.

DOF's transmittal of this data is for reference only and not a substitute for the signed and stamped design drawings, which the party accessing this media acknowledges are the sole documents upon which they are entitled to rely. All information contained in the enclosed electronic media including, but not limited to, symbol libraries, blocks, details, and any other aspects of DOF's work product may not be reproduced, sold, distributed or utilized in any form on any other project, without the written permission of DOF.

Due to the unsecured nature of information transmitted, and the inability of DOF to establish controls over the use thereof, DOF assumes no responsibility for any consequences arising out of the use of the data. DOF shall not be responsible for any changes made to these files, or any errors in translation that may occur during the transmittal. Any drawings transmitted shall not be interpreted as true scale documents of the proposed work and if these drawing files are altered as part of an effort to generate as-built drawings, DOF accepts no liability and/or responsibility for the accuracy of these as-built documents, which are the sole responsibility of others.

If errors or discrepancies are discovered, promptly notify Trevor Louviere (tlouviere@dofnw.com) and Rob Webb (rwebb@dofnw.com).

Please acknowledge your acceptance of these conditions by signing below and returning the original copy to DOF.
