1	You're also requesting estimates for the construction materials testing and special inspections scope of work with procurement?	Materials testing services will be provided for and paid by the Port, per Section 01 45 00, 1.04B	1
2	Looking through this document, we would like to pursue the joint sealants. Does that include performing all asphalt work? The procurement summary describes joint sealants, but in the specs, it sounds like all asphalt work is involved. Can you please clarify.	Joint sealant (s) are included in Bid Item #3 - 2.5" HMA Paving, per Section 01 20 00, 1.07C.	2
3	Do you already have a subcontractor in place to provide pavement quality testing/assurance through density testing of the newly compacted asphalt concrete pavement?	Materials testing services will be provided for and paid by the Port, per Section 01 45 00, 1.04B	3
