Question #	BIDDER QUESTIONS	PORT RESPONSES	Question to Port Date	Response Issued - Date	Attached Document
1	Will accreditation by another accreditation body such as A2LA be acceptable in lieu of AASHTO?	Yes. Please submit qualifications with the Statement of Qualifications	6/2/2016	6/6/2016	NA
2	Just to confirm, will the soil characterization be a part of the Material testing contract work? In the past the Port has contracted separately, so I want to make sure we're reading this correctly. Confirm please.	Yes, the is intending to issue a contract for all scope of work items. Please address all scope items in responding to this RFQ.	6/2/2016	6/6/2016	NA
3	I had a question regarding the service agreements. I've found two of them and am wondering which one would pertain to our company? One looks like it's geared more towards a GC. Can you reply with the correct sample contract that would apply to a construction materials testing and special inspection firm?	The Terms and Agreements for any contract resulting from this RFQ are shown as attachments to the RFQ. The General Conditions of the construction contract are for the Pier 4 Phase 2 Reconfiguration Contractor - Manson Construction.	6/2/2016	6/6/2016	NA
