| | PROPOSER QUESTIONS | PORT RESPONSES |
|---|--|----------------|
| 1 | Reference Section 01 35 29 3.02.A SITE SAFETY AND HEALTH OFFICER. Considering the limited nature of this scope of work, can the requirement for the 40 hour HAZWOPER certification be waived for the on-site safety and health officer? | No. |
| 2 | Reference Section 01 35 29 3.03.E SPILL PREVENTION AND CONTROL. Considering the distance from any body of water and the nature of the work, please consider waiving the requirements (1) to maintain Oil-absorbent booms: 100 feet; and (3) Oil-skimming system. | No. |
