Q&A ISSUE DATE February 18, 2021

PROPOSER QUESTIONS	PORT RESPONSES	RFP/ RFQ Section
Under the "Qualifications and Experience" evaluation category, the RFQ requests "recent contracts/projects in the last three (5) years..." Could you please verify if submitted projects need to be completed in the last three or five years?	<a href="#">Submitted projects need to be completed withing three (3) years.</a>	
On page 2 of the RFQ there is mention of a security assessment that was conducted 4/15/2019. Would a copy of the report be made available to the awarded firm?	<a href="#">Parts or the report in its entirety will be made available to the awarded firm, after the firm signs a nondisclosure agreement.</a>	pg 2
On page 3 of the RFQ there is mention of a \$100,000 - \$200,000 contract anticipated for the project. Does this include the costs of this Project as well as the subsequent recommended upgrades, new equipment/systems and labor costs?	<a href="#">The contract amount between the Port and selected Consultant is anticipated to range between \$100,000 - \$200,000. It includes design and consultant construction support. This amount does not include the construction costs of the project.</a>	pg 3
Can a list of the questions from other bidders, as well as the answers to them, be obtained?	<a href="#">QA #1 was posted to the Port's website on February 12, 2021</a>	
Please confirm that this RFQ is for design services only and not installation?	<a href="#">The RFQ is for design and construction support services only.</a>
