I was wondering if there were any union requirements, square footage, and a start date for this project	<p>There are no Union requirements, but Contractor is required to pay prevailing wages. See sections 00 72 00 and 00 73 46. Approximated Square footages of the roofs are shown on the project plans on drawing G2.0. Project will start this spring (2020). See sections 00 21 00-1.08 C, 00 72 00 6.01, and 00 52 00-3.0 for more information regarding starting the project</p>	

Was the job walk a requirement for contractors to bid on the project?	No, the pre-bid site walk was not mandatory.	
Are you still accepting substitution requests for the TPO membrane, I only see one manufacturer?	Yes, substitution request can still be submitted.
