Life is beachy at MPG!

We would like to announce that Kaitlyn, one of our Program Managers, will be leaving us at the beginning of June. She will be continuing her work in senior care at the Florence Presbyterian Community.

"I appreciate all the love and support that I have received from my coworkers, resident's family/friends, and of course my wonderful residents. I will miss you all."

We are excited to announce that Cecilia Moore will be our new Life Enrichment Director. She has been with us since January and we can't wait to see what is in store here at MPG.
