Hello, Residents and Families!

We're so excited for all the wonderful things we have in the works at our community as summer begins to set in. Longer and warmer days means more daylight hours for fun, more time outdoors, and hopefully more time with family and friends as well. Of course, we are diligently working to ensure the safety of our residents as we plan and organize social events and activities, and we appreciate everyone for doing their part to stay safe and keep others safe in the process.

My department has some exciting things planned for the month of June and we can't wait to celebrate Father's Day, the first day of summer, and many other summer days together as a community. Bring on the summer sun! Chris Rodriguez

Olympia Walk to End Alzheimer's

The Olympia walk to end Alzheimer's is scheduled for Saturday October 8th, 2022. Team forget Me Nots is participating and will be hosting a variety of events to raise funds and awareness for Alzheimer's disease. Funds from these events go to the Alzheimer's Association and can advance research to treat and prevent Alzheimer's disease. and provide programs and support to improve the lives of millions of affected Americans. The Olympia walk to end Alzheimer's is a big event in the area to provide awareness and support. Staff, families, friends and residents have been part of our team and will come together on this special day and walk for the cause. We encourage you to join us to fight this fight. Are you interested in joining our team? Please look up Sinceri SL Team Forget Me Nots at www.alz.org. There you can register to walk, sign up under our team name make a donation, and learn more information on the disease.

**We Strive for a world without

activities.***

Save The Date

Here we are family

In Olympics west community, we spend a lot of time with the residents. Of course, the obvious is taking care of their personal needs and their health needs. Highlighting the time we spend making the residents laugh and bringing smiles to their faces is so important. Taking a lonely day and turning it into a day full of joy. Being good listeners- the stories are so rich and full, too! Just being a friend to the residents.

Relationship building is so important to the well-being of our residents. The definition of relationships is the way in which two or more people regard and behave toward each other. Together, the staff at Olympics West truly enjoys spending time with residents, and expresses affection and friendship to the residents.
