

## Community Spotlight

Meet Adelfa, one of our amazing cooks and employee of the month for June. Adelfa has been with us for 7yrs. She has 3 daughters, is originally from Oaxaca Mexico and has been in Escondido for over 25 years. On her free time, she loves to spend time with her family, visit her daughter in Ohio and visit her family in Mexico. She is one of the hardest working people here and so deserving of this.
