Message From Our Maintenance Manager, Edil

Hello! As the days get colder and shorter, we're going to start thinking about how we can keep rooms and apartments at a nice and steady temperature throughout the building. Do not worry! We will keep your family members warm and cozy this season by keeping temperatures regulated throughout the building. Here's a couple of quick maintenance tips for you to use at home, and when checking in on your loved ones! First ensure all your windows are closed and locked to prevent cold drafts from sneaking in. Check that there isn't any Furniture, Rugs or Curtains blocking any registers, vents or radiators. This will ensure that warm air is able to circulate rooms efficiently. Never use your Kitchen oven or stove as a supplementary heat source and remember to keep any patio doors shut tight as well. Doing this will ensure that you have a safe, warm, and worry-free winter season!

Thank you and have a great and cozy November!

Edil Baez, Maintenance Manager

RESIDENT SPOTLIGHT

Mary has been a part of the Lakewood community for over 2 years! She is a stylish lady who loves all things glitz and glamour. Mary spent many years working as a crossing guard for a school, then a parking specialist. Fun fact about Mary: she loves the Shirley Temple movies! You might also find Mary playing BINGO, she is a pro!

Brenda N.

Caregiver

This November, we are recognizing one of our phenomenal caregivers, Brenda! She has been a part of the Lakewood team for a few months and has been bringing so many smiles to the community! Brenda's favorite thing about being at Lakewood is being able to get to know and care for the amazing residents. Fun fact, Brenda's full first name is Brenda Ann, and she doesn't have a middle name! Thank you so much, Brenda, for your passion and deep care for the Lakewood community!
