The Fourth of July—also known as Independence Day or July 4th—has been a federal holiday in the United States since 1941, but the tradition of Independence Day celebrations goes back to the 18th century and the American Revolution. On July 2nd, 1776, the Continental Congress voted in favor of independence, and two days later delegates from the 13 colonies adopted the Declaration of Independence, a historic document drafted by Thomas Jefferson. From 1776 to the present day, July 4th has been celebrated as the birth of American independence, with festivities ranging from fireworks, parades and concerts to more casual family gatherings and barbecues. The Fourth of July 2024 is Thursday, July 4.

Live Musical Entertainment three to four times monthly. Our entertainers provide a variety of music the residents enjoy: oldies, jazz, standards, showtunes, famous duets, pop, country and gospel. Evidence has shown that music enhances cognitive performance (working memory and processing speed) in seniors. Engaging in music stimulates the mind and contributes to cognitive improvement. Lifelong musical enjoyment can reduce cognitive decline.

The World Meteorological Organization hurricane names for 2024. The official season is June 1 through November 30.
