

EVENT SAFETY PROTOCOLS: PITTSBURGH, PA

Given the current COVID-19 situation, our main concern is the health and well-being of our attendees and exhibiting partners. The David L. Lawrence Convention Center is protected by [Venue Shield](#), a comprehensive re-opening program in alignment with approvals from local government officials and health care experts.

GPX Safe Guidelines for Participants

Face masks are required for those who aren't vaccinated, and strongly encouraged for those who are vaccinated.

Maintain six-foot social distance

In addition to extensive safety measures being undertaken by The David L. Lawrence Convention Center, GRAPHICS PRO EXPO safety protocols will address the following:

Work closely with the convention center on:

- Building disinfection and cleaning protocols
- Food service safety guidelines
- Medical services

Monitor City, County and State guidelines

- Mask recommendations
- Mass gathering guidelines

Hand sanitizing stations located throughout the David L. Lawrence Convention Center, including:

- In registration area
- Near classrooms
- Inside the exhibit hall at the entrance, exit and each aisle

Registration Area:

- Touchless registration and badge pick-up
- Plexiglass shields at customer service and badge pick-up counters

Exhibit Hall:

- Additional aisles to decrease the number of inline booths
- 20-foot aisles
- Social distancing signage and floor graphics
- Disinfectant wipes provided to exhibitors for cleaning in between demonstrations

Classrooms:

- Touchpoints, including door handles, will be sanitized after each class

AGS (General Service Contractor) commits to:

- Cleaning soft goods (drapes, skirts, carpet) between events
- Clean equipment upon return to inventory
- Material unloading be completed in a queued fashion, requesting drivers remain in their POVs/truck cabs

The GRAPHICS PRO EXPO team is eager to be on show site and facilitate face-to-face business. Having a safe event is priority-one. We ask everyone to be respectful of each other's space. Handshakes and hugs can be replaced with a nod and a wave. Please [reach out](#) to our team with any concerns, suggestions, comments, or questions about the in-person event.
