FROM THE PRESIDENT

Some colleges are concerned with being known as intellectual centers. Some seem to be most interested in athletics. Others are content to be country clubs. Some desire to be known as the home of the arts. Some are strong for a particular type of religion, and some are mainly vocational in nature, Lewis and Clark College holds that all of these various interests are good but that they must all be maintained in balance so that no one destroys the others.

While we have deep concern for the development of the mind and the spirit because of our character as a Christian college, we are interested here in the growth of the whole person. We hope that through association with administrators, faculty members and fellow students, through study of our rich heritage, and through labor in the activities of the college, Lewis and Clark students may each become caught by some vision of greatness.

We would have them seek for themselves the realization of an inquiring and logical mind, a faith that is intelligently Christian, citizenship that is humane and responsible, happy human relations and useful work, and an appreciation of the best in man's artistic and scientific achievements.

This realization of some greatness is the motivating force in the dream which trustees, faculty, students, alumni and friends have for this college. The Voyageur does well to call attention to the rich resources present at Lewis and Clark for the achievement of this end.

LC 6
MONTANA STATE 25

The Pioneers opened the '54 grid season at Palatine Hill and were soundly thrashed by a rugged, well-drilled Bobcat squad.

Caley Cook, stellar senior halfback, kept the Hustonmen in the contest with several long dashes. His beautiful 57-yard sprint in the third quarter provided LC's only TD.

The game was closer than the score would indicate; but costly mistakes, caused by only a few days' practice, hurt the gridders.

LC 7
COLLEGE OF IDAHO 14

Plagued by fumbles, injuries and penalties, the Pioneers dropped their first league encounter to the strong Coyotes of Caldwell.

A pass interference penalty against LC set up the first Idaho score six seconds before the halftime gun. The Coyotes struck through the air to pay dirt two minutes into the third period to lead 14-0.

Jim Johnson capped a 55-yard drive with a 2-yard romp into the end zone in the same stanza. Johnson joined the injury list shortly after, and the Pioneer hopes faded. The gridders twice lost the ball on fumbles inside the Idaho 20-yard line. A total 125 yards was assessed in penalties against LC while a mere 5 was charged to the Coyote club.

Pioneers smother hapless Bobcat back.

LC 14
CENTRAL WASHINGTON 13

The Orange and Black tasted their first victory of the season at Ellensburg with a hard-earned 14-13 conquest.

The brilliant Caley Cook ran 19 yards to a TD for the Pioneers in the first quarter. Central recovered a fumble on the LC one and quickly tied the score early in the second period. A little later Ron Stemple sneaked across from two yards out, and Gene Flippen converted to put the Pioneers ahead 14-7 at halftime. A blocked punt set up the second Central score, but the conversion failed.

Trailing 14-13 Central drove to a first down on the LC one-yard line. With only seconds remaining, the Pioneers were not to be denied and held out for four downs to preserve the victory.

Smith breaks loose for a long gainer against PSC.

Johnson is stopped on the Viking one-foot line.

LC 44
PORTLAND STATE 19

The backfield of the Pioneers had a field day as the gridmen romped over Portland State.

Frankie Fair raced 30 and 73 yards to pay dirt for the first two Pioneer scores. After Jim Smith rambled 13 yards for the third score, center Ralph Staley intercepted a pass on the PSC 30 and scampered across to give the hosts a 25-0 lead at intermission.

Engebretson opened the third period by bulling over from the one-foot line. Flippen closed out the scoring with touchdown sweeps of 2 and 1 yards.

Fair, playing only half the game, gained 148 yards against the Vikings.

LC 21
LINFIELD 14

A stirring second half comeback, sparked by quarterback Jim Johnson, featured the Pioneers' victory over the Wildcats at McMinnville.

Trailing 7-0 at the half, the Orange and Black struck for three consecutive scores in the next fifteen minutes. Frankie Fair raced 45 yards to set up Earl Engebretson's TD smash from a yard out to tie the score. Minutes later a fair-to-Flippen pass covered 40 yards and put LC ahead to stay. Johnson then took command and capped a 70-yard drive by scampering 16 yards to pay dirt. Flippen converted for the third time. The Cats narrowed the margin on a pitchout interception, but the stubborn Pioneer line thwarted any Linfield hopes for the tying score.

Halfback Caley Cook suffered a broken leg in the encounter and was lost to the team for the remainder of the season.

Flippen bulls toward six points on a quick opener in Willamette game.

Shifty Frank Fair heads for midfield against Western.

LC 27
WESTERN WASHINGTON 6

A Homecoming crowd of 3,000 watched as the Pioneers bounced from a 6-0 intermission deficit to shellack the Vikings easily with a scoring burst in the second half.

A Johnson-to-Engebretson aerial set up the initial TD in the third quarter with Johnson scoring on a keeper. In the last period big Earl cracked over twice from one and three yards out to put LC up 20-6. Flippen broke loose for a 34-yard sprint and booted his third conversion to end the scoring for the afternoon.

Darrell Everett was chosen "Player of the Day" by a committee of sports writers.

Bearcat line fails to foil Johnson's pass.

LC 23
WILLAMETTE 13

An inspired Pioneer club crushed the favored Bearcats and displayed real class in an impressive performance at Griswold Stadium.

Falfback Flippen accounted for nine points in the first period. He blasted a 26-yard field goal to give the Pioneers a 9-0 intermission bulge. A Johnson-to-Engebretson aerial in the third period made it 1-0. Another smash for six by Engebretson was sandwiched between two TD's by Willamette's Bob Zoelch to give the Pioneers their victory.

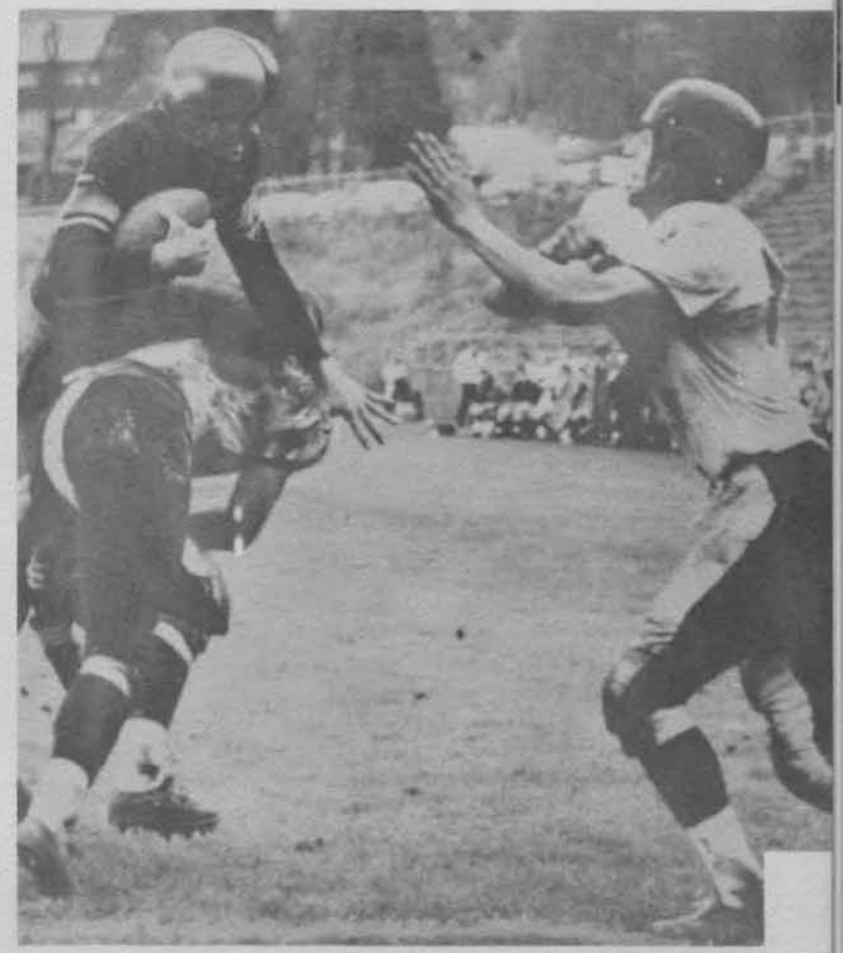

A fast, hard-charging line and relentless attack highlighted the Pioneers' fifth straight win.

LC 27
WHITMAN 6

The Pioneers proved rough hosts as they clobbered the Missionaries on a muddy field.

The gridders sparked by Johnson and Engebretson, marched 8 yards from the opening kickoff with big Earl crashing over from the nine. Johnson raced 58 yards through the Whits for the second score. After Whitman scored six, Fair danced 15 yards and Flippen made his third straight conversion to give the Pioneers a 21-6 margin at the half.

The second half featured a 72-yard sustained drive by the Pioneers with Engebretson plunging for his second TD from the two. The other easy victory was highlighted by the stellar play of the Lewis and Clark linemen.

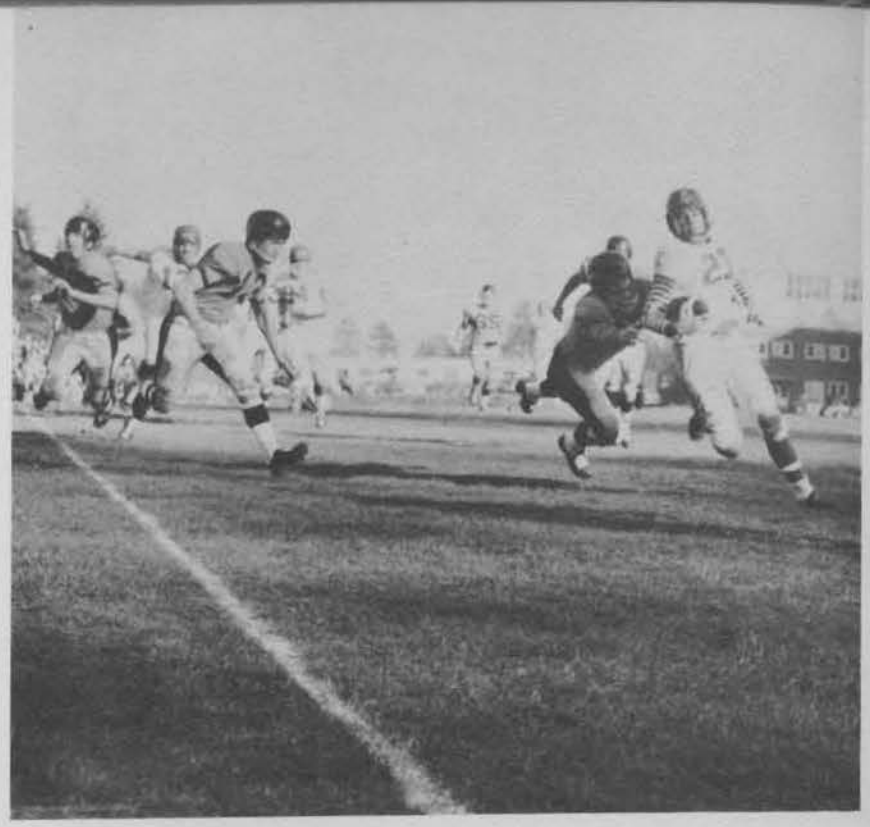

Whitman's Gene LePage, ready for annihilation

LC 22
PACIFIC 0

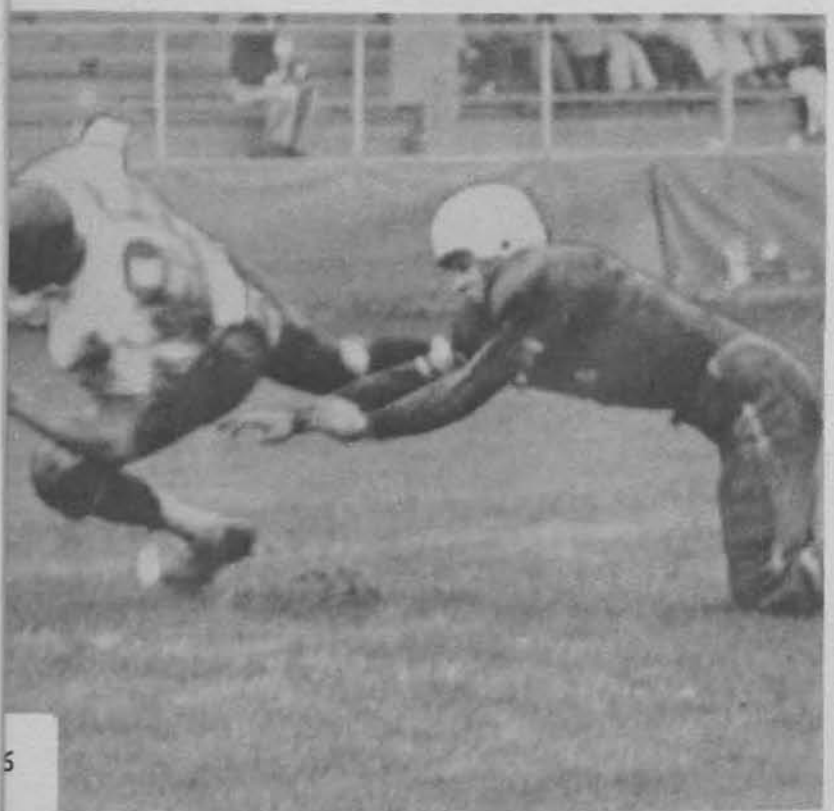

The Pioneers' seventh straight victory was a big one as they clinched a Northwest conference co-championship with Willamette and College of Idaho.

The contest was never close. In the first period Engebretson smashed to six points after Al Scott recovered a fumble on the Pacific 34. Dean Soule rambled 45 yards to pay dirt with an intercepted Badger pass to score again. With 30 seconds left in the half, Everett recovered a bobble on the Pacific 13, and Flippen booted a 23-yard 3-pointer.

Early in the last period Bill Stemple grabbed another Pacific fumble on the opposition's 19, and a Smith-to-Flippen pass gave the powerful Pioneers their final margin.

Flippen dives, Johnson moves in and Quick falls as Bearcat skirts end.

Quick plunges into end zone in finale against Eastern.

LC 38
EASTERN WASHINGTON 13

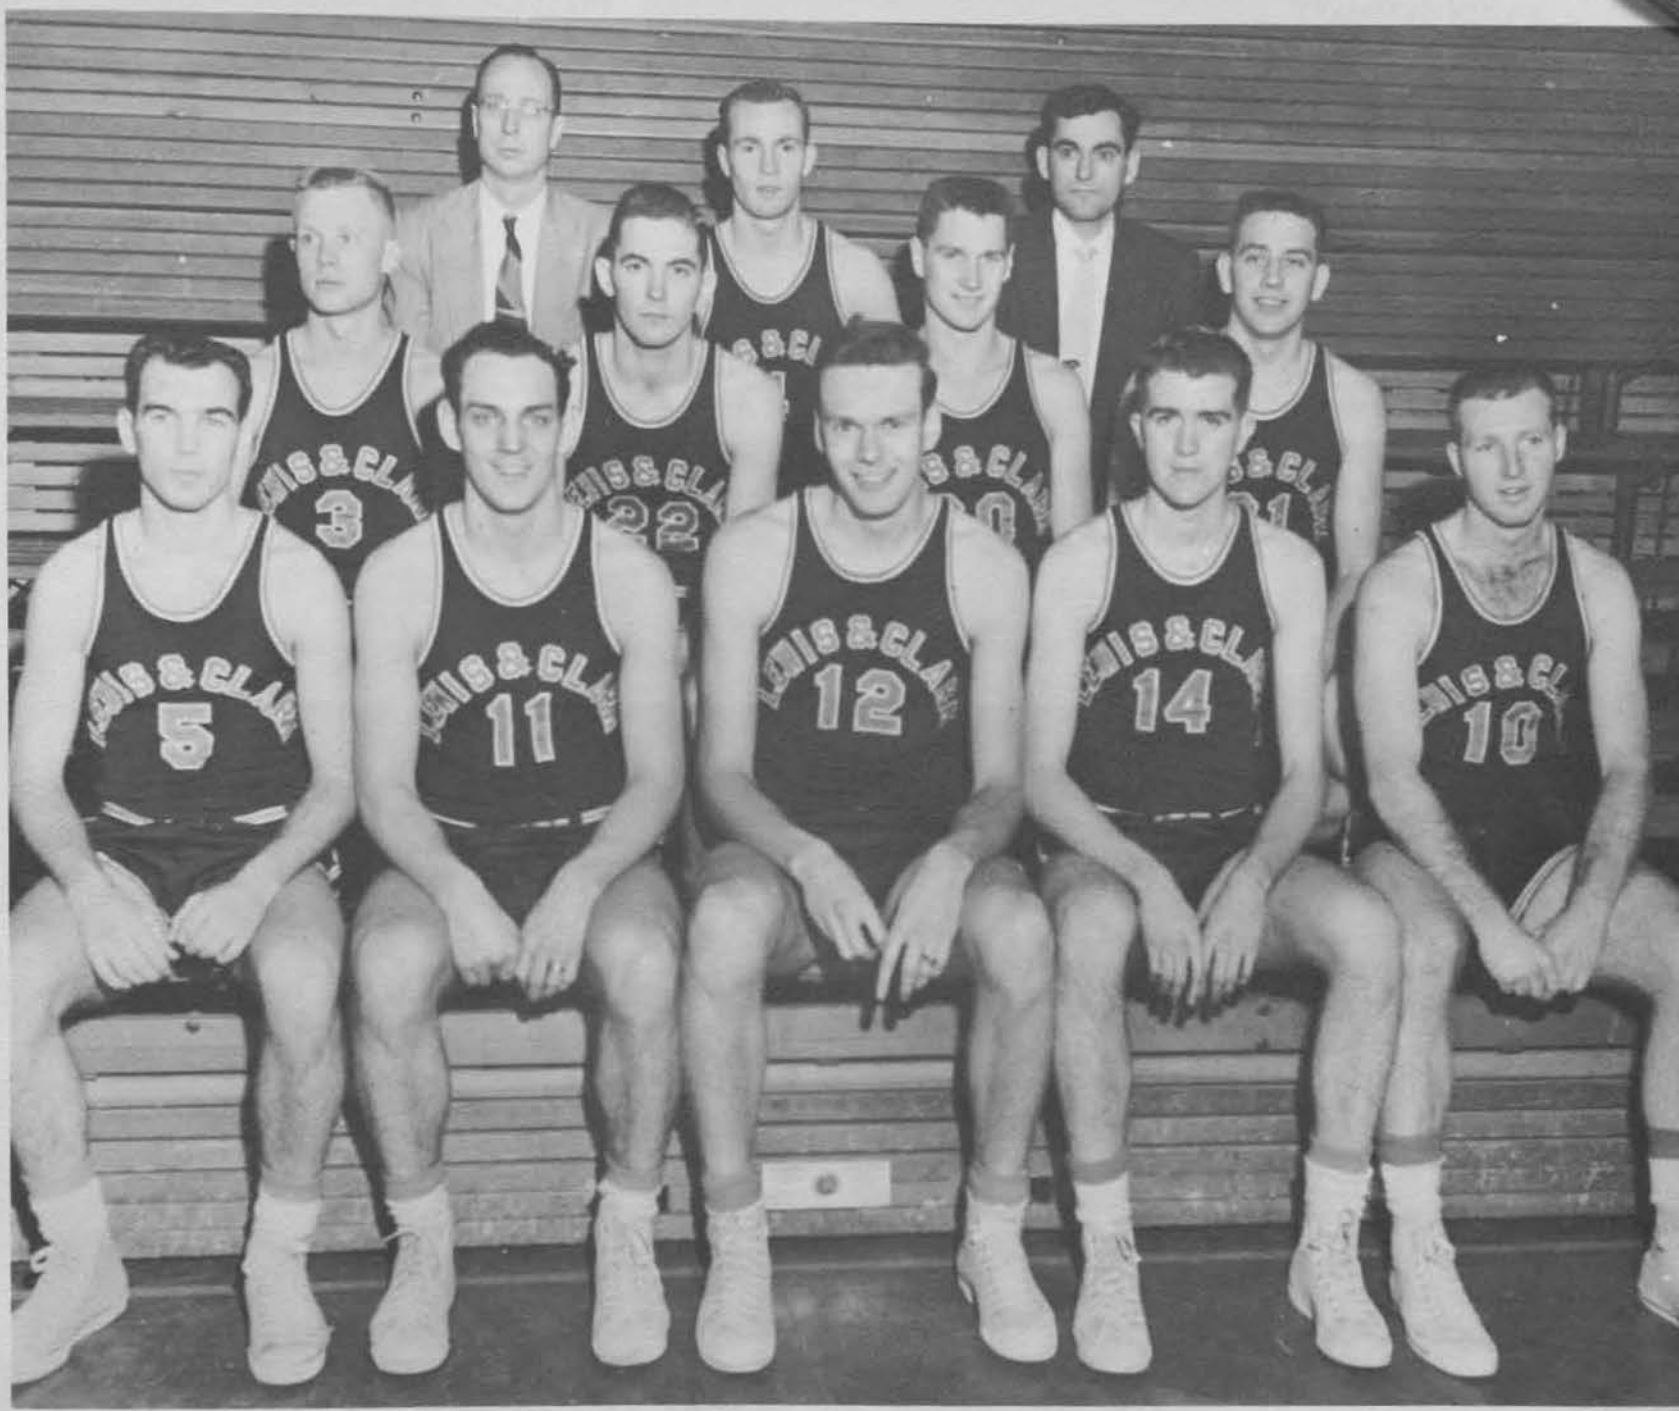

A bevy of seniors ended their football careers for LC in a blaze of glory before the hometown fans.

Two of them, Jim Smith and Jim Quick accounted for five of the six touchdowns. Smith traveled 38, 13 and 6 yards for scores. Quick caught two passes in the Eastern end zone. Johnson dashed 16 yards to the final LC score of the season.

Linemen Everett, Quick, Tom Daklos, Don Johnson, Carl Rennewitz, and backs Smith and Ron O'Brien closed out their LC grid careers.

The victory was the eighth in a row and marked the second most successful season in Pioneer history.

Helm looks frightened as Baylor looms in background.

COLLEGE OF IDAHO 3-LC 0

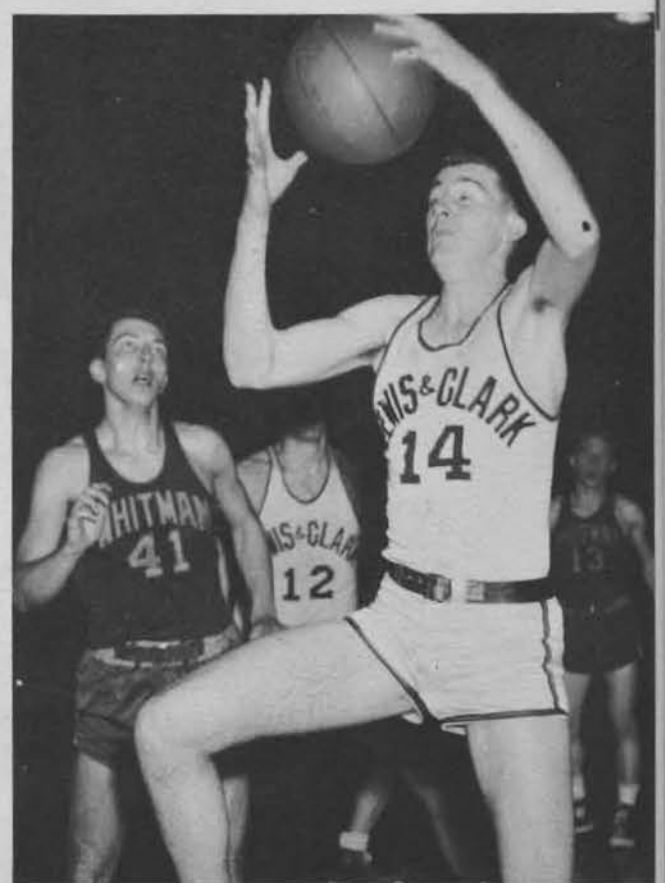

The talented Coyotes from Caldwell completely outclassed the Pioneers and swept the series. Led by the magnificent Elgin Baylor, who scored 38, 19 and 39 against the Fixmen, College of Idaho was undefeated in conference action. Gene Helm was the most effective scorer against the champs with a total of 34 points.

WHITMAN 2-LC 1

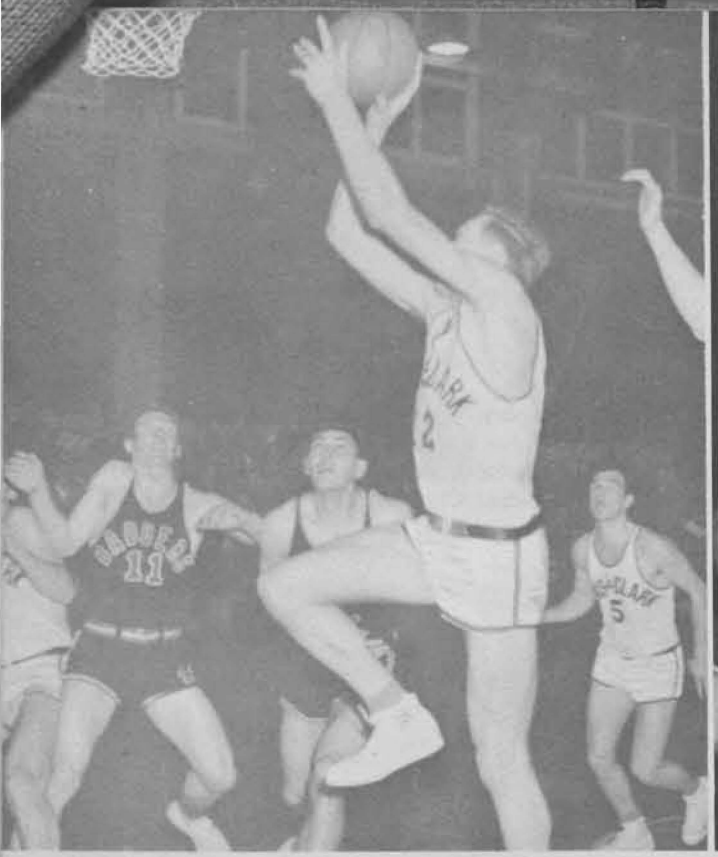

For the first time in history Whitman won the Pioneer series. The Whits won easily at Walla Walla but just squeaked through in the final seconds to win 71-70 in their second meeting. Hal Adrian and Dave Gardner dumped in 45 and 44 points respectively in the series.

PACIFIC 3-LC 0

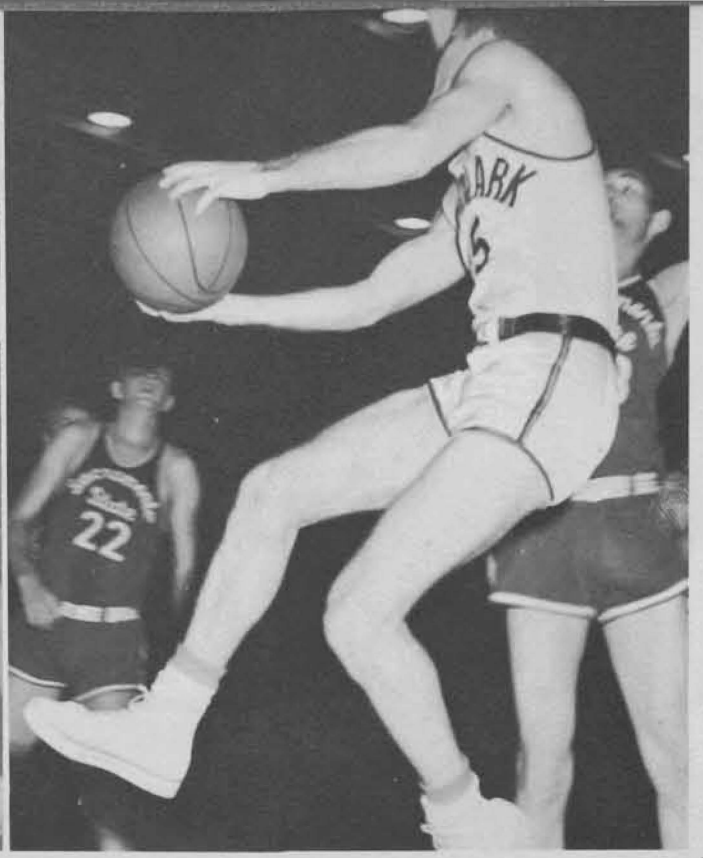

The Badgers triumphed over the men from Palatine in three close contests. Norm "Hawk" Hubert displayed accuracy second only to Baylor as he totaled 76 points to ruin the Pioneers. Loren Michelsen proved effective against Pacific with a 59 total.

Gardner gains possession in Missionary contest.

"Mike" slips past Pacific for two.

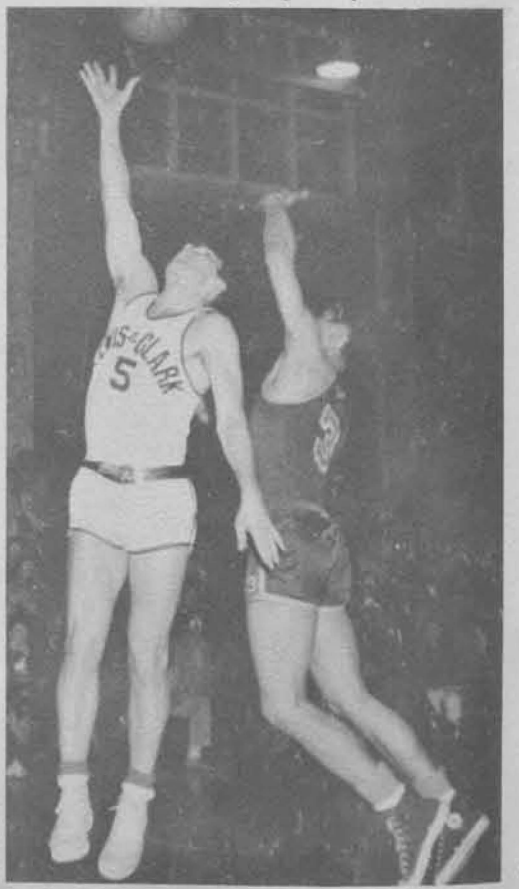

Brady drives in season opener.

Eldon Fix experienced his worst season in 16 years of coaching as the Pioneers finished in the cellar. Injuries and sickness hurt the squad early as Duane Brady was lost for the season and Gary Jackson was disabled for the majority of conference games.

Versatile Caley Cook was the main factor in the Pioneers' success. Caley led the individual scoring with 111 points. He was undefeated in the low hurdles, beaten only once in the 100 yard dash, and a standout in the broad jump. Cook holds school records in the low hurdles at 24.3 and broad jump at 23 feet 4½ inches.

Bob Chiodo was second in individual point making with a 56½ total. Bob was a key performer in the broad and high jump. He compiled all his points in these two events.

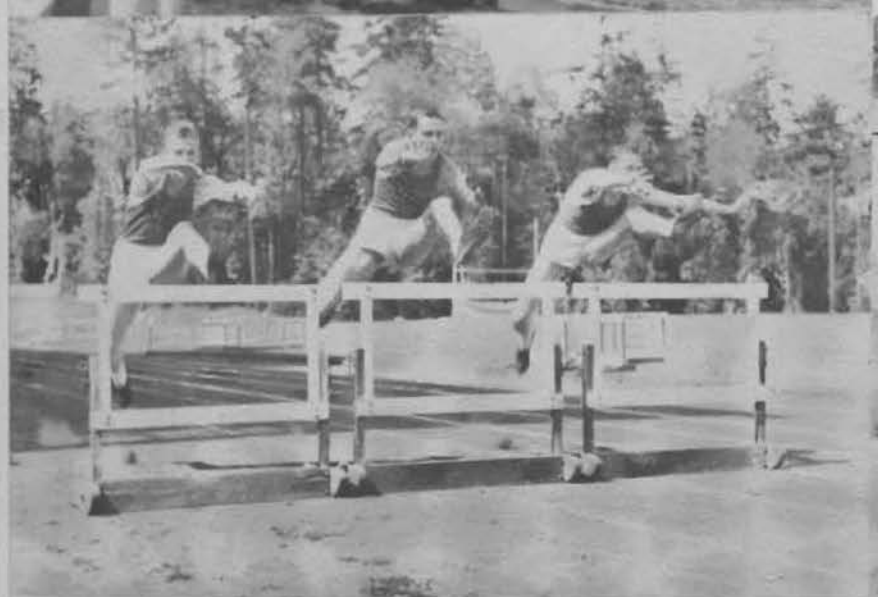

Pat Adams set new school and conference records in the discus during the '54 season. He also won valuable points in the shot put to place him third among team scorers with a 56 point total.

Ray Hyde was undoubtedly the most outstanding ballplayer in the Northwest conference. The canny lefthander accounted for all the Pioneer league victories, including two shutouts and winning a double header against Pacific on the final day of the season.

Another honor was bestowed upon Ray when he was named to represent the United States in the Pan American Games held in Mexico City.
