

Spirit Tips For A Successful Interview

:Use these tips to prepare for your interview with a U.S. Host School and make a strong, professional impression.

RESEARCH:

Spend time before the interview researching the school and its community. You should be able to answer questions about why you are interested in that particular school. The interview is also a great time to ask any questions you may have about the position or community.

1

LOCATION:

You should be in a quiet, empty room with nothing distracting behind you. You should also make sure to have a strong internet connection. We recommend testing your microphone and camera before the interview.

2

SPEAK SLOW & SMILE:

Take your time, speak slowly, and pause when needed. It's okay to think before you answer. Remember to smile often.

3

ASK QUESTIONS:

If you don't understand a question, ask the interviewer to repeat or clarify it. This shows professionalism and ensures you give your best answer.

4

DRESS PROFESSIONALLY:

Spirit recommends wearing business professional clothing, such as a button-up shirt, a polo shirt, or a blouse.

5

RELAX:

Take a moment to breathe and collect your thoughts before joining the call. You are prepared, and Spirit wants to see you succeed.
