

2022-2023 Advanced Placement Courses

Accelerate Education participates in the AP Audit process by creating syllabi and submitting those syllabi for College Board approval. Any school partner that teaches using an Accelerate online Advanced Placement course will need to seek their own approvals through the college board through their own AP Course Audit account page, “claiming identical”. Schools should indicate the use of an AE course by selecting it from a dropdown menu during the submission process. The [AP Course Ledger](#) updates in November, where all courses listed for AE will be displayed. As of 2018, we have a new school code (code #030682), so when searching for Accelerate, enter this code in the field on the ledger search page to see what courses we have approved (if you search by our name, you will STILL see two different options, so using the code ensures accuracy); please remember this list will not be made public by the College Board until November.

Ledger Search

Enter search criteria into one or more of the fields below.

High School Name or College Board School Code: Enter a High School Name or College Board School Code	Country: United States
Subject: All	State/Province: All
Year: All	City: Enter a City Name

Note: The ledger lists courses beginning with the 2007-08 academic year. AP courses offered prior to 2007-08 were not reviewed as part of the AP Course Audit; therefore, use of the "AP" designation is permitted for these courses.

Submit

You will need to set up your school at the College Board website with an administrator of your own. Your teachers will need to each create their own account at the College Board and associate that account with your school. The tech support number for assistance is 1-877-274-3570, option 5 (for course audit). Please note that we may have more than one instance listed for some of the courses because we have multiple teachers for AP courses. The CB requires that **each teacher** gets his or her own approval. For the purposes of demonstrating our approvals with school partners, we are listing only one syllabi and approval letter for each course.

All Accelerate Educations' approved Advanced Placement are listed below, along with the syllabi, approval numbers. When you submit these courses to “claim identical”, you will need

the approval # and the syllabus. Once approved, you will have your own authorization letter and approval #, with your teacher's name. Accelerate's official syllabi are linked below.

Course Syllabus	Approval #
AP Biology	3134977v1
AP Calculus AB	3134957v1
AP Calculus BC	3134958v1
AP Chemistry	3134968v1
AP Computer Science	3138293v1
AP English Language and Composition	3134960v1
AP English Literature and Composition	3134961v1
AP European History	3134964v1
AP Physics 1	3134959v1
AP Psychology	3162360v1
AP Spanish Language and Culture	3206724v1
AP U.S. Government and Politics	3134965v1
AP United States History	3134966v1
AP World History: Modern	3134967v1

Note from the College Board:

AP Courses offered by Accelerate Online Academy are available exclusively to students in grades 9-12, except for AP world language programs. [View the Appropriate Grade Level Policy.](#)

To be included on the AP Course Ledger, any AP courses offered through an Online Provider such as Accelerate Online Academy must be selected from the drop-down menu on my School Status page.

When using an approved AP course, teachers must verify that they have read the [AP Principles](#) and understand that the AP Program encourages educators to review these principles with parents and students, so they know what to expect in an AP course. Advanced Placement is always a choice, and it should be an informed one. AP teachers should be given the confidence and clarity that once parents have enrolled their child in an AP course, they have agreed to a classroom experience that embodies these principles.

Exam Administration

Each school partner will administer their own exams. Once the school is registered with the College Board as outlined above, they will have access to exam ordering. Please call the College Board to seek help in this area 1-877-274-3570. Once you have your account set up, you'll need to pay close attention to the dates for deadline found [here](#).
