WHAT CHANGED

Re-Mastered Course - Group 1

- Updates in these courses were specifically related to certain Buzz course attributes so parallel changes are not needed in Canvas or Schoology course versions.
- No substantive changes were made to the actual curriculum or overall course structure.
- Course settings were modified to adjust grading categories and associated weights, and to correct associated credit recovery adaptive settings.

Re-Mastered Course - Group 2

- No substantive changes were made to any of the course curriculum.
- Journal Activities were updated for enhanced clarity.
- Rubrics were updated to adjusted point settings.
- Course settings were modified to adjust grading category weights, course bundle codes, and participation activity settings.
- Assessment titles were streamlined for easier navigation.
- Minor HTML updates were made to improve interaction with text-to-speech tools.
- Adjusted item coding to ensure compatibility with Buzz Dark Mode settings.

Re-Mastered Course - Group 3

- No substantive changes were made to any of the course curriculum.
- Journal Activities were updated for enhanced clarity.
- Rubrics were updated to adjusted point settings.
- Course settings were modified to adjust grading category weights, course bundle codes, and participation activity settings.
- Assessment titles were streamlined for easier navigation.
- Minor HTML updates were made to improve interaction with text-to-speech tools.
- Adjusted item coding to ensure compatibility with Buzz Dark Mode settings.

New Course - Group 4

- These courses are either new titles in the catalog or are complete redesigns of courses previously offered.

Re-Mastered Course - Group 5

- No substantive changes were made to any of the course curriculum.
- Journal Activities were updated for enhanced clarity.
- Rubrics were updated to adjusted point settings.
- Course settings were modified to adjust grading category weights, course bundle codes, and participation activity settings.
- Assessment titles were streamlined for easier navigation.
- Minor HTML updates were made to improve interaction with text-to-speech tools.
- Adjusted item coding to ensure compatibility with Buzz Dark Mode settings.

New Course - Group 6

- These courses are either new titles in the catalog or are complete redesigns of courses previously offered.

WHAT CHANGED

Re-Mastered Course - Group 7

- The Novel Study Guides and related activities have been removed from these courses. No other substantive changes were made to the rest of the course curriculum. All integrated novel studies remain unchanged.

Re-Mastered Course - Group 8

- The Novel Study Guides and related activities have been removed from ELA courses in grades 6 - 11, and all associated master courses have been republished as a result. No other substantive changes were made to the rest of the course curriculum, and all integrated novel studies remain unchanged.

Re-Mastered Course - Group 9

- No substantive changes were made to any of the course curriculum.
- Journal Activities were updated for enhanced clarity.
- Rubrics were updated to adjusted point settings.
- Course settings were modified to adjust grading category weights, course bundle codes, and participation activity settings.
- Assessment titles were streamlined for easier navigation.
- Minor HTML updates were made to improve interaction with text-to-speech tools.
- Adjusted item coding to ensure compatibility with Buzz Dark Mode settings.

New Course - Group 10

- These courses are either new titles in the catalog or are complete redesigns of courses previously offered.

New Course - Group 11

- These courses are either new titles in the catalog or are complete redesigns of courses previously offered.

New Course - Group 12

- These courses are either new titles in the catalog or are complete redesigns of courses previously offered.
