Product Bulletin
End-of-Life Notification

Product Name:	CR1000	Reference Number:	D032024 CR1000 EOL Product Bulletin
Date Announced:	December 3, 2018	Date Effective:	December 3, 2018

This is an official notice that the Code Reader™ 1000 series will be discontinued effective December 3, 2018. Accessories (cables and stands) will continue to be available. Extended warranty options will no longer be available effective as of the date of this announcement. Other pertinent dates are listed below. The CR1000 will be replaced by the CR1100, which leverages Code's new advanced processing platform for even faster barcode reading. The form factor and mounting features of the CR1100 are identical to those of the CR1000. If you have any questions, or need more information about the Code CR1100, please contact your Code representative, or visit our website at http://www.codecorp.com. For assistance in transition from the CR1000 to the new CR1100, please contact Code Customer Service and Support Department at http://www.codecorp.com/technical-support.php
