## **India**

### **Children's Bible Clubs**

*How do you transform a nation of 1+ billion? You start with one child. India is home to boys and girls with tremendous needs. Child labor, illiteracy, child marriage and the oppressive caste system are just some of the challenges they face every day. That's where Mission India's Children's Bible Clubs (and you!) come in. These 10-day clubs give kids the chance to just be kids—play games, sing songs, hear stories, make new friends and smile. At the Children's Bible Clubs, girls and boys are transformed as they discover the love of Jesus. One changed life can ripple out to impact an entire community. For more info, go to [missionindia.org](http://missionindia.org).*

**Looking Ahead:** Senior Luncheon on *Friday, June 24th, 11 am, at The Edge. We are happy to have Johnnie Fox for our live music, she brings her incredible voice and talent to music. The special speaker is our own Larry Osborne. Lunch will be served from Ki's Restaurant, Solana Beach.*

## **Jokes of the Month**

Q- What do you call a group of killer whales playing instruments?

*A- An orca-stra*

Q- What did the ocean say to the boat?

*A- Nothing; it just waved*

I don't know why trees make me so nervous...  
I guess because they're so shady.
